**Francesco Petrarch Rime Disperse** Joseph A. Barber,2020-12-18 First published in 1991. It was the lyric poetry of Petrarch that popularized the sonnet in European literature, that set the standard for love poetry for centuries to follow. Compared to the large volume of prose, poetry and notes in Latin, the corpus of Petrarch's Italian writings is small: the 366 poems that make up the Canzoniere, the 2000 or so verses of the Trionfi, and an undetermined number of poems, drafts and fragments that comprise what we call the Rime disperse. This collection includes indexes of first lines in both Italian and English.

**King Lear** Jeffrey Kahan,2008-04-18 Is King Lear an autonomous text, or a rewrite of the earlier and anonymous play King Leir? Should we refer to Shakespeare's original quarto when discussing the play, the revised folio text, or the popular composite version, stitched together by Alexander Pope in 1725? What of its stage variations? When turning from page to stage, the critical view on King Lear is skewed by the fact that for almost half of the four hundred years the play has been performed, audiences preferred Naham Tate's optimistic adaptation, in which Lear and Cordelia live happily ever after. When discussing King Lear, the question of what comprises 'the play' is both complex and fragmentary. These issues of identity and authenticity across time and across mediums are outlined, debated, and considered critically by the contributors to this volume. Using a variety of approaches, from postcolonialism and New Historicism to psychoanalysis and gender studies, the leading international contributors to King Lear: New Critical Essays offer major new interpretations on the conception and writing, editing, and cultural productions of King Lear. This book is an up-to-date and comprehensive anthology of textual scholarship, performance research, and critical writing on one of Shakespeare's most important and perplexing tragedies. Contributors Include: R.A. Foakes, Richard Knowles, Tom Clayton, Cynthia Clegg, Edward L. Rocklin, Christy Desmet, Paul Cantor, Robert V. Young, Stanley Stewart and Jean R. Brink

Marked as traitors and hunted down, Ross and her allies are cornered and standing alone. But the fight is far from over. As Doyle prepares to fulfill his dark global vision for humanity's future, Molly and her small but devoted team bravely infiltrate one of the most secure locations on Earth—a place holding longstanding secrets that, if revealed, will forever change the way Americans view their extraordinary place in history. **Same Sun Here** Neela Vaswani,Silas House,2012-02-14 In this extraordinary novel in letters, an Indian immigrant girl in New York City and a Kentucky coal miner's son find strength and perspective by sharing their true selves across the miles. Meena and River have a lot in common: fathers forced to work away from home to make ends meet, grandmothers who mean the world to them, and faithful dogs. But Meena is an Indian immigrant girl living in New York City's Chinatown, while River is a Kentucky coal miner's son. As Meena's family studies for citizenship exams and River's town faces devastating mountaintop removal, this unlikely pair become pen pals, sharing thoughts and, as their camaraderie deepens, discovering common ground in their disparate experiences. With honesty and humor, Meena and River bridge the miles between them, creating a friendship that inspires bravery and defeats cultural misconceptions. Narrated in two voices, each voice distinctly articulated by a separate gifted author, this chronicle of two lives powerfully conveys the great value of being and having a friend and the joys of opening our lives to others who live beneath the same sun.

**Canzoniere** Petrarch,2002-10-31 The 'Canzoniere', a sequence of sonnets and other verse forms, were written over a period of about 40 years. They describe Petrarch's intense love for Laura, whom he first met in Avignon in 1327, and her effect on him after she died in 1348. The collection is an examination of the poet's growing spiritual crisis, and also explores important contemporary issues such as the role of the papacy and religion.
