**Promoting Effective Group Work in the Primary Classroom** Ed Baines,Peter Blatchford,Professor of Psychology and Education Peter Blatchford,Peter Kutnick,with Anne Chowne,Cathy Ota,Lucia Berdondini,2008-09-03 Packed with valuable strategies for teachers and fun activities for children, this book is a must for any school wishing to make group work a more effective and successful way of learning. Teachers who have become more confident with the approaches developed for this book find that their classes are better behaved, children spend more time on task and they become less dependent on the teacher. The book shows teachers how to create an inclusive and supportive classroom by developing the social, communicative and group working skills of all pupils. Tried-and-tested, step-by-step approaches encourage both children and their teachers to develop supportive relationships that have been found to facilitate academic performance, positive social behaviour and motivation. Strategies for setting up and running effective group work are a key feature of the book.

Live-Work Planning and Design Thomas Dolan,2012-04-03 "Although the live-work concept is now accepted among progressive urban design and planning professionals, the specifics that define the term, and its application, remain sketchy. This encyclopedic work is sure to change that, providing the critical information that is needed by architects, planners and citizens." -Peter Katz, Author, The New Urbanism, and Planning Director, Arlington County, Virginia Live-Work Planning and Design is the only comprehensive guide to the design and planning of live-work spaces for architects, designers, and urban planners. Readers will learn from built examples of live-work, both new construction and renovation, in a variety of locations. Urban planners, developers, and economic development staff will learn how various municipalities have developed and incorporated live-work within building codes and city plans. The author, whose pioneering website, [www.live-work.com](http://www.live-work.com), has been guiding practitioners and users of live-work since 1998, is the United States' leading expert on the subject.
