

Insidecat Lite Edition

Bob Walker,Robert Walker

Inside Cat ,2021-10-12 The newest story from the New York Times bestselling author/illustrator Brendan Wenzel is a funny and wise celebration of observation, curiosity, and indoor life. From the endlessly inventive Caldecott Honor author/illustrator of *They All Saw a Cat* comes a picture book that is playful, perceptive, and full of delights. Inside Cat is just that: an inside cat. But while the cat's life is bound by the walls of an unusual house, it's far from dull. As the cat wanders, wonders, stares, and snacks, roaming from room to room and place to place, both cat and reader discover worlds and sensations beyond what's right in front of them. And just when Inside Cat is sure it knows everything, another surprise awaits! Fresh, funny, and wise, Inside Cat is a feast for the eyes and the imagination. A BOOK THAT ENCOURAGES IMAGINATIVE THINKING: All of Brendan Wenzel's books play with observation, perception, and the imagination. Readers will see how the cat's imagination grows as it explores its building and will be inspired to make their own imaginative journeys. A BOOK THAT ENCOURAGES OBSERVATION: There are many details in this book, from the decorations in the different rooms to the animals that appear. Readers will enjoy seeing how these details affect the cat, and will flip pages back and forth to see how the cat has incorporated these details into its thinking. A BOOK THAT MAKES THE MOST OF THE INDOORS: The cat's world is inside a building, and it enjoys every aspect of being inside. The book sends a positive message about playing inside that parents will appreciate. GREAT TO READ ALOUD: The rhythmic narrative and refrains are catchy and fun to read out loud and invite audience participation. BELOVED AUTHOR/ILLUSTRATOR: Brendan is a bestselling Caldecott Honor-winning artist and a sought-after speaker at schools and libraries. His books *They All Saw a Cat*, *Hello Hello*, and *A Stone Sat Still* have received multiple starred reviews, state awards, and are family and classroom favorites. Perfect for: • Parents and grandparents • Cat lovers • Fans of Brendan Wenzel • Educators • Librarians

Up Cat Down Cat Steve Light,2020-05-05 From the creator of the celebrated *Black Bird Yellow Sun* comes another bold and beautiful concept book, this time playing with opposites and reversals. Black cat. White cat. One is long, stretching out, and the other is short, crouching. When both perch in a window, one tail is straight, the other one curly. One has an empty plate, and the other a full one. With a mouse to entertain them, variously lost and found, they move through the day, until one cat is awake and the other asleep, but for how long? With enchanting ink illustrations full of pure color, simple shapes, and an elegant use of negative and positive space, this concept board book for the youngest of readers is a joy to behold — and as graceful as a leaping cat.

Cat Sense John Bradshaw,2013-09-10 Cats have been popular household pets for thousands of years, and their numbers only continue to rise. Today there are three cats for every dog on the planet, and yet cats remain more mysterious, even to their most adoring owners. Unlike dogs, cats evolved as solitary hunters, and, while many have learned to live alongside humans and even feel affection for us, they still don't quite "get us" the way dogs do, and perhaps they never will. But cats have rich emotional lives that we need to respect and understand if they are to thrive in our company. In *Cat Sense*, renowned anthrozoologist John Bradshaw takes us further into the mind of the domestic cat than ever before, using cutting-edge scientific research to dispel the myths and explain the true nature of our feline friends. Tracing the cat's evolution from lone predator to domesticated companion, Bradshaw shows that although cats and humans have been living together for at least eight thousand years, cats remain independent, predatory, and wary of contact with their own kind, qualities that often clash with our modern lifestyles. Cats still have three out of four paws firmly planted in the wild, and within only a few generations can easily revert back to the independent way of life that was the exclusive preserve of their predecessors some 10,000 years ago. Cats are astonishingly flexible, and given the right environment they can adapt to a life of domesticity with their owners—but to continue do so, they will increasingly need our help. If we're to live in harmony with our cats, Bradshaw explains, we first need to understand their inherited quirks: understanding their body language, keeping their environments—however small—sufficiently interesting, and becoming more proactive in managing both their natural hunting instincts and their relationships with other cats. A must-read for any cat lover, *Cat Sense* offers humane, penetrating insights about the domestic cat that challenge our most basic assumptions and promise to dramatically improve our pets' lives—and ours.

Inside Cat Brendan Wenzel,2023-03-10 Korean edition of [Inside Cat] by Brendan Wenzel. New York Times bestselling children's book author/illustrator Brendan Wenzel offers a funny and wise celebration of observation, curiosity, and indoor life. Korean edition translated by Kim Ji Eun.

Cat Daddy Jackson Galaxy,2013-05-02 Cat behaviorist and star of Animal Planet's hit television show *My Cat from Hell*, Galaxy, a.k.a. Cat Daddy, isn't what readers might expect for a cat expert. Yet his ability to connect with even the most troubled felines--not to mention their owners--is awe-inspiring.

Indoor Cat Laura J. Moss,Lynn Bahr,2022-04-05 Can an indoor cat live a happy, stimulating, and active life? A veterinarian and a journalist answer this question with a resounding yes, and offer real-life guidance for opening up your cat's world, even if they stay within the confines of your home. There are many myths our culture perpetuates about domestic cats: they live longer indoors, sleep all day, are easy and low-maintenance pets, and can't be trained. Even the most well-meaning kitty caregiver will be surprised to learn that these long-held beliefs aren't necessarily based on facts, but instead reflect the many ways we have adapted our feline friends to our indoor, domesticated lifestyles. *Indoor Cat*, by Laura J. Moss, journalist and founder of Adventure Cats, and Lynn Bahr, a feline-only veterinarian, explores how to help cat owners understand a cat's perspective of their indoor homes, with practical ways to enhance cats' lives to the fullest and combat countless health and behavioral problems that result from indoor living, as well as raising the question: should every cat live exclusively indoors? Together with scientific studies, expert opinions from vets and behaviorists, and firsthand accounts and interviews, this informative and engaging full-color guide strives to reach compassionate cat owners looking for new ways to care for and connect with their feline companions.

Bathe the Cat Alice B. McGinty,2022-02-08 Bathe the floor? Sweep the dishes? This riotous romp of a picture book follows a frantic family as they try to get some chores done—with no help from the family cat, who keeps scrambling the list of chores with hilarious effects. Get ready for a rollicking read-aloud with a truly purrfect ending. It's cleaning day, but the family cat will do anything to avoid getting a bath. So instead of mopping the floor or feeding the fish, the family is soon busy rocking the rug, vacuuming the lawn, and sweeping the dishes. Bouncy rhyme carries the story headlong into the growing hilarity, until finally Dad restores some kind of order—but will the cat avoid getting his whiskers wet? HILARIOUS READ-ALoud: Word scrambles are a delight in this silly rhyming picture book! Kids will love the accessible rhyming text, and emerging readers will be able to anticipate words after repeated reads, making for an engaging and interactive read-aloud experience. CATNIP FOR CAT LOVERS: This sweet and sneaky feline will do anything to get out of having a bath! Ample cat antics and scenes of increasing mischief (and increasing chaos!) will tickle young readers and entice parents—particularly those with a furry feline member of their own households. TWO DADS LEAD THE WAY: Dad and Papa are the heads of this large and loving biracial family, mirroring illustrator David Robert's own orientation and providing picture book readers with a positive depiction of LGBTQ+ characters in a fun and funny family story. WINNING AUTHOR-ILLUSTRATOR TEAM: Alice McGinty is a prolific author of books for children, and David Roberts is well-known for his work on the popular *Questioners* series. Together, their upbeat text and energetic art with pops of neon color make for a standout picture book, just right for gifting and enjoying together at storytime. Perfect for: • Parents • Gift-givers • Cat lovers

Lost Cat Mary Gaitskill,2020-07 'Last year I lost my cat Gattino. He was very young, at seven months barely an adolescent. He is probably dead but I don't know for certain.'

Old Cat and the Kitten Mary E. Little,2014-09-16 After establishing an affectionate friendship with an old tomcat and a kitten, Joel is upset to learn that his family must move and that the cats must be left behind because his stepfather is allergic to them.

Gathering of the Dimensional Light Riders Jimmy Videle,2012

Cat Wars Peter P. Marra,Chris Santella,2016-08-29 Why our cats are a danger to species diversity and human health In 1894, a lighthouse keeper named David Lyall arrived on Stephens Island off New Zealand with a cat named Tibbles. In just over a year, the Stephens Island Wren, a rare bird endemic to the island, was rendered extinct. Mounting scientific evidence confirms what many conservationists have suspected for some time—that in the United States alone, free-ranging cats are killing birds and other animals by the billions. Equally alarming are the little-known but potentially devastating public health consequences of rabies and parasitic Toxoplasma passing from cats to humans at rising rates. Cat Wars tells the story of the threats free-ranging cats pose to biodiversity and public health throughout the world, and sheds new light on the controversies surrounding the management of the explosion of these cat populations. This compelling book traces the historical and cultural ties between humans and cats from early domestication to the current boom in pet ownership, along the way accessibly explaining the science of extinction, population modeling, and feline diseases. It charts the developments that have led to our present impasse—from Stan Temple's breakthrough studies on cat predation in Wisconsin to cat-eradication programs underway in Australia today. It describes how a small but vocal minority of cat advocates has campaigned successfully for no action in much the same way that special interest groups have stymied attempts to curtail smoking and climate change. Cat Wars paints a revealing picture of a complex global problem—and proposes solutions that foresee a time when wildlife and humans are no longer vulnerable to the impacts of free-ranging cats.

A Cup of Comfort for Cat Lovers Colleen Sell,2008-06-01 You know much joy your furry friend adds to your life and in this stunning new collection you'll find fifty more cats that will steal your heart-one meow at a time. From a wayward Calico that rescues his family from a deadly snake to a sophisticated Siamese that helps to heal her ailing owner, A Cup of Comfort for Cat Lovers celebrates the courage, healing, and affection of these mysterious and loyal companions. So snuggle in with your favorite feline and bask in the love that only a cat can give. Because a life without cats is no life worth purring about.

Cat's Howl C.D. Gorri,2021-09-12 Join the Macconwood Pack with this steamy Wolf Shifter fated mates urban fantasy paranormal romance book! Werewolf Tate tries hard to resist his attraction to Cat, his alpha's sister. But when he's assigned as her bodyguard and they're stuck together in close quarters, their chemistry becomes undeniable... A sexy shifter romance! Cat Maccon was always a handful even as a pup. Will spunky Werewolf, Cat Maccon, find true love with her brother's Wolf Guard, Tate Nighthawk, or is it too late for them? Targeted by their enemies, Cat is assigned her own personal bodyguard. The one Wolf in the Pack who won't be taken in by her wily ways, Tate Nighthawk himself. On the run with no way to contact the outside world, their tumultuous past catches up with them when forced into close quarters. Tate is determined to honor his friendship with Rafe, her brother and his Alpha. Alone with the one woman he has always desired, he must admit his feelings or let her go forever. When Cat is captured by the rogue Wolf who wants to take the Pack for his own, there is only one thing she can do to survive— Howl. Will these true lovers win, or is it too late for them? Only the Cat Knows Marian Babson,2020-01-07 A man infiltrates a tycoon's castle to find out who pushed his sister down a flight of stairs in this “enjoyable Gothic mystery that keeps you guessing” (Kirkus Reviews). Vance is an experienced female impersonator, so when his beloved twin sister, Vanessa, winds up in a coma after a suspicious fall, he has a unique way to investigate. Using her clothes and makeup—and his striking resemblance to his twin—he works his way into the remote castle of Vanessa's wealthy employer, along with a harem of other women. With help from a doctor, Vance poses as an amnesiac Vanessa and is able to fool everyone—with the exception of his sister's Angora cat. But will his masquerade be successful long enough for him to solve the mystery—before someone else tries to finish the job? “Diverting . . . will keep readers' attention.” —Publishers Weekly “Marian Babson's name on a mystery is a guarantee of quality writing wrapped around an unusual crime.” —Houston Chronicle

All Cats Go to Heaven Valda V. Upenieks,2014-11-12 Minka has entered into the doors of Cat Heaven. When Minka the cat first arrives, she meets her angel buddy, Chloe. Chloe will be with her every day during the first phase of Cat Heaven before ascending to Higher Cat Heaven. Chloe tells Minka that she can have any wish fulfilled that she thought was left unfinished on Earth, as a way of purging the past before ascending into Cat Heaven properly. Minka says all her needs were met on Earth. She was loved, had a wonderful home, and many friends. Only one wish pops into Minka's head: She wants to protect her cat friends from any harm. Chloe says such a wish has never been granted to an angel cat. One morning, Minka notices a young cat running quickly through the doors of Cat Heaven and recognizes him immediately. He is Willie, a close neighborhood friend. Minka tells him about her desire to fly down to Earth to protect their friends. She convinces Willie to join her in her wish. All Cats Go to Cat Heaven is a profound, touching story about issues facing many children, including friendship, being kind to others, keeping safe, and accepting diversity. Seen through a gentle cat's eyes, Cat heaven is a place where life is beautiful.
