Better Living Through Criticism A. O. Scott,2017-02-07 The New York Times film critic shows why we need criticism now more than ever Few could explain, let alone seek out, a career in criticism. Yet what A.O. Scott shows in Better Living Through Criticism is that we are, in fact, all critics: because critical thinking informs almost every aspect of artistic creation, of civil action, of interpersonal life. With penetrating insight and warm humor, Scott shows that while individual critics--himself included--can make mistakes and find flaws where they shouldn't, criticism as a discipline is one of the noblest, most creative, and urgent activities of modern existence. Using his own film criticism as a starting point--everything from his infamous dismissal of the international blockbuster The Avengers to his intense affection for Pixar's animated Ratatouille--Scott expands outward, easily guiding readers through the complexities of Rilke and Shelley, the origins of Chuck Berry and the Rolling Stones, the power of Marina Abramovich and 'Ode on a Grecian Urn.' Drawing on the long tradition of criticism from Aristotle to Susan Sontag, Scott shows that real criticism was and always will be the breath of fresh air that allows true creativity to thrive. The time for criticism is always now, Scott explains, because the imperative to think clearly, to insist on the necessary balance of reason and passion, never goes away.

Dangerous Prayers Craig Groeschel,2020-02-04 Be inspired to pray boldly, pray powerfully, pray with passion, and trade ineffective prayers and lukewarm faith for raw, daring prayers that will transform your daily life. Do you ever wonder if God answers your prayers? Do you wish you could see the evidence that prayer changes lives? Do you long for more than playing it safe in your faith? Join New York Times bestselling author Craig Groeschel as he helps you discover the power of authentically communicating with God, breaking out of the restrictive spiritual safety bubble, and expanding your ideas about what's possible with God. The Bible tells us that prayer has the power to move God's heart, but some prayers move him more than others. He wants more for us than a tepid faith and half-hearted routines at the dinner table. God called you to a life of courage, not comfort. In Dangerous Prayers, Groeschel will show you how to pray the prayers that search your soul, break your habits, and send you out to pursue the calling God has for you. But be warned: If you're fine with settling for what's easy, or if you're okay with staying on the sidelines, this book isn't for you. You'll be challenged. You'll be tested. You'll be moved to take a long, hard look at your heart. But you'll be inspired, too. Dangerous Prayers will give you the encouragement and tools you need to: Transform the patterns around your daily prayer life Truly embrace and believe in the power of intentional prayer Start to pray daring, faith-filled, God-honoring, life-changing, world-transforming prayers You'll discover the secret to overcoming fears of loss, rejection, failure, and the unknown, and you'll welcome the blessings God has for you on the other side. But best of all, you'll gain the courage it takes to pray dangerous prayers.
