Maxwell W. Nurnberg, Morris Rosenblum

Mastering the American Accent with Online Audio Lisa Mojsin, 2016-09-15

Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up pull and pool. Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds. The Einstein Factor Win Wenger, Ph.D., Richard Poe, 2017-04-26 The Einstein Factor liberates mental abilities you didn't know you had. I tried the techniques in the book and they paid off instantly. It's almost scary. —Duncan Maxwell Anderson, senior editor, Success. New research suggests that the superior achievements of famous thinkers may have been more the result of mental conditioning than genetic superiority. Now you can learn to condition your mind in the same way and improve your performance in virtually all aspects of mental ability, including memory, quickness, IQ, and learning capacity. Intelligence pioneer Dr. Win Wenger has identified the tools you need to reach greater levels of sharpness, insight, and overall intelligence. Using Wenger's Image Streaming technique, you learn to bypass inhibitions and access the hypernormal capabilities hidden in your own subconscious. Discover how you can: • Improve your memory • Read faster and learn more quickly • Solve problems like a genius • Score higher on tests • Build self-esteem • Induce a state of total creative absorption • Access powerful subconscious insights through visualization • Increase your intelligence The Einstein Factor is your key to living an extraordinarily effective and creative life!

Fluent Forever Gabriel Wyner, 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Talk English Ken Xiao, 2016-09-19 You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or

British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll: *learn to speak like a native in six months or less*learn to do that on a busy schedule*learn to speak English without translating it first*learn grammar without memorizing grammar rules*learn to build a vocabulary that lasts*learn to pronounce English words like native American or native British*learn to speak English fluently, correctly, naturally, effectively, effortlessly*and more... to speak English like a native speaker. You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective. Change your approach now. Learn from the success who has walked in your shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker. Add to Cart

Sherlock Holmes Short Stories Arthur Conan Doyle, 2018-12-15 Curated new collections. The fascination with Conan Doyle's enigmatic anti-hero Sherlock Holmes, and his pompous narrator Dr Watson, has barely subsided over the years. Inspiring a long line of detective stories and Whodunnits, Holmes is a constant feature on TV, and movie screens, with new audio and radio shows joining the frenzy. The Holmes tales have earned their place amongst the most influential of popular fantasy, crime and gothic stories.

The Right Way To Improve Your English J.E. Metcalfe, 1995 English is an integral part of everyday life, of every branch of knowledge and learning. There is ample evidence that formal teaching of English is unsuccessful or insufficient. Bad English is with us everywhere, in our speech, correspondence, business, press, radio and on television. In this hasty age there may be no general encouragement towards better English, but many people, conscious of imperfection, like to help themselves to greater understanding. The Right Way To Improve Your English is an elegant expose of the errors which people so easily make and explanation of how these arise. It is of equal benefit to everyone of us and guarantees a thorough grounding in all basic elements needed to secure a polished and full command of the language.
