Homage to Catalonia 4. Burmese Days 5. The Road to Wigan Pier 6. Keep the Aspidistra Flying 7. Coming Up for Air 8. Why I Write About the Author : Eric Arthur Blair (25 June 1903 – 21 January 1950), known by his pen name George Orwell, was an English novelist, essayist, journalist and critic. His work is characterised by lucid prose, social criticism, opposition to totalitarianism, and support of democratic socialism. ♥♥Animal Farm by George Orwell♥♥ Orwell produced literary criticism and poetry, fiction and polemical journalism. He is known for the allegorical novella Animal Farm (1945) and the dystopian novel Nineteen Eighty-Four (1949). His non-fiction works, including The Road to Wigan Pier (1937), documenting his experience of working-class life in the industrial north of England, and Homage to Catalonia (1938), an account of his experiences soldiering for the Republican faction of the Spanish Civil War (1936–1939), are as critically respected as his essays on politics and literature, language and culture. ♥♥Animal Farm by George Orwell♥♥ Blair was born in India, and raised and educated in England. After school he became an Imperial policeman in Burma, before returning to Suffolk, England, where he began his writing career as George Orwell—a name inspired by a favourite location, the River Orwell. He lived from occasional pieces of journalism, and also worked as a teacher or bookseller whilst living in London. From the late 1920s to the early 1930s, his success as a writer grew and his first books were published. He was wounded fighting in the Spanish Civil War, leading to his first period of ill health on return to England. During the Second World War he worked as a journalist and for the BBC. The publication of Animal Farm led to fame during his life-time. During the final years of his life he worked on 1984, and moved between Jura in Scotland and London. It was published in June 1949, less than a year before his death. ♥♥Animal Farm by George Orwell♥♥ About the book : Animal Farm is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. ♥♥Animal Farm by George Orwell♥♥ According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described Animal Farm as a satirical tale against Stalin (un conte satirique contre Staline), and in his essay Why I Write (1946), wrote that Animal Farm was the first book in which he tried, with full consciousness of what he was doing, to fuse political purpose and artistic purpose into one whole. ♥♥Animal Farm by George Orwell♥♥ The original title was Animal Farm: A Fairy Story, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like A Satire and A Contemporary Satire. Orwell suggested the title Union des républiques socialistes animales for the French translation, which abbreviates to URSA, the Latin word for bear, a symbol of Russia. It also played on the French name of the Soviet Union, Union des républiques socialistes soviétiques. ♥♥Animal Farm by George Orwell♥♥

Ruby Lu, Brave and True Lenore Look, 2010-05-11 Most days the best thing about being Ruby is everything. Like when she's the star of her own backyard magic show. Or when she gives a talk at the school safety assembly on the benefits of reflective tape. Or when she rides the No. 3 bus all the way to Chinatown to visit GungGung and PohPoh. And then there are the days when it's very hard to be Ruby. Like when her mom suggests Chinese school on Saturdays. Or when her little brother, Oscar, spills all of Ruby's best magician secrets. Or when her parents don't think she's old enough to drive! Come along with Ruby Lu in her chapter-book

debut -- which even includes a flip book of a magic trick -- and share the good and the not-so-good days with an (almost) eight-year-old Asian-American kid.
