

# **Improve Your English 14**

**L Cohen**

*Improve Your English* Sally Jones, Amanda Jones, 2013-06-11 *Improve Your English* is an essential companion to the other three books in the Teach Your Child to Write Good English series. It is aimed at 8-14 years olds but can also be used with candidates taking GCSE foundation examinations. The book focuses on specific concepts of punctuation, grammar and spelling that children find hard to grasp. It explains how sentences are built up and can be made more interesting by the correct use of clauses and connectives or by eliminating dull words like nice or got and replacing them with more interesting vocabulary. As children progress it becomes more important to be accurate with punctuation and spelling; valuable marks in examinations can be lost by poor spelling. The book focuses on the correct use of homophones, words that sound the same but are spelt differently, like their, there and they re (which are a problem for many young writers). The parts of speech are explained in a simple, understandable way, encouraging the child to use colourful verbs, adjectives and adverbs to make their writing more descriptive. The page, which describes the ghost that haunts spookily, encompasses all the different parts of speech at a glance, making complex ideas easy for children of all abilities to understand at a glance. Following the introduction, the book, presents a series of eight graded exercises so the child can correct sentences using capital letters and punctuation, wrongly spelt words, points of grammar and match vocabulary to suitable meanings. Added to this there are suggested answers at the back of the book. The books are essential for any child wishing to brush up on their punctuation and grammar skills, especially those working through the three companion books. However, they have been particularly helpful for children learning English as a second language and those with specific learning difficulties. All of our books are presented in a fun way with bold headings and simple cartoon drawings that children relate to and

this book is no exception.

Improve Your English (ages 9-14 Years) Sally Jones, Amanda Jones, 2018-05-14 This book is essential for any child wishing to brush up on their punctuation and grammar skills. The book focuses on specific concepts of punctuation, grammar and spelling that children find hard to grasp.

*Tongue Twisters, Rhymes, and Songs to Improve Your English Pronunciation* Theresa Bareither, 2007-11-14 Okay. You are living and working in the United States, or perhaps you are living and working in your home country using English on a daily basis for business. You have basic English language fluency. I admire you because it has been a dream of mine to be able to speak another language--any language--as well as you speak English. But darn it! Don't you get a little tired of those funny looks? Doesn't it get annoying to hear, Could you repeat that please? The purpose of this workbook and accompanying CDs, is to help you realize why you get those occasional reactions from your listeners, and to take the good English you already have and polish it enough to keep those questions to a bare minimum. And while we're at it, I'd like for you to have some fun!

*50 Habits That Will Transform Your English Writing* Zul Musa, 2021-11-30 This book offers you 50 habits that help you transform your English writing and improve it dramatically. It is mainly targeted at non-native English writers, but it works just as well for others. Many, if not all, are tips from my own experience and also mistakes I have made. The book does not teach you how to write proper sentences or fix grammar mistakes but instead focuses on lifestyle choices, manners and methods. If you find it challenging to improve your English writing, the book is undoubtedly a handy guide for you.

Embark on a journey towards linguistic empowerment and unlock the doors to professional success with *How to Speak Workplace English with Confidence*. Master the art of communication, propel your career forward, and confidently navigate the complexities of the modern workplace.

**Expand Your English** Steve Hart, 2017-10-10 Writing academic prose in English is especially difficult for non-native speakers, largely because the standard vocabulary used in this genre can be

quite different from colloquial English. *Expand Your English: A Guide to Improving Your Academic Vocabulary* is a unique and invaluable guide that will enable the reader to overcome this hurdle. It will become the favourite go-to reference book for both beginners and for intermediate learners struggling with the complexities of English-language academic writing. Steve Hart covers 1,000 vocabulary items that are essential for good academic writing. The first section describes 200 key terms in detail, grouping them into logical sets of 10. Through careful repetition, the reader will find it easy to retain, retrieve, and reuse these essential phrases. The second section explains a further 800 terms, grouping them according to function, meaning, and the areas of an essay where they are likely to be used. The expansive scope of *Expand Your English* gives non-native speakers all the vocabulary tools they need to master this difficult style of writing.

Exploring Language Teacher Efficacy in Japan Gene Thompson, 2020-05-14 This book examines language teacher efficacy beliefs, focusing on the individual and collective beliefs of Japanese high school teachers. It discusses personal and collective dimensions of language teacher efficacy related to personal second language (L2) capability, instructional L2 efficacy and collective capability towards collaboration. The book provides a detailed discussion about the ways in which these beliefs develop and situates the findings within the wider field of teacher efficacy research. It helps further understanding of factors that may influence teacher self-efficacy and suggests new directions for research to explore in future studies. It will appeal to postgraduates and researchers with an interest in language teacher cognition, the psychology of language teaching and those in the wider fields of self-efficacy, teacher efficacy and teacher agency. It is also of use to those with an interest in the high school English education system in Japan, as well as researchers investigating similar contexts.

**Check Your English Vocabulary for TOEFL** Rawdon Wyatt, 2019-01-24 This workbook provides exercises to help students practise and build many of the English words and phrases that they will find useful for the popular TOEFL® (Test of English as a Foreign Language) examination, which is an entry requirement for non-native speakers at more than 6,000 universities and colleges worldwide. It has been written for students at intermediate level and above, and is particularly appropriate for anyone who plans to study or train in an English-speaking country. The material in this workbook covers general vocabulary, as well as topic-specific vocabulary based on themes which regularly feature in the TOEFL®. - Tests and improves vocabulary using a variety of useful, interesting and enjoyable exercises - For students learning English at intermediate level and above - Easy-to-use format with clear instructions - Comprehensive answer key with additional information - Ideal for self-study or classroom use

The First 20 Hours Josh Kaufman, 2013-06-13 Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak

a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

*The Loom of Language* Frederick Bodmer, 1985 Here is an informative introduction to language: its origins in the past, its growth through history, and its present use for communication between peoples. It is at the same time a history of language, a guide to foreign tongues, and a method for

learning them. It shows, through basic vocabularies, family resemblances of languages -- Teutonic, Romance, Greek -- helpful tricks of translation, key combinations of roots and phonetic patterns. It presents by common-sense methods the most helpful approach to the mastery of many languages; it condenses vocabulary to a minimum of essential words; it simplifies grammar in an entirely new way; and it teaches a language as it is actually used in everyday life.

**IMPROVE YOUR ENGLISH GRAMMAR AND SPOKEN SKILLS** DR. MOHAMMAD SHAUKAT ANSARI, 2024-01-05 The book, Improve Your English Grammar and Spoken Skills, besides delivering manifold language benefits, reflects to improve students' abilities to use English accurately, appropriately and fluently on different channels in academic, social and professional situations. The book addresses average students/slow learners of English who wish to enrich their English Grammar and Spoken skills. It intends to inculcate errors-free good, interactive, innovative, and communicative English in learners/students. The contents, of the book, have been organized in a brilliant step-by-step pack of fifty-five units which mainly illustrate and explicate modern English grammar, functions, scope, and nature of grammatical items like nouns, pronouns, adjectives, verbs, adverbs, tenses, voice, syntax, infinitive, gerund, prepositions, articles, determiners, transformations of sentences, question tags, synthesis, question formations, modals, adverb clauses, common errors, etc. Other units associated with enhancing/sharpening spoken English skills offer a fluency-based compendium of practical tips towards essentials for speaking in correct and fluent ways.

**Check Your English Vocabulary for Computers and Information Technology** Jon Marks, 2009-01-01 This workbook is designed to help non-native English speakers improve their knowledge and understanding of core computing and I.T. terminology. Self-study exercises and practical classroom activities are included, making it easy to revise classroom knowledge at home. It

uses a variety of engaging activities such as word games, crosswords, speaking exercises and group games, which make learning easy and fun!

Popular Mechanics, 1953-11 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

**Develop Your English Grammar** Salim Khan Anmol, 2020-11-04 Develop Your English Grammar - New Edition is a recently launched book of Sakha Global Books publication to hold good command over English language. This is an excellent resource for all students who wish to learn, write and speak English language from zero level to an advanced level. A perfect English resource for self-study, the series follows a guided-learning approach that gives students access to a full answer key with model answers. Developed by experienced IELTS tutors, the series takes into account the specific language needs of learners at this level. A lower-level exam practice book designed to improve the level of students who plan to take the IELTS test in the future. This book has been divided into sections and each section has been further divided into lessons. have been given, wherever necessary. Also, exercises are given at the end of every lesson for practice and solutions at the end of the book. Salient Features of the Book: • Self-Sufficient, Self-Study Book. • Detailed Explanation of English Grammar Topics. • Easy tools for Written and Spoken English. • Complete Guide to Error-free usage of English in day-to-day life. • Easy to Grasp Language for better understanding. This book has been designed to help you learn English in an easy and proper way. This is a clearly structured introductory English learning book intended to offer readers an advanced fluency in both spoken and written English. English pronunciations are given in easy way

helping the readers to understand the complexities of English pronunciation. A lot of students have studied English for years but still aren't able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and Speak English This book does not just tell you what is required but also gives details and exercises for success. If you follow the book and do the exercises, you will quickly see your speaking improve. You will be given the knowledge and resources, but you must use the methods if you want to improve your English speaking. - Author, Salim Khan Anmol
