Shoe Obsession Valerie Steele, Colleen Hill, 2012 *Shoe Obsession* examined our cultures ever-growing fascination with extravagant and fashionable shoes. Accessories used to be just that--secondary to clothing fashions. Today, however, shoes have become the main fashion story, replacing the It bag as the most desirable accessory. High-heeled shoes--the fashion shoes of the 21st century--have become so tall that even a 4-inch heel is considered low. *Shoe Obsession* featured over 150 examples of the most extraordinary shoe styles of the 21st-century, highlighting the new concepts, constructions, materials, and types of embellishment that have positioned shoes at the height of fashion--Museum at FIT web site

The Last Mermaid Shana Abé, 2008-04-29 Shana Abé has entranced countless readers with her passion-filled novels of adventure, intrigue, and romance. Now the author of *The Secret Swan* delivers a gift from the sea: three hauntingly beautiful tales connected by a legend, a locket, and a love beyond time. 531 a.d.: The tiny island of Kell is said to be enchanted, inhabited by an extraordinary creature who comforts shipwrecked sailors passing into the next world. Prince Aedan of the Isles believes in no such nonsense--until he awakens on Kell itself and meets the sensuous siren who rescued him from the sea. 1721: Ronan MacMhuirich, Earl of Kell, is the target of an unlikely assassin: Leila, a mysterious woman from an exotic land. But his irresistibly beautiful would-be slayer is in just as much danger as Ronan when she falls for this man with a magic of his own. 2004: What do you do when you inherit a Scottish island you never knew existed--and find yourself pursued by a handsome stranger who wants to buy it from you? That's what happens to Ruri Kell when she accepts Iain MacInnes's invitation to visit her birthright, and listens to a proposition as sinfully tempting as everything else about him. Three seductive love stories, three passionate couples, all linked by one of the most romantic myths of all.

Instead of Medicating and Punishing Laurie A. Couture, 2008-10 Parents in our culture today are bombarded by experts offering tools, programs, diagnoses, treatments and medications. Why doesn't any of it seem to help our children act and feel better? With this book parents will learn: . Children's brains are wired from conception through adolescence to need certain parenting and educational conditions that are different from almost everything that we have grown up with or have learned from our culture. . What people in peaceful tribal cultures have known about parenting and education for millennia . How to heal their children's mental health, behavioral and learning problems at the root causes, resulting in genuine improvements in family happiness. *Instead of Medicating and Punishing* is for parents of children of all ages, from pregnancy through late adolescence. It is for parents of children who have mild, moderate or severe mental health, learning or behavioral problems and also addresses the special needs of adoptive children.

Event-related Brain Potentials John W. Rohrbaugh, R. Parasuraman, Ray

Johnson,1990 This new volume brings together a wealth of information on event-related potentials of the brain, an area which has grown increasingly important as researchers attempt to understand the workings of the human brain using noninvasive imaging techniques. The volume addresses the neurophysiological bases of ERPs, brain stems and cognition, as well as applications. It will be of interest to a wide range of researchers in perceptual, cognitive, and motor behavior.

Gentlehands M. E. Kerr,2013-12-17 Sixteen-year-old Buddy Boyle makes a shattering discovery about his family in this powerful and poignant novel by award-winning author M. E. Kerr Buddy Boyle lives with his parents and younger brother in a small house on a half-acre of land in undesirable Seaville, New York. Skye Pennington spends her summers on the opposite end of town on five acres with a view of the ocean. Buddy's dad is a police sergeant; Skye's is the head of a multi-million-dollar industry. But none of that stops Buddy and Skye from falling in love. To impress her, Buddy takes Skye to visit his aristocratic grandfather in Montauk. Frank Trenker is Buddy's mother's father, a man she never talks about. Just as Buddy feels he's getting to know his estranged grandfather, reporter Nicholas De Lucca shows up. For three years, he's been searching for a notorious Nazi war criminal known as Gentlehands. When De Lucca uncovers a shocking connection to Buddy's grandfather, Buddy refuses to believe the accusations. One of M. E. Kerr's very best novels, *Gentlehands* tells a spellbinding story of love, loyalty, and the family you thought you knew. This ebook features an illustrated personal history of M. E. Kerr including rare images from the author's collection.

Eternally North Tillie Cole,2013 Natasha Munro is your typical twenty eight year old girl, well your typical twenty eight year old English loud 'n' proud Geordie; curvy, fun and a whole load of fab-u-lous. Her life is all going to plan - good job, great friends, close family and a loving boyfriend - until an unexpected event stands everything on its head. Nursing a broken heart and decked head-to-toe in tasselled chaps and rhinestones, Natasha and her flamboyant fairy of a gay best friend, Tink, uproot from their North-Eastern nest, throw caution to the wind and embark on a new life together in Canada. Canada - Land of the Rocky Mountains, maple syrup; oh, and an 'in-between movies' Hollywood mega-star. Enter infamous bad-boy of the big screen, Tudor North - Tudor 'bloody' North! Tudor is towering, brooding and gorgeous, and he is harbouring a deep secret. His outward demeanour is cold and intimidating, and with it he successfully keeps everyone at arm's length; that is everyone except a certain Ms. Munro. It soon becomes clear; what with her smart mouth and lusciously ample arse, that Natasha proves more than a match for our emotionally-distant mega-star. Will Natasha settle into her new life in Canada? Will she ever find her fairytale happy ending? Can a movie star and an ordinary girl from England ever really make it work? Or will the secrets lurking in Tudor's past scupper their chance of happiness? *Eternally North* is addictive, funny and heart-warming; a fast paced comedic journey of self-discovery; unyielding friendship and, of course, it would not be complete without a generous sprinkling of good old-fashioned British 'slap-and-tickle'. **WARNING:** Contains a foul-mouthed voluptuous Brit; a self-confessed and self-promoted Friggin' Fantastic Fairy; and an abundance of tattoo-smothered muscles nicely wrapped up in one gorgeous bad-boy package.
