How to Write a Novel in 90 Days Conrad Jones,2013-10-21 This concise guide tells you how to write a novel by using a systematic approach to writing. This guide is written by an author not a 'guru'. A simple step by step

breakdown of how to plan each day. No fillers and no theory, just the hard facts in a concise guide. There are many guides about writing novels on the market but how many of them are written by prolific published authors? The answer is 'not many'. How can anyone write a guide unless they have been through the writing process many times before? The simple answer to this question is they can't because they cannot feed on their own actual experiences to help another writer to avoid the mistakes and pitfalls. Most guides regurgitate information which they have picked up from creative writing books or sites. How can they give you advice when they have never sat down and focused on creating a novel which will sell, many times over? Writing a novel is the same as any other task we undertake as individuals. We have to learn how to do it in order to do it well. When you first learn to drive, you need lessons. No one walks into the kitchen and creates a gourmet dish on their first attempt. If you want a system to apply to writing a book, then you need to take advice from an 'author' who has taken years to develop the process via experience.

The Authentic Swing Steven Pressfield, 2013-09-24 The Story Behind THE LEGEND OF BAGGER VANCE If you've read his books THE WAR OF ART and TURNING PRO, you know that for thirty years Steven Pressfield (GATES OF FIRE, THE AFGHAN CAMPAIGN etc.) wrote spec novel after spec novel before any publisher took him seriously. How did he finally break through? Ignoring just about every rule of commercial book publishing, Pressfield's first novel not only became a major bestseller (over 250,000 copies sold), it was adapted into a feature film directed by Robert Redford and starring Matt Damon, Will Smith, and Charlize Theron. Where did he get the idea? What magical something did THE LEGEND OF BAGGER VANCE have that his previous manuscripts lacked? Why did Pressfield decide to write a novel when he already had a well established screenwriting career? How does writing a publishable novel really work? Taking a page from John Steinbeck's classic JOURNAL OF A NOVEL, Steven Pressfield offers answers for these and scores of other practical writing questions in THE AUTHENTIC SWING.

The Historian Elizabeth Kostova, 2005-06-01 The record-breaking phenomenon from Elizabeth Kostova is a celebrated masterpiece that refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner (San Francisco Chronicle). Breathtakingly suspenseful and beautifully written, The Historian is the story of a young woman plunged into a labyrinth where the secrets of her family's past connect to an inconceivable evil: the dark fifteenth-century reign of Vlad the Impaler and a time-defying pact that may have kept his awful work alive through the ages. The search for the truth becomes an adventure of monumental proportions, taking us from monasteries and dusty libraries to the capitals of Eastern Europe—in a feat of storytelling so rich, so hypnotic, so exciting that it has enthralled readers around the world. "Part thriller, part history, part romance...Kostova has a keen sense of storytelling and she has a marvelous tale to tell." —Baltimore Sun

Write. Publish. Repeat. Johnny B. Truant,Sean Platt,David Wright,2014-12-14 Write. Publish. Repeat. The No-Luck-Required Guide to Publishing In 2013, Johnny B. Truant and Sean Platt published 1.5 million words and made their full-time livings as indie authors. In Write. Publish. Repeat., they tell you exactly how they did it: how they created over 15 independent franchises across 50+ published works, how they turned their art into a logical, sustainable business, and how any independent author can do the same to build a sustainable, profitable career with their writing. Write. Publish. Repeat. explains the current self-publishing landscape and covers the truths and myths about what it means to be an indie author now and in the foreseeable future. It explains how to create books your readers will love and will want to return to again and again. Write. Publish. Repeat. details expert methods for building story worlds, characters, and plots, understanding your market (right down to your ideal reader), using the best tools possible to capture your draft, and explains proven best practices for editing. The book also discusses covers, titles, formatting, pricing, and publishing to multiple platforms, plus a bit on getting your books into print (and why that might not be a good idea!). But most importantly, Write. Publish. Repeat. details the psychology-driven marketing plan that Sean and Johnny built to shape their stories into products that readers couldn't help but be drawn into -- thus almost automatically generating sales -- and explores ways that smart, business-minded writers can do the same to future-proof their careers. This book is not a formula with an easy path to follow. It is a guidebook that will help you build a successful indie publishing career, no matter what type of writer you are ... so long as you're the type who's willing to do the work. Keep Off The Grass Karan Bajaj,2013-12-01 What do you do when you are a twenty-five-year-old Yale graduate making half-a-million dollars a year as a hotshot investment banker on Wall Street? You bust your ass and become a

millionaire by thirty, of course. Not if you are Samrat Ratan, born in the USA to immigrant Indian parents; you quit and enrol in business school in India instead. Samrat's rollercoaster journey begins at the Indian Institute of Management (IIM) in Bangalore, where he spends his time getting high on marijuana while his grades - and self-confidence - plummet. Soon, Samrat's quest for identity turns increasingly bizarre as it takes him places he hadn't planned on visiting - prison, for example - and makes him do things he hadn't banked on doing: 'meditating' stoned with a sexy Danish hippie in the Himalayas, hanging out with a cannibal on the banks of the Ganga, and peddling soap to the formidable Raja Bhaiya in Benares. Does Samrat - Yale valedictorian, investment banker, convict, pothead - survive his fall from grace?

Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I

saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M
