The Complete Guide to National Symbols and Emblems [2 volumes] James B. Minahan,2009-12-23 These two volumes offer an unprecedented collection of flags, seals, and symbols used every day around the world. In today's global society it is necessary to recognize and identify not only our own symbols, but symbols from nations and territories far removed from home. Empowering readers to identify symbols in daily use all over the world, The Complete Guide to National Symbols and Emblems features an extensive collection of international symbols and cultural emblems never before compiled in such a concise and easy-to-use work. It is inclusive of all the UN member states and some of the most prominent stateless nations. This refreshing alternative to other commonly used sites blends both the political and cultural, including not only flags, national seals, and national anthems, but also foods and recipes, national heroes, sports teams, festivals, and pivotal events that figure in the formation of national identity. This versatile source will prove valuable to a wide audience, benefiting not only high school and undergraduate student researchers, but international businesses, journalists, and government offices.

Jewish Icons Richard I. Cohen,1998 With the help of over one hundred illustrations spanning three centuries, Richard Cohen investigates the role of visual images in European Jewish history. In these images and objects that reflect, refract, and also shape daily experience, he finds new and illuminating insights into Jewish life in the modern period. Pointing to recent scholarship that overturns the stereotype of Jews as people of the text, unconcerned with the visual, Cohen shows how the coming of the modern period expanded the relationship of Jews to the visual realm far beyond the religious context. In one such manifestation, orthodox Jewry made icons of popular tabbis, creating images that helped to bridge the sacred and the secular. Toward the end of the nineteenth century, the study and collecting of Jewish art became a legitimate and even passionate pursuit, and signaled the entry of Jews into the art world as painters, collectors, and dealers. Cohen's exploration of early Jewish exhibitions, museums, and museology opens a new window on the relationship of art to Jewish culture and society.

Women, Sport, Society Roberta J Park,Patricia Vertinsky,2013-09-13 During the last four decades women's and gender history have become vibrant fields including studies of attitudes regarding the limited physical and other abilities of females as well as studies of the accomplishments of notable female athletes. We have become increasingly aware that women have made contributions to physical education, dance and sport that go far beyond being teachers, athletes and coaches. They have created and implemented an astonishing variety of programs intended to serve the needs of large numbers of children and youth sometimes organizing student health services, as well as chairing departments of physical education. They have worked as directors of sport, physical education and dance, running playgrounds and recreational facilities and have created and/or served as important officers of a variety of sporting organizations. This book explores the contributions and achievements of women in a variety of historical and geographical contexts which, not surprisingly opens opportunities for additions, revisions and counter-narratives to accepted histories of physical education and sport science. It seeks to broaden our understandings about the backgrounds, motivations and achievements of dedicated women working to improve health and bodily practices in a variety of different arenas and for often different purposes. This book was previously published as a special issue of the International Journal of the History of Sport.

Icon, Brand, Myth Maxwell Foran,2008 This book investigates the meanings and iconography of the Stampede: an invented tradition that takes over the city of Calgary for ten days every July. Since 1912, archetypal Cowboys and Indians are seen again at the chuckwagon races, on the midway, and throughout Calgary. Each essay in this collection examines a facet of the experience – from the images on advertising posters to the ritual of the annual parade. This study of the Calgary Stampede as a social phenomenon reveals the history and sociology of the city of Calgary and a component of the social construction of identity for western Canada as a whole.

Gods Go Begging Alfredo Vea,2000-09-01 “Luminous... a beautiful book.” – Carolyn See For Vietnam veteran Jesse Pasadoble, now a defense attorney living in San Francisco, the battle still rages: in his memories, in the gang wars erupting on Potrero Hill, and in the recent slaying of two women: one black, one Vietnamese. While seeking justice for the young man accused of this brutal double murder, Jesse must walk with the ghosts of men who died on another hill... men who were his comrades and friends in a war that crossed racial divides. Gods Go Begging is a new classic of Latino literature, a literary detective novel that moves seamlessly between the jungles of Vietnam and the streets of modern day San Francisco. Described as “John Steinbeck crossed with Gabriel García Márquez”, Vea weaves a powerful and cathartic story of war and peace, guilt and innocence, suffering and love - and of one man's climb toward salvation.

State Names, Seals, Flags, and Symbols Benjamin F. Shearer,Barbara S. Shearer,2001-10-30 This must-have third revised and newly expanded edition of the only single reference source for information about state symbols features over 300 information updates plus three new chapters, updated license plate illustrations, and a newly formatted design for ease of use. Libraries that hold earlier editions of this work need this edition to keep their information on the states and territories current. With the addition of new chapters on state and territory universities, state and territory governors throughout U.S. history, state professional sports teams, and a complete revision of the chapter on state and territory fairs and festivals, the work now totals 17 chapters of essential information that is a treasure trove for students. This completed redesigned reference work features chapters on state and territory names and nicknames, mottoes, seals, flags, capitals, flowers, trees, birds, songs, legal holidays and observances, license plates, postage stamps, miscellaneous designations, fairs and festivals, universities, governors, professional sports teams, and a bibliography of state and territory histories. The work features full-color illustrations of every state and territory seal, flag, flower, tree, bird, commemorative postage stamp, and license plate (updated for this edition).

Masters of the Game Birgit Krols,2012 A celebration of excellence in sports, uniting the world's all time greats in all fields imaginable and throughout time.

Surveying and Mapping ,1960

Putin as Celebrity and Cultural Icon Helena Goscilo,2012-10-02 Though in recent months Putin's popularity has frayed at the edges, the dearth of comparably powerful and experienced political leaders leaves no doubt that he will continue to be a key political figure. During his tenure as Russia's President and subsequently as Prime Minister, Putin transcended politics, to become the country's major cultural icon. This book examines the nature of his iconic status. It explores his public persona as glamorous hero, endowed with vision, wisdom, moral and physical strength—the man uniquely capable of restoring Russia's reputation as a global power. In

analysing cultural representations of Putin, the book assesses the role of the media in constructing and disseminating this image and weighs the Russian populace's contribution to the extraordinary acclamation he enjoyed throughout the first decade of the new millennium, challenged only by a tiny minority.

Icons Margaret Stohl,2013-05-07 Ro murmurs into my ear. Don't be afraid, Dol. They're not coming for us. Still, he slips his arm around me and we wait until the sky is clear. Because he doesn't know. Not really. Everything changed on The Day. The day the Icon appeared in Los Angeles. The day the power stopped. The day Dol's family dropped dead. The day Earth lost a war it didn't know it was fighting. Since then, Dol has lived a simple life in the countryside with fellow survivor Ro-safe from the shadow of the Icon and its terrifying power. Hiding from the one truth she can't avoid. They're different. They survived. Why? When the government discovers their secret, they are forced to join faint-hearted Tima and charismatic Lucas in captivity. Called the Icon Children, the four are the only humans on Earth immune to the power of the Icons. Torn between brooding Ro and her evolving feelings for Lucas, between a past and a future, Dol's heart has never been more vulnerable. And as tensions escalate, the Icon Children discover that their explosive emotions-which they've always thought to be their greatest weaknesses-may actually be their greatest strengths. Bestselling author Margaret Stohl delivers a thrilling novel set in a haunting new world where four teens must piece together the mysteries of their pasts-in order to save their future.

Bosnia and the Destruction of Cultural Heritage Helen Walasek,contributions by Richard Carlton,Amra Hadžimuhamedović,Valery Perry,Tina Wik,2016-03-03 The massive intentional destruction of cultural heritage during the 1992-1995 Bosnian War targeting a historically diverse identity provoked global condemnation and became a seminal marker in the discourse on cultural heritage. It prompted an urgent reassessment of how cultural property could be protected in times of conflict and led to a more definitive recognition in international humanitarian law that destruction of a people's cultural heritage is an aspect of genocide. Yet surprisingly little has been published on the subject. This wide-ranging book provides the first comprehensive overview and critical analysis of the destruction of Bosnia-Herzegovina's cultural heritage and its far-reaching impact. Scrutinizing the responses of the international community during the war (including bodies like UNESCO and the Council of Europe), the volume also analyses how, after the conflict ended, external agendas impinged on heritage reconstruction to the detriment of the broader peace process and refugee return. It assesses implementation of Annex 8 of the Dayton Peace Agreement, a unique attempt to address the devastation to Bosnia's cultural heritage, and examines the treatment of war crimes involving cultural property at the International Criminal Tribunal for the former Yugoslavia (ICTY). With numerous case studies and plentiful illustrations, this important volume considers questions which have moved to the foreground with the inclusion of cultural heritage preservation in discussions of the right to culture in human rights discourse and as a vital element of post-conflict and development aid.

Symbols and Artifacts Pasquale Gagliardi,2017-07-05 A selection of 18 papers from an international conference in Milan, June 1987, organized by the Standing Conference on Organizational Symbolism. Details how corporate artifacts are invested with meaning, are related to control, and can be used as cultural indicators in research. Among the topics are office design, housing modifications, computer systems, and the space shuttle. Fairly devoid of specialist jargon.

Sports Highlights Ray Gamache,2023-08-28 This expanded second edition traces the development and popularity of the sportscast highlight--the dominant news frame in the crowded medium of electronic sports journalism--as the primary means of communicating about sports and athletes. The book explores the intricate relationships among media producers, sports leagues and organizations, and audiences, and explains that sportscast highlights are not a recent development. They were often used within a news context in every medium--from early news film actualities and newsreels to network and cable television to today's new media platforms. New to this edition are three chapters that explore developments in sports media from cultural, economic and technological perspectives. An obsession with highlights has seen video replay increasingly used to adjudicate sporting events, marking a new level of reliance on technology. The media's quest for greater certitude and integrity corresponds with the rise of sponsorship of pro teams by gambling operators--with sports betting ads and on-screen odds now routinely appearing in sportscasts. Long-form sports documentaries have become popular, often highlighting a fascination with firsts--rooted in notions of human conquest over nature--that has remained an important source of sports mythmaking.

Sport in Latin American Society J. A. Mangan,Lamartine Pereira da Costa,2002 This work deals with the infancy, adolescence and maturity of sport in Latin American society. It explores ways in which sport illuminates cultural migration and emigration and indigenous assimilation and adaptation.

The Complete Guide to National Symbols and Emblems James Minahan,2010 Contains entries that provide information about the symbols and emblems of the world's nations and territories, covering the flag, coat of arms or seal, motto, colors, anthem, currency, and other aspects of each country; covering the Middle East and North Africa, North America and the Caribbean, and sub-Saharan Africa.

Global Icons Bishnupriya Ghosh,2011-08-24 Global Icons considers how highly visible public figures such as Mother Theresa become global icons capable of galvanizing intense affect and sometimes even catalyzing social change.

Ethnomathematics of Negev Bedouins' Existence in Forms, Symbols and Geometric Patterns Ada Katsap,Fredrick L. Silverman,2015-12-17 Ethnomathematics of Negev Bedouins' Existence in Forms, Symbols, and Geometric Patterns provokes a journey into the world of Negev Bedouins and attests to the beauty and sophistication of mathematics that occurs naturally in their craftwork, structures, games, and throughout Bedouin life. The major focus is Bedouin women's traditional craftwork by which they reflect social and cultural activities in their weaving, embroidery, and similar pursuits. Their creations reveal mathematical ideas incorporated in embroidery compositions in repeated patterns of flowers and geometric figures in varying scales. The women use ground staked looms, stabilized by block-stones, to make multi-color, repeating pattern strip-rugs in a process practiced for generations. An image of this appears in the book's cover photo collage. Bedouin men construct dwellings, tents, desert wells, and such. They and their children play games attuned to sand and other specific desert conditions. These activities of Bedouin women, men, and children require mathematical thinking and strategic reasoning to achieve desired outcomes. The book opens with a narrative of Bedouin history, followed by a brief overview of ethnomathematics, and concludes with discussion about bridging the gap between school mathematics experiences and those outside school. It considers mathematically problematic situations embedded in Bedouin sociocultural heritage likely to appeal to teachers for use with school

students. The book is intended for a diverse audience from Bedouin communities in different countries to the general public and professionals, including ethnomathematicians and mathematics educators. Numerous photographs document the examples of Bedouin ethnomathematics. They are the subject of considerable analysis and appear throughout the book.

Fair and Foul D. Stanley Eitzen,1999 This book moves beyond the myths and media hype to take a closer look at America's love of sport and how it so often comes in conflict with our most basic values. With reverence yet a sharp eye for the influence of big business, corruption, price gouging, political maneuvering, and media grandstanding, Eitzen portrays famous and lesser known events from professional and college sports, including well known coaches and players, to give us a deeper understanding of what sports means to us and how it affects our everyday world.

Icons Land Sport Vector Icons Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available

for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Icons Land Sport Vector Icons PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Icons Land Sport Vector Icons PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Icons Land Sport Vector Icons free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Icons Land Sport Vector Icons Books

1. Where can I buy Icons Land Sport Vector Icons books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Icons Land Sport Vector Icons book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Icons Land Sport Vector Icons books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Icons Land Sport Vector Icons audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
