🔍 **THE DESIGN HOTELS BOOK** Design Hotels,2020-02-04 A SPECIAL 25TH YEAR ANNIVERSARY EDITION OF THE DESIGN HOTELS🔍 Book presents an in-depth look at 25 boutique properties around the world that are changing the way we think about hospitality. For a quarter century, Design Hotels🔍 has been at the forefront of a movement in hospitality, curating a global collection of independent, design-driven hotels that function as social hubs and platforms for extraordinary experiences. In celebration of this benchmark, Design Hotels🔍 sent some of the world’s leading editorial and lifestyle photographers around the world to capture the unique character of 25 hotels at the vanguard of their hand-selected collection. Each hotel tells a story, rich with emotion and steeped in the history, culture, and nature of its local environment. The new, special edition of the brand’s wildly popular annual brings these stories to life through evocative photo essays and reportage. This edition of The Design Hotels🔍 Book is a distillation of a quarter century of pioneering design and original experiences, as well as a must-have for a worldwide community of travelers, likeminded in their pursuit of singular aesthetic environments, genuine local culture, and transformative, boundary-pushing travel experiences that defy conventional notions of luxury.

🔍 **PERSUASION IN PUBLIC DISCOURSE** Jana Pelclov🔍 ,Wei-lun Lu,2018-08-08 This book approaches persuasion in public discourse as a rhetorical phenomenon that enables the persuader to appeal to the addressee’s intellectual and emotional capacities in a competing public environment. The aim is to investigate persuasive strategies from the overlapping perspectives of cognitive and functional linguistics. Both qualitative and quantitative analyses of authentic data (including English, Czech, Spanish, Slovene, Russian, and Hungarian) are grounded in the frameworks of functional grammar, facework and rapport management, classical rhetoric studies and multimodal discourse analysis and are linked to the constructs of (re)framing, conceptual metaphor and blending, mental space and viewpoint. In addition to traditional genres such as political speeches, news reporting, and advertising, the book also studies texts that examine book reviews, medieval medical recipes, public complaints or anonymous viral videos. Apart from discourse analysts, pragmaticians and cognitive linguists, this book will appeal to cognitive musicologists, semioticians, historical linguists and scholars of related disciplines.

🔍 **MULTICOLLINEARITY IN ECONOMETRIC MODELS** Dr.M. Chandrasekhar Reddy & Dr.P. Balasubramanyam,2021-09-01 There are several textbooks are available in literature in econometrics, but we thought it is really beneficial to students and researchers to have a special textbook on multicollinearity problem in the general linear model. The topic of multicollinearity has gained high importance in recent times as the data getting generated is increased enormously. Because of this data exploration, many variables are representing the same amount of information which leads to the problem of multicollinearity. In the current textbook, the authors tried to explore the topic of multicollinearity along with the basic definitions and key tests available to detect multicollinearity. For all practical application purposes, we included a chapter on empirical analysis that will show how the model goes improved through dealing with the problem of multicollinearity. This book acts as a textbook, reference manual for all students who are studying econometrics at their graduate and post-graduate levels and also for research scholars. The design of contents is structured in such a way that users find it easy to understand and implement the same in their research works.

🔍 **FRANCHISE ERA** Fleury James Fleury,2019-04-01 As Hollywood shifts towards the digital era, the role of the media franchise has become more prominent. This edited collection, from a range of international scholars, argues that the franchise is now an integral element of American media culture. As such, the collection explores the production, distribution and marketing of franchises as a historical form of media-making - analysing the complex industrial practice of managing franchises across interconnected online platforms. Examining how traditional media incumbents like studios and networks have responded to the rise of new entrants from the technology sector (such as Facebook, Apple, Amazon, Netflix and Google), the authors take a critical look at the way new and old industrial logics collide in an increasingly fragmented and consolidated mediascape.

🔍 **STUDIES IN MOTION** Kevin Kerr,2014-01-12 The stop-motion sequences of pioneer photographer Eadweard Muybridge captured the moving body on film for the first time and laid the foundation for modern cinema. Yet the man behind the camera lived a life filled with Victorian melodrama: infidelity, jealousy, betrayal, murder, and an abandoned child. Tried for murder after killing his wife’s lover, he was acquitted on the basis of justifiable homicide. Those events, which predate his subsequent obsession with stopping time and freezing motion, become the ghosts that haunt Muybridge in the fictional world of Governor General’s Award-winning dramatist Kevin Kerr’s play, Studies in Motion. Cast of 4 women and 8 men.

🔍 **MY LIFE WITH JACQUELINE KENNEDY** Mary Gallagher,2014-04-05 Few books in publishing history created such excitement in advance of publication as My Life with Jacqueline Kennedy. A small portion of the book, appearing in serial form, produced a wave of press speculation throughout the world and whetted the anticipation of readers everywhere for the whole story. And only by reading the complete book can the complexities of the former Jacqueline Kennedy’s personality and life be fully understood. This book reveals Jacqueline Kennedy as a real person -- as a wife, as a mother, as a seeker of perfection in art and life. And, it describes her brilliant refurbishing of the White House, where Mary worked closely with her in the family quarters. For the light it sheds on crucial years in American history and on Jacqueline Kennedy, this book is unique. It takes us back to Camelot and shows the real woman beneath the goddess-figure the world’s idolatry made her. Nearly a half-century has passed since the original publication of My Life with Jacqueline Kennedy in 1969; therefore, its reissuance at this time is deemed appropriate for the benefit of all future generations in their overall understanding of this historical, interesting Kennedy Era.

🔍 **IT HAD TO BE YOU** Jill Churchill,2005-03-29 Comfortably ensconced in their late great-uncle’s Grace and Favor mansion, brother and sister Robert and Lily Brewster are riding out the Depression, penniless but in high style. Now a new day is heralded by Franklin Roosevelt’s inauguration. Barely recovered from his trip to Washington to witness the historic event, Robert is rushed by Lily to a nearby nursing home, where the Brewsters have agreed to lend a helping hand to the staff. But when an elderly resident is murdered in his bed, Robert and Lily realize the local police will need their able assistance as well -- especially since the slaying isn’t the only big trouble in tiny Voorburg. The spring thaw has revealed another body, and the Brewster siblings must expose a cold-blooded criminal before he -- or she -- kills again.

📖 **RECIPES FOR SURVIVAL** MARIA THEREZA ALVES,2018-11-14 In 1983, when acclaimed Brazilian artist Maria Thereza Alves was an art student at Cooper Union in the United States, she returned to her native country to document the backlands of Brazil, where her family is from. Working with the local people in a collaborative process that has become the hallmark of her mature work, Alves photographed their daily lives and interviewed them to gather the facts that they wanted the world to know about them. Unlike documentation created by outsiders, which tends to objectify Brazil’s indigenous and rural people, Alves’s work presents her subjects as active agents who are critically engaged with history. Recipes for Survival opens with evocative, caption-less black-and-white photographs, most of them portraits that compel viewers to acknowledge the humanity of people without reducing them to types or labels. Following the images are texts in which the villagers matter-of-factly describe the grinding poverty and despair that is their everyday life—incessant labor for paltry wages, relations between men and women that often devolve into abuse, and the hopelessness of being always at the mercy of uncontrollable outside forces, from crop-destroying weather to exploitative employers and government officials. Though not overtly political, the book powerfully reveals how the Brazilian state shapes the lives of its most vulnerable citizens. Giving a voice to those who have been silenced, Recipes for Survival is, in Alves’s words, “about we who are the non-history of Brazil.”

📖 **3 Doors Down - SEVENTEEN DAYS** ,2005-08 (Piano/Vocal/Guitar Artist Songbook). 12 songs from the third album by this Mississippi rock band: Behind Those Eyes \* Here by Me \* It’s Not Me \* Landing in London \* Let Me Go \* My World \* The Real Life \* Right Where I Belong \* and more.

📖 **PALM OIL AND PROTEST** SUSAN M. MARTIN,2006-04-20 This study examines the interaction between growing palm oil export production and changes in Ngwa patterns of food production and family relations during the nineteenth and twentieth centuries. It challenges the arguments of both dependency and vent-for-surplus theorists on the dominance of export-sector developments and the importance of changes initiated by Europeans. Local patterns of export growth and capital investment are shown to have been heavily influenced by independent changes in food production methods, gender and inter-generational relationships. Ngwa producers were affected by falling world prices, trading monopolies and colonial taxation. During the Igbo Women’s War of 1929, Ngwa women protested vigorously against government interference and falling incomes, but failed to reverse either trend. The subsequent life stories of Ngwa men and women, set against a background of archival and anthropological evidence, provide the essential link between this historical experience and the current national problems of rural-urban drift and moribund export industries.
