Sandtray Roxanne Rae,2013 Sandtray refers to psychotherapies that use sand, water, and miniatures in a tray of sand where clients create a three-dimensional world. This story-driven book is based in clinical practice and illustrated by 40 photographs and charts. Students, experienced play therapists, and psychotherapists alike will discover how to negotiate both verbal and nonverbal therapeutic interactions. A detailed framework for approaching Sandtray and play therapy is provided based on interpersonal neurobiology and Margaret Lowenfeld's play research.

**God and Human Dignity** R. Kendall Soulen,Linda Woodhead,2006-07-12 The concept of human dignity has been stripped from its traditional context in Christian thought, becoming a moral trump frayed by heavy use, but a compelling alternate vision has not yet emerged. God and Human Dignity offers a fresh restatement of the nature and scope of human dignity in Christian perspective. Theologians, ethicists, and biblical scholars from around the world here examine the dimensions of human worth in the light of sacred Scripture, doctrine, and ecclesial practice. In contrast to modernity's often monochromatic accounts of human dignity in terms of freedom or rationality, these essays argue that human dignity in Christian perspective is a many-splendored thing reflecting humanity's participation in the divine drama of creation, redemption, and new creation. Representing disciplines across the academic spectrum, the essays in God and Human Dignity offer systematic and scriptural perspectives on human dignity that connect to a host of pressing contemporary issues. **Coptic Christology in Practice** Stephen J. Davis,2008-02-28 A pioneering study of ancient and medieval Christology. Employing a range of interdisciplinary methods, Stephen J. Davis shows how Christian identity in Egypt was shaped by a set of replicable 'christological practices'. He thus enables readers to trace the Coptic church's theological and cultural transition from late antiquity to Dar al-Islam.

*Evangelical Dictionary of Theology (Baker Reference Library)* Walter A. Elwell,2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology. Every article from the original edition has been revisited. With some articles

being removed, others revised, and many new articles added, the result is a completely new dictionary covering systematic, historical, and philosophical theology as well as theological ethics.

**Imago Dei: Man/Woman Created in the Image of God** George Hobson, 2019-09-30 The question What is human nature? is in vogue today. Like everything else, this concept is being deconstructed in the context of the reigning ideology of individualistic materialism. Is there a fixed human nature, or is this simply a manipulatable social construct with no objective reference? This book says: Yes, there is: the imago Dei: man/woman created in the image of God. Hobson argues that this text from Genesis 1:26-28 is a God-given anthropological revelation that establishes the relational bond of human beings with their Creator and also with his creation, for which the imago equips us to be responsible stewards. Many of Hobson's essays were delivered as talks in parishes. They explore from multiple angles the import of the imago Dei for theological and sacramental reflection, apologetics, aesthetics, art, and, at a hands-on practical level, for pastoral counseling and inner healing. His texts, one of which opens with a discussion of genocide, contain incisive critiques of the dark side of modernity alongside wide-ranging demonstrations of the pertinence of the imago Dei to the current debates about human dignity and rights. His book is a ringing call to the church to take the measure of the value of this anthropological revelation for its proclamation of the gospel.

*Holy Beauty* Chrysostomos A. Stamoulis, 2022-08-25 The philosophical and theological study of aesthetics has a long and rich history, stretching back to Plato's identification of ultimate goodness and beauty, together representing the eternal form. Recent trends in aesthetic theory, however, characterised by a focus on the beautiful at the expense of the good, have made it an object of suspicion in the Orthodox Church. In its place, Greek theologians have sought to emphasise philokalia as a truer theological discipline. Seeking to reverse this trend, Chrysostomos Stamoulis brings into conversation a plethora of voices, from Church fathers to contemporary poets, and from a Marxist political theorist to a literary critic. Out of this dialogue, Stamoulis builds a model for the re-appropriation of Orthodox patristic and Byzantine past that is no longer defined in antithesis to the Western present. The openness he proposes allows us to perceive afresh the world shot through with divinity, if only we can lift our gaze to see it. Dismantling the false dichotomy, philokalia or aesthetics, is the first step.

*Images of the Divine: The Theology of Icons at the Seventh Ecumenical Council - Revised Edition* Ambrosios Giakalis, 2005-08-01 This book, newly revised and updated, examines the Eastern Church's theology of icons chiefly on the basis of the acts of the Seventh Ecumenical Council of 787. The political circumstances leading to the outbreak of the iconoclast controversy in the eighth century are discussed in detail, but the main emphasis is on the theological arguments and assumptions of the council participants. Major themes include the nature of tradition, the relationship between image

and reality, and the place of christology. Ultimately the argument over icons was about the accessibility of the divine. Icons were held by the iconophiles to communicate a deifying grace which raised the believer to participation in the life of God.

Images of Beauty Dr. H. Lawrence Zillmer, 2008-05-22 As a university professor, Dr. Zillmer has authored many books and periodicals about the truth Jesus brought into our world. We must now return to that truth for our salvation. Political correctness, passing as progressivism, has shorn the life blood from the Jesus Message. (45) As the citizens of the United States must return to the principles of our founding fathers, so we must fight this great evil by returning to the gospel truth Jesus brought into this world. Jesus said, "You shall know the truth and the truth shall set you free." To that end this work is humbly dedicated.
