Knowing the Facts about Angels John Ankerberg,John Weldon,2012-08-07 Angels make one of the most intriguing subjects one could study. According to the Bible, angels have helped to shape the course of human history & continue to do so today. Consider the fallen angel in the Garden of Eden who slyly engineered the moral fall of the entire human race (Genesis 3). There have been thousands of angelic encounters throughout history—good & evil—in the lives of ordinary and famous individuals. The word angel appears some 300 times in 24 books of the Bible (not including the synonyms used for angels). As people are searching for answers & meaning to life, angels are thought to play a vital role in providing those answers. This book gives important information on how to tell the difference between the good and the bad angels.

Angel's Moon Paul C. Gardner, 2011-08-01 When Al Garcia takes his special operations team into southeastern Arizona, he uncovers massive corruption leading right back to Washington DC. Garcia's probe of cross-border drug smuggling and brutal drug related murders of innocent American citizens exposes a network of criminals and terrorists entwined with corrupt border protection agents and members of Congress. Cartel enforcers viciously beat a man to death in full view of dozens. The only witnesses brave or foolish enough to come forward are themselves eliminated. Those crimes terrify a family with first-hand information of a drug smuggling operation possibly protected by America's own border patrol officials. Fearful, not knowing if local law enforcement can be trusted, they turn to a Washington connection. Arrests are followed by savage retaliation and intimidation by the drug alliance. Eventually the president orders the elimination of the cartels' leaders in their protected Mexican compounds. But it is not over; the terrorists are still here ...
