The Jews' Indian David S. Koffman,2019-02-08 Winner of the 2020 Jordan Schnitzer Book Award in Social Science, Anthropology, and Folklore□ Honorable Mention, 2021 Saul Viener Book Prize□ The Jews' Indian investigates the history of American Jewish relationships with Native Americans, both in the realm of cultural imagination and in face-to-face encounters. These two groups' exchanges were numerous and diverse, proving at times harmonious when Jews' and Natives people's economic and social interests aligned, but discordant and fraught at other times. American Jews could be as exploitative of Native cultural, social, and political issues as other American settlers, and historian David Koffman argues that these interactions both unsettle and historicize the often triumphant consensus history of American Jewish life. Focusing on the ways Jewish class mobility and civic belonging were wrapped up in the dynamics of power and myth making that so severely impacted Native Americans, this books is provocative and timely, the first history to critically analyze Jewish participation in, and Jews' grappling with the legacies of Native American history and the colonial project upon which America rests.

The Deerslayer - James Fenimore Cooper James Fenimore Cooper,2021-06-30 The Deerslayer, or The First Warpath (1841) was the last of James Fenimore Cooper's Leatherstocking tales to be written. Its 1740-1745 time period makes it the first installment chronologically and in the lifetime of the hero of the Leatherstocking tales, Natty Bumppo. The novel's setting on Otsego Lake in central, upstate New York, is the same as that of The Pioneers, the first of the Leatherstocking tales to be published (1823). The Deerslayer is considered to be the prequel to the rest of the Leatherstocking tales. Fenimore Cooper begins his work by relating the astonishing advance of civilization in New York State, which is the setting of four of his five Leatherstocking tales.

Marriages of Granville County, North Carolina, 1753-1868 ,2009-06 Marriages of Granville County contains abstracts of all marriage bonds issued in Granville County between 1753 and 1868--some 8,000 bonds, mentioning a total of 23,000 persons! The data are arranged throughout by the surname of the groom, and each entry provides the name of the bride, the date of the marriage bond or officiant's return, or both, and the names of clergymen, witnesses, and bondsmen.

Germans and Indians Colin Gordon Calloway,Gerd Gem_nden,Susanne Zantop, For over three hundred years, the Indian peoples of North America have attracted the interest of diverse segments of German society?missionaries, writers, playwrights, anthropologists, filmmakers, hobbyists and enthusiasts, and even royalty. Today, German scholars continue to be drawn to Indians, as is the German public: tour groups from Germany frequent Plains reservations in the summer, and so-called Indianerclubs, where participants dress up in authentic Indian costume, are common. In this fascinating volume, scholars and writers illuminate the longstanding connection between Germans and the Indians. From a range of disciplines and occupations, the contributors probe the historical and cultural roots of the interactions between Germans and Indians and examine how such encounters have been represented in different media over the centuries. Particularly important are reflections and insights by modern Native American writers on this relationship. Of special concern is why such a connection has endured. As the contributors make clear, the encounters between Germans and Indians were also imagined, sometimes as fantasy, sometimes as projection, both resonating deeply with the cultural sensibilities and changing historical circumstances of Germans over the years.
