**iKill** Murali Venugopalan, 2013-11 The theme behind the thriller iKill is simple: technology is used to propagate pure human evil for the purpose of revenge. A page-turner with commercial appeal and a word count of approximately 80,000, iKill features well-defined characters: sixteen students who live on one floor of a newly renovated residence hall (Edgar Hall), a few employees, and law-enforcement officials including Thomas Malkin, a terrorism expert and Gulf War veteran who now works as a consultant to the Department of Homeland Security and occasionally as a private detective. Malkin has recently received accolades and national media attention for cracking various domestic terror cases. This time, however, Malkin finds himself in a different locale and situation. Returning to his alma mater, Blackwood College (located in rural Virginia), to give a speech on the challenge on international terrorism in the post-9/11 era, Malkin decides to lend local law-enforcement officials a hand upon hearing that a young student was found murdered in the basement of Edgar Hall, the same dormitory Malkin lived in twenty years ago. The fast-paced plot leaves Malkin and local police baffled at first, as iKill is not your typical murderer. He sends threatening e-mails to prospective victims, and he follows up on each successful murder by sending demented e-mails and pictures to his next chosen victim. Malkin tracks down the identity of iKill and traps the murderer after a midnight car chase outside Richmond. Thus Malkin came to Blackwood to talk about international terrorism and instead led an intense domestic terrorism investigation of a serial killer on his old college campus.

He is often called England's national poet, and the Bard of Avon.

His extant works consist of approximately 38 plays, 154 sonnets, two long narrative poems, and a few other verses. His plays have been translated into every major living language and are performed more often than those of any other playwright.

**May I Kill?** Jeffrey K. Mann, 2018-09-28 Today, we live in a world where we are less exposed to violence than at any other time in history. However, we also know that violence can come knocking on our door at any moment. Preparing for this possibility means more than physical safety; it means being clear with ourselves about the ethics of violence. Can violence be justified? When should we fight? How should we fight? And in situations when things have gone badly, may we kill? These questions are not only for politicians, soldiers, and police officers, but are also important considerations for civilians whose lives do not normally intersect with violence. Whether advocating for government policies, marching in the streets, or defending ourselves and loved ones, a coherent moral framework is essential to good decision-making. *May I Kill?* examines the efficacy of different approaches to non-violence and Just War Theory. By scrutinizing these ethical theories, the reader is encouraged to critically examine occasions for the use of force from a moral perspective, whether nations at war or violent encounters in our own neighborhoods. We may then determine how best to develop ourselves--body, mind, and spirit--to respond effectively and make the world a safer place.

*Me? I Kill People* Alan Jacobs, 2018-12-11 A story of forbidden love and dark crimes as a contract killer is chased by the one woman who cannot bring herself to catch him. Giles Penshurst is rich, picks his clients and always gets the job done. Sounds like the perfect life – except for one detail: he kills people for money. As a contract killer who stumbled into the life, Giles is meticulous about staying one step ahead of the police...even when the police in question is one woman determined to catch him red handed. The police know there is a killer on the loose and it's only a matter of time before Hazel Frazer, policewoman, catches him. Ever since they met one night in the dark, she's been obsessed with finding the contract killer's identity. Everyone makes mistakes and Giles' eventually catches up with him as Hazel discovers his identity. What happens next is a whirlwind of fast talking and falling in love against all odds, but as Giles escapes the police's net to Brazil, will Hazel's love prove greater than her duty? Or will Giles' perfectly crafted life fall down around him? *Me? I Kill People* is a complex, intriguing crime novel with an insight into human nature and relationships that interlocks brilliantly with the twists and turns of a mystery story.

**Brazilian Cinema and the Aesthetics of Ruins** Guilherme Carréra, 2021-12-16 WINNER of the British Association of Film, Television and Screen Studies (BAFTSS) 2023 Award for Best First Monograph WINNER of the Association of Moving Image Researchers (AIM) 2022 Best Monograph prize Guilherme Carréra's compelling book examines imagery of ruins in contemporary Brazilian cinema and considers these representations in the context of Brazilian society. Carréra analyses three groups of unconventional documentaries focused on distinct geographies: Brasília - *The Age of Stone* (2013) and *White Out, Black In* (2014); Rio de Janeiro - *ExPerimetral* (2016), *The Harbour* (2013), *Tropical Curse* (2016) and *HU Enigma* (2011); and indigenous territories - *Corumbiara: They Shoot Indians, Don't They?*

(2009), Tava, The House of Stone (2012), Two Villages, One Path (2008) and Guarani Exile (2011). In portraying ruins in different ways, these powerful films articulate critiques of the notions of progress and (under) development in the Brazilian nation. Carréra invites the reader to walk amid the debris and reflect upon the strategies of spatial representation employed by the filmmakers. He addresses this body of films in relation to the legacies of Cinema Novo, Tropicália and Cinema Marginal, asking how these presentday films dialogue with or depart from previous traditions. Through this dialogue, he argues, the selected films challenge not only documentary-making conventions but also the country's official narrative.

**The Complete Idiot's Guide to Learning Latin** Natalie Harwood, 2003 A new edition of the Latin self-instruction primer teaches the fundamentals of Latin vocabulary, grammar, usage, and sentence structure, along with information on Latin's historical context and relevance today in law, business, and medicine. Original.

**The Pleasure and Pain of Cult Horror Films** Bartłomiej Paszyk, 2009-06-08 The horror genre harbors a number of films too bold or bizarre to succeed with mainstream audiences, but offering unique, startling and often groundbreaking qualities that have won them an enduring following. Beginning with Victor Sjöström's The Phantom Carriage in 1921, this book tracks the evolution and influence of underground cult horror over the ensuing decades, closing with William Winckler's Frankenstein vs. the Creature from Blood Cove in 2005. It discusses the features that define a cult film, trends and recurring symbols, and changing iconography within the genre through insightful analysis of 88 movies. Included are works by popular directors who got their start with cult horror films, including Oliver Stone, David Cronenberg and Peter Jackson.

**Traffic** Ben Smith, 2023-05-02 "Engrossing and suspenseful. –The New York Times "Expertly pulls readers in." –The Guardian "Smith sharply chronicles the revolutionary moment." – Financial Times The origin story of the post-truth age: the candid inside tale of two online media rivals, Nick Denton of Gawker Media and Jonah Peretti of HuffPost and BuzzFeed, whose delirious pursuit of attention at scale helped release the dark forces that would overtake the internet and American society If attention is the new oil, Traffic is the story of the time between the first gusher and the perceptible impact of climate change. The curtain opens in Soho in the early 2000s, after the first dot-com crash but before Google, Apple, and Facebook exploded, when it seemed that New York City, rather than Silicon Valley, might become tech's center of gravity. There, Nick Denton's merry band of nihilists at his growing Gawker empire and Jonah Peretti's sunnier team at HuffPost and BuzzFeed were building the foundations of viral

internet media. Ben Smith, who would go on to earn a controversial reputation as BuzzFeed News's editor in chief, was there to see it, and he chronicles it all with marvelous lucidity underscored by dark wit. Traffic explores one of the great ironies of our time: The internet, which was going to help the left remake the world in its image, has become the motive force of right populism. People like Steve Bannon and Andrew Breitbart initially seemed like minor characters in the narrative in which Nick and Jonah were the stars. But today, anyone might wonder if the opposite wasn't the case. To understand how we got here, Traffic is essential and enthralling reading.

**Spaghetti Westerns--the Good, the Bad and the Violent** Thomas Weisser,2005-09-05 Spaghetti Westerns--mostly produced in Italy or by Italians but made throughout Europe--were bleaker, rougher, grittier imitations of Hollywood Westerns, focusing on heroes only slightly less evil than the villains. After a main filmography covering 558 Spaghetti Westerns, another section provides filmographies of personnel--actors and actresses, directors, musical composers, scriptwriters, cinematographers. Appendices provide lists of the popular Django films and the Sartana films, a listing of U.S.-made Spaghetti Western lookalikes, top ten and twenty lists and a list of the genre's worst.

**Actors of the Spaghetti Westerns** James Prickette,2012-01-20 Musical accompaniment were jazzed up renditions that basically fit the art form like a glove with a stylish beat that usually pounded out the action as the story unfolded. The music set the mood and the audiences followed. Most of these films would never reach America during the era, even though they were generally aimed at the American film goers. The Actors who went to Italy and got involved in these lucrative new genre spinoffs all enjoyed star status, recognition and glow of the limelight that came with it. These are the Actors were talking about here.
