But despite their apparently enviable lives, George's hyperactivity disorder means the days aren't always easy. Josie's best friend Justin has always been there for her, and when she finds out she's pregnant again she turns to him for support. Her Secret Fantasy Gaelen Foley, 2007-11-27

Regency London's elegant ballrooms mask a daring world of erotic adventure. In this second novel in Gaelen Foley's Spicy Trilogy, a mysterious beauty with a devastating secret discovers, in the arms of a bold and fearless cavalry officer, passion that breaks all boundaries. Some say the

aristocratic Balfour clan is cursed, a once-great family now in slow decline. Graceful Lily Balfour is her family's last hope, and she has come to London with one goal—to marry a rich man. Her well-laid plans are balked, however, by the irresistible Major Derek Knight, a handsome highborn soldier and adventurer newly returned from India. Hardened by battles on India's lawless frontiers, Derek is not just a fighter but a skilled and insatiable lover—a master of the Eastern arts of pleasure. Though Derek finds no shortage of willing women in London, it is the untouchable, aloof Lily who haunts him. After one stolen moment, he hungers for nights of sensual abandon to fulfill her fantasies and free her from her self-imposed prison. But he has come to England on a vital mission, and when Lily is pledged to a wealthy man suspected of corruption, Derek must thwart the treachery that ensnares them both—for only then will ecstasy and the sweet promise of her heart be his to claim.

Reunion Planner Phyllis A. Hackleman, 2009-06 If there is a reunion in your future, whether as the organizer or a helping hand, *Reunion Planner* is one book you won't want to be without. *Reunion Planner* leaves nothing to chance. The contents include sections on the following: choosing the proper kind of reunion, recruiting volunteers, selecting the time and place, creating the program, guest speakers, budgeting, notifying the participants and promoting the event, planning meals and decorations, accommodations and transportation, souvenirs and fund raisers, photographers and videographers, building a

genealogy, and finishing touches from road signs to thank-you notes and more.

Tacky Rax King, 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column *Store-Bought Is Fine*—Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. 100 Words To Make You Sound Smart American Heritage Dictionaries, 2006-10-04 Find the right words to make a point, seal the deal, or just keep folks listening! Chosen by the editors of the American Heritage Dictionaries, these words can help anyone who wants to be a more compelling communicator—as a worker, consumer, advocate, friend, dinner companion, or even romantic prospect. The book includes a colorful variety of words, including handy words of just one syllable (such as glib) and words derived from the names of famous people (such as Freudian slip and Machiavellian). There are expressions from popular culture (Catch-22) and words that date back to classical civilization (spartan and stoic). Each word is clearly defined and shown in context with quotations from magazines, newspapers, broadcast media, movies, and television. For many words, quotations from distinguished authors and speakers are also given and word histories are explained. 100 Words to Make You Sound Smart provides an enjoyable way to communicate more effectively, distinctively, and articulately.
