Periodical Articles on Religion, 1890-1899 Ernest Cushing Richardson,1907

The Jews' Indian David S. Koffman,2019-02-08 Winner of the 2020 Jordan Schnitzer Book Award in Social Science, Anthropology, and Folklore Honorable Mention, 2021 Saul Viener Book Prize The Jews' Indian investigates the history of American Jewish relationships with Native Americans, both in the realm of cultural imagination and in face-to-face encounters. These two groups' exchanges were numerous and diverse, proving at times harmonious when Jews' and Natives people's economic and social interests aligned, but discordant and fraught at other times. American Jews could be as exploitative of Native cultural, social, and political issues as other American settlers, and historian David Koffman argues that these interactions both unsettle and historicize the often triumphant consensus history of American Jewish life. Focusing on the ways Jewish class mobility and civic belonging were wrapped up in the dynamics of power and myth making that so severely impacted Native Americans, this books is provocative and timely, the first history to critically analyze Jewish participation in, and Jews' grappling with the legacies of Native American history and the colonial project upon which America rests.

Marriages of Granville County, North Carolina, 1753-1868 ,2009-06 Marriages of Granville County contains abstracts of all marriage bonds issued in Granville County between 1753 and 1868--some 8,000 bonds, mentioning a total of 23,000 persons! The

data are arranged throughout by the surname of the groom, and each entry provides the name of the bride, the date of the marriage bond or officiant's return, or both, and the names of clergymen, witnesses, and bondsmen.

The Prairie James Fenimore Cooper,2015-08-08 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Germans and Indians Colin Gordon Calloway, Gerd Gemünden, Susanne Zantop, For over three hundred years, the Indian peoples of North America have attracted the interest of diverse segments of German society?missionaries, writers, playwrights, anthropologists, filmmakers, hobbyists and enthusiasts, and even royalty. Today, German scholars continue to be drawn to Indians, as is the German public: tour groups from Germany frequent Plains reservations in the summer, and so-called Indianerclubs, where participants dress up in authentic Indian costume, are common. In this fascinating volume, scholars and writers illuminate the longstanding connection between Germans and the Indians. From a range of disciplines and occupations, the contributors probe the historical and cultural roots of the interactions between Germans and Indians and examine how such encounters have been represented in different media over the centuries. Particularly important are reflections and insights by modern Native American writers on this relationship. Of special concern is why such a connection has endured. As the contributors make clear, the encounters between Germans and Indians were also imagined, sometimes as fantasy, sometimes as projection, both resonating deeply with the cultural sensibilities and changing historical circumstances of Germans over the years.

Our Savage Neighbors Peter Rhoads Silver, 2008 In potent, graceful prose that sensitively unearths the social complexity and tangled history of colonial relations, Silver presents an astonishingly vivid picture of 18th-century America. 13 illustrations; 2 maps.

The Testing Grounds of Modern Empire Christoph Strobel, 2008 The Testing Grounds of Modern Empire examines the transformation and the gradual creation of colonial racial order on an American and a South African frontier, respectively. This study focuses on the Ohio Country (a region including parts of present-day western Pennsylvania, Ohio, Indiana, and Michigan) and the South African Eastern Cape (a region located on the southeastern tip of the African continent) in the late eighteenth and the nineteenth century. This book compares and juxtaposes the processes of indigenous dispossession and white efforts at undermining Native American and African sovereignty. While the scenarios in the Ohio Country and the Eastern Cape did not repeat themselves identically in other locations, comparable patterns would emerge in later years as the United States expanded westward and Britain expanded into southern and eastern Africa. Christoph Strobel explores how various white and indigenous people tried to shape the creation of colonial racial order in the two regions. An emerging compromise among white settlers, government officials, and other white interest groups gradually led to the implementation of systems of colonial racial order in both the Ohio Country and the Eastern Cape by the mid-nineteenth century. This transformation, shaped by violence, conflict, and cooperation, left a legacy that influenced the development of colonization and the contested construction and representation of race in the United States, southern Africa, and around the world.
