Dream Job is all about putting the Lord first as you look for your next employment opportunity. The first big step is to write down what your dream job would look like, which will allow you to pray with a specific request. Just as important, it will allow you to ask others to pray for you. By including friends and family in your job search, the Lord will direct you and guide you. He will open doors you never believed possible. As you read this guide, you'll learn how to: • Make a lasting, eternal impact wherever you are—and no matter what you do; • Approach each day with a new and fresh perspective; • Go “all-in” to be who you were created to be; • Develop a written mission and vision statement. The author emphasizes that finding a better job takes time. If you are not prepared to go the distance, you will never get to the finish line that God intended for you to reach. Regardless of where you start, your present education, your race, your gender, or your history, God can take you to new heights.

**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Because there are three reasons you actually get the job none of which are your qualifications and, unfortunately, you can only control one of them. It teaches interview participants to use effective interpersonal communication techniques aimed at overcoming these obstacles. It guides job-seekers through the entire interview process to ensure they get hired. It teaches interviewers to extract the most relevant information to make sound hiring decisions. INTERVIEW INTERVENTION will become your indispensable guide to: ? Create self-awareness to ensure you understand the job you want before not after the fact. ? Respond successfully to the fourteen most effective interview questions. ? Sell yourself and gather intelligence through effective question asking. ?
