**Write Better, Faster** Monica Leonelle, 2020-12-15 In 2012, fiction author Monica Leonelle made a life-changing decision to learn to write faster. Through months of trial-and-error, hundreds of hours of experimentation, and dozens of manuscripts, she tweaked and honed until she could easily write 10,000 words in a day, at speeds over 3500+ words per hour! She shares all her insights, secrets, hacks, and data in this tome dedicated to improving your writing speeds, skyrocketing your monthly word count, and publishing more books. You'll learn:

- The Writing Faster Framework that Monica used to reach speeds of 3500+ new fiction words per hour
- The tracking systems you need to double or triple your writing speed in the next couple months
- The killer 4-step pre-production method Monica uses to combat writer's block, no matter what the project is!
- The secrets to developing a daily writing habit that other authors don't talk about enough
- How Monica went from publishing only one book per year from 2009-2013, to publishing 8 books in a single year in 2014

For serious authors, both beginner and advanced, who want to improve their output this year! *Write Better, Faster: How To Triple Your Writing Speed and Write More Every Day* will help you kick your excuses and get more writing done. As part of *The Productive Novelist* series, it explores how to hack your writing routine to be more efficient, more productive, and have a ton of fun in the process!

**Wolf in White Van** John Darnielle, 2014-09-16 Long-listed for the 2014 National Book Award in fiction Winner of the 2015 Alex Award for adult books with special appeal for young adults Beautifully written and unexpectedly moving, John Darnielle's audacious and gripping debut novel *Wolf in White Van* is a marvel of storytelling brio and genuine literary delicacy. Welcome to Trace Italian, a game of strategy and survival! You may now make your first move. Isolated by a disfiguring injury since the age of seventeen, Sean Phillips crafts imaginary worlds for strangers to play in. From his small apartment in southern California, he orchestrates fantastic adventures where possibilities, both dark and bright, open in the boundaries between the real and the imagined. As the creator of Trace Italian—a text-based, role-playing game played through the mail—Sean guides players from around the world through his intricately imagined terrain, which they navigate and explore, turn by turn, seeking sanctuary in a ravaged, savage future America. Lance and Carrie are high school students from Florida, explorers of the Trace. But when they take their play into the real world, disaster strikes, and Sean is called to account for it. In the process, he is pulled back through time, tunneling toward the moment of his own self-inflicted departure from the world in which most people live. Brilliantly constructed, *Wolf in White Van* unfolds in reverse until we arrive at both the beginning and the climax: the event that has shaped so much of Sean's life.

DIY MFA Gabriela Pereira, 2016-07-08 Get the Knowledge Without the College! You are a writer. You dream of sharing your words with the world, and you're willing to put in the hard work to achieve success. You may have even considered earning your MFA, but for whatever reason--tuition costs, the time commitment, or other responsibilities--you've never been able to do it. Or maybe you've been looking for a self-guided approach so you don't have to go back to school. This book is for you. *DIY MFA* is the do-it-yourself alternative to a Master of Fine Arts in creative writing. By combining the three main components of a traditional MFA--writing, reading, and community--it teaches you how to craft compelling stories, engage your readers, and publish your work. Inside you'll learn how to:

- Set customized goals for writing and learning.
- Generate ideas on demand.
- Outline your book from beginning to end.
- Breathe life into your characters.
- Master point of view, voice, dialogue, and more.
- Read with a writer's eye to emulate the techniques of others.
- Network like a pro, get the most out of writing workshops, and submit your work successfully.

Writing belongs to everyone--not only those who earn a degree. With *DIY MFA*, you can take charge of your writing, produce high-quality work, get published, and build a writing career.

The Practice Seth Godin, 2020-11-03 From the bestselling author of *Linchpin*, *Tribes*, and *The Dip*

comes an elegant little book that will inspire artists, writers, and entrepreneurs to stretch and commit to putting their best work out into the world. Creative work doesn't come with a guarantee. But there is a pattern to who succeeds and who doesn't. And engaging in the consistent practice of its pursuit is the best way forward. Based on the breakthrough Akimbo workshop pioneered by legendary author Seth Godin, *The Practice* will help you get unstuck and find the courage to make and share creative work. Godin insists that writer's block is a myth, that consistency is far more important than authenticity, and that experiencing the imposter syndrome is a sign that you're a well-adjusted human. Most of all, he shows you what it takes to turn your passion from a private distraction to a productive contribution, the one you've been seeking to share all along. With this book as your guide, you'll learn to dance with your fear. To take the risks worth taking. And to embrace the empathy required to make work that contributes with authenticity and joy.

*If You Can Talk, You Can Write* Joel Saltzman, 2014-09-01 When we talk, we tell stories and present ideas—rarely with much anxiety. But think about writing something and panic sets in. Overcome this crippling response by learning how to “talk” on paper. Joel Saltzman tells it like it is—with compassion, humor, and the “uncommon wisdom” of famous writers, artists, and musicians. Based on his popular workshop for the UCLA Writers’ Program, this is a program with proven results. You’ll discover how to: >Conquer the killer P’s—Perfectionism, Paralysis, and Procrastination. >Silence your inner critic. (“Shut up, already. I’m trying to write!”) >Stop worrying about the “rules” of grammar. >Get inspired when you don’t feel inspired. >Write with conviction, not apology! This best selling book gives you the daring and freedom to “talk” on paper without worrying whether it’s good or bad or what it’s going to “be”—the kind of writing that’s creative, energetic and, most of all, truly your own.

**The Sunne in Splendour** Sharon Kay Penman, 2014 Richard, last-born son of the Duke of York,

was seven months short of his nineteenth birthday when he bloodied himself at the battles of Barnet and Tewkesbury, earning his legendary reputation as a battle commander and ending the Lancastrian line of succession. But Richard was far more than a warrior schooled in combat. He was also a devoted brother, an ardent suitor, a patron of the arts, an indulgent father, a generous friend. Above all, he was a man of fierce loyalties, great courage and firm principles, who was ill at ease among the intrigues of Edward's court.

201 Writing Prompts Heather Wright,2015-08-26 201 Writing Prompts: The Journal gives you everything you need to beat writer's block and get writing. *The Procrastination Equation* Piers Steel,2010-12-28 DON'T WAIT TO READ THIS BOOK: The world's leading expert on procrastination uses his groundbreaking research to offer understanding on a matter that bedevils us all. Writing with humour, humanity and solid scientific information reminiscent of *Stumbling on Happiness* and *Freakonomics*, Piers Steel explains why we knowingly and willingly put off a course of action despite recognizing we'll be worse off for it. For those who surf the Web instead of finishing overdue assignments, who always say diets start tomorrow, who stay up late watching TV

to put off going to sleep, The Procrastination Equation explains why we do what we do—or in this case don't—and why in Western societies we're in the midst of an escalating procrastination epidemic. Dr. Piers Steel takes on the myths and misunderstandings behind procrastination and motivation. With accessible prose and the benefits of new scientific research, he provides insight into why we procrastinate even though the result is that we are less happy, healthy, and even wealthy. Who procrastinates and why? How many ways, big and small, do we procrastinate? How can we stop doing it? The reasons are part cultural, part psychological, part biological. And, with a million new ways to distract ourselves in the digitized world, more of us are potentially damaging ourselves by putting things off. But Steel not only analyzes the factors that weigh us down but the things that motivate us—including understanding the value of procrastination.
