102 Minutes Jim Dwyer,Kevin Flynn,2006-01-10 Searing, poignant, and utterly compelling—102 Minutesdoes for the September 11 catastrophe what Walter Lord did for the Titanic in his masterpiece,A Night to Remember.—Rick Atkinson, author ofIn the Company of SoldiersandAn Army at Dawn At 8:46 am on September 11, 2001, 14,000 people were inside the twin towers. Over the next 102 minutes, each would become part of a drama for the ages. Drawing on hundreds of interviews with rescuers and survivors, thousands of pages of oral histories, and countless phone, e-mail, and emergency radio transcripts,New York Timesreporters Jim Dwyer and Kevin Flynn tell the story of September 11 from the inside looking out, weaving together the stories of ordinary men and women into an epic account of struggle, determination, and grace. Hailed immediately upon its hardcover publication as the definitive account of that terrible morning,102 Minutesnow contains a new Afterword that incorporates powerful firsthand material, including tapes and documents, that Dwyer and Flynn recently obtained after more than three years of litigation with the city of New York. Eight weeks on theNew York Timesbestseller list and translated into a dozen languages,102 Minutesis a gripping narrative that is also investigative reporting of the first rank—in a class by itself, according toReader's Digest. Dwyer and Flynn reveal the decisions, both good and bad, that proved to be the difference between life and death on a day that changed America forever.

It's Okay to Manage Your Boss Bruce Tulgan,2010-09-14 Get what you need from your boss In this follow-up to the bestselling It's Okay to Be the Boss, Bruce Tulgan argues that as managers demand more and more from their employees, they are also providing them with less guidance than ever before. Since the number one factor in employee success is the relationship between employees and their immediate managers, employees need to take greater responsibility for getting the most out of that relationship. Drawing on years of experience training managers and employees, Tulgan reveals the four essential things employees should get from their bosses to guarantee success at work. Shows employees how to ask for what they need to succeed in their high-pressure jobs Shatters previously held beliefs about how employees should manage up Outlines what employees must get from their managers: clear expectations; the skills needed to perform their jobs; honest feedback, recognition or rewards A novel approach to managing up, It's Okay to Manage Your Boss is an invaluable resource for employees who want to work more effectively with their managers.

Civic Astronomy George Wise,2012-11-07 The founding of the Dudley Observatory at Albany, N.Y., in 1852 was a milestone in humanity's age-old quest to understand the heavens. As the best equipped astronomical observatory in the U.S. led by the first American to hold a Ph.D. in astronomy, Benjamin Apthorp Gould Jr., the observatory helped pioneer world-class astronomy in America. It also proclaimed Albany's status as a major national center of culture, knowledge and affluence. This book explores the story of the Dudley Observatory as a 150 year long episode in civic astronomy. The story ranges from a bitter civic controversy to a venture into space, from the banks of the Hudson River to the highlands of Argentina. It is a unique glimpse at a path not taken, a way of doing science once promising, now vanished. As discoveries by the Dudley Observatory's astronomers, especially its second director Lewis Boss, made significant contributions to the modern vision of our Milky Way galaxy as a rotating spiral of more than a million stars, the advance of astronomy left that little observatory behind.

The Book of New York Firsts Henry Moscow,1995-04-01 Everything you wanted to know about the unusual, arcane, and fascinating in the life of New York City. The term only in New York takes on new meaning in page after page of this intriguing survey of firsts in one of the world's greatest cities—from extraordinary people to ghosts and graves, from troubles and aspirations to crimes and disasters. For six years, the City had a governor who dressed in his wife's clothes and paraded along Broadway until his soldiers dragged him home. The City's first subway, dug in secret under Broadway in 1870, had elegant cars propelled by wind from a big fan. The City's first settlers were not Dutchmen, but French-speaking Protestant Belgians in 1624 who were followed by African Blacks in 1625. The first City Hall had a tavern on the premises to quench the thirst of City Fathers with beer and schnapps. The City's first bagel was produced in Clinton Street in 1896, but its ancestors date back to fourteenth-century German boar hunts.
