Simple Observations Patrick Dykie, 2018-01-15 Author Patrick Dykie has always been a keen observer of the world around him. He looks at almost every situation and sees humor in it. Years ago, he realized the world is a tough and unforgiving place. Sometimes, people need to see the absurdity of it and find humor in even the most mundane of things. In Simple Observations, Patrick offers a collection of humorous narratives about everyday life. This compilation of short stories features everything from babies to ghosts to diets to excursions to the beach to wedding receptions to zombies. Patrick tells about trips to the bank, shopping at Walmart, Chinese takeout, a visit to the doctor, camping trips, those pesky mosquitoes and how, in his own, self-deprecating and clumsy way, he survives adventure after hilarious adventure. From a visit to a psychiatrist, to fending off ravenous animals in the garden, Simple Observations takes a fun journey of people, places, things, animals, and popular culture through the eyes of an ordinary man.

**365 Rules of the New World** Steven J. Bennett, 2015-01-13 This thought-provoking compilation delivers a message of awareness and transformation through the daily insights of an inspired non-conformist. As a partner to the 365 Rules website, it asks you to think critically about the world we live in. Rule No. 130: Holding establishments accountable for drinking and driving just another example of the self indulgent, irresponsible masses trying to deflect blame and suck upon the teat of society's two-headed litigious whore mother greed and avarice! Rule No. 355: Car alarm show many times has your car alarm been set off accidentally? And how many times has your car been stolen? Exactly! Rule No. 320: I hate cops I hate the cops translation I hate getting busted

every time I break the law. If you hate police, chances are you're breaking the law too often. Prepare yourself, because the gems of wisdom contained within its pages will awaken your desire to challenge the system. In the new world, 365 Rules will be handed down through generations as a continual work in progress to help keep our world on a righteous path. 365 Rules of the New World is a hilarious glimpse into the mind of a man craving serious societal change. Seemingly off-the-wall and curmudgeonly, Bennett manages to perfectly balance humor and poignancy to deliver a powerful punch to the gut of the whacky world we live in. **The Folly of Murder** J. B. Davis, 2008-11-13 Randy Brathwaite always considered that running a successful congressional campaign against the son of legenday Jim Mayfield to be a long shot. Being accused of his wife's murder months before the election just might make it darn near impossible. PI, Gerry Freeman, is hired by Brathwaite's law firm to see to it that the attorney won't be indicted. In her attempt to clear the candidate of the crime, Gerry unexpectedly unearths a conspiracy involving many of the city's most distinguished citizens, and *The Folly of Murder* takes on a whole new significance.

**The Straw That Broke** Gregory Zeigler, 2014-03-07 In Gregory Zeigler's environmental thriller *The Straw That Broke*, Lyn Burke, a vulnerable young scientist and

free spirit, gets caught up in a battle between ecoterrorists and corrupt public officials over water in the drought-stricken desert Southwest. Lyndall's disappearance causes police officer Susan Brand and private investigator Jake Goddard to rush to her aid. Abduction, deceit, and murder threaten to trigger a cataclysm that places the entire region in jeopardy. In a parched and frightening future in which two-thirds of the world's population is expected to be living under severe water shortages, *The Straw That Broke* is a modern allegory, shedding light on the desperate clashes over precious water, and on our imperiled future. Cover art by Jane Lavino, National Museum of Wildlife Art, Jackson, Wyoming.

*Missing* Bill Noel, 2013-10-03 Sixty-year-old retiree Chris Landrum has simple needs: stay healthy, avoid sunburns, and steer clear of vacationers on the small South Carolina island where he hopes to live out his remaining years. But when local teenager Samuel Perkins pulls Chris aside and tells him he just witnessed the kidnapping of a beauty queen right off Folly Beach, Chris wonders if his hopes for a peaceful retirement have just disappeared with the sunset. While Chris and his close friend, Charles—a faux detective—contemplate whether Samuel actually witnessed a horrific crime, dead bodies begin appearing on Folly Beach. But with trouble brewing within the ranks of the police department and a newly elected mayor nurturing a vendetta against Chris, the two men have their work cut out for them as they launch their own investigation. As the body count rises and the list of suspects increases, Charles suddenly becomes the target for a serial killer intent on eliminating anyone who gets in his way. In this new installment in the Folly Beach Mystery series, Chris and Charles must rely on help from a few eclectic

acquaintances to solve the murders before a cold-blooded murderer strikes again.

**Tempest** Karen Lynch,2024-03-05 All Danielle Danshov has ever wanted is to become a warrior. At eighteen, that dream is within her grasp – if she can get through her final year of training, master her Fae magic, and work with the enigmatic new trainer who challenges her as no one else has. Outside Westhorne, a sinister new threat is growing, and demons and shifters are disappearing without a trace. As the Mohiri search for answers, danger strikes close to home, and the investigation becomes a race to save someone Dani loves before it's too late. When Dani's world begins to crumble around her, she must find strength she never knew she had, and harness the power inside her. She'll need both when she faces her enemy and discovers just how much she has to lose. NOTE TO NEW READERS: Tempest takes place in the Relentless world twenty years after the events in that series. There are numerous references to people, places, events, and creatures from the original series. If you are new to my books, I recommend you read that series (or the first three books) before you read Tempest.
