**Home Networking Do-It-Yourself For Dummies** Lawrence C. Miller,2011-04-19 Step by step guide to connecting all your electronic devices into one network A home network allows you to share Internet connections, photos, video, music, game consoles, printers, and other electronic gadgets. This do-it-yourself guide

shows you step by step how to create a wired or wireless network in your home. In the For Dummies tradition of making technology less intimidating, Home Networking Do-It-Yourself For Dummies breaks down the process into easy steps with clear instructions. Increasing broadband speeds, cellular technology, the explosive growth of iPhone sales, and the new Home Group feature in Windows 7 all contribute to a booming interest in home networking. This step-by-step guide walks do-it-yourselfers through the process of setting up a wired or wireless network with Windows 7 and Windows Vista. Demonstrates how to connect desktops or laptops, printers, a home server, a router, high-speed Internet access, a video game system, a telephone line, and entertainment peripherals. Shows how to share files, music, and video, and connect to an iPhone. Provides maintenance and troubleshooting tips. Home Networking Do-It-Yourself For Dummies enables you to take advantage of everything a home network can offer without hiring a technology wizard.

*Windows 11 For Dummies* Andy Rathbone, 2021-10-21 Need Windows help? Find the latest tips and tricks in this perennial favorite on Windows. Windows 11 promises to be the fastest, most secure, and most flexible version of the Microsoft operating system.

yet. With a promise like that, of course you want to start using it, as quickly as possible! Windows 11 For Dummies gives you that speed, security, and flexibility by getting you up to date with the latest in Windows. Windows expert and bestselling author Andy Rathbone gives you a helping hand by showing you how to get around the newly updated Windows 11 interface, how to use the new Windows tools like Teams and widgets, and how to use Android apps. Your tour of Windows 11 starts with the Start menu and ends with how to troubleshoot when things go wrong. In between you find out how to find files on your hard drive, connect with friends and colleagues on Microsoft Teams, transfer photos from your phone to your hard drive, or switch between your desktop and laptop. Additional topics include: Navigating the Start menu Finding where your files are hiding Adding separate user accounts to keep your kids out of your business Connecting to a WiFi network Customizing your widgets Switching to a laptop or tablet You know what you want to get done. Keep Windows 11 For Dummies by your desktop, laptop, and tablet, and you can open it at any time to find out how to get your Windows computer to do what you need.

Large Print Password Logbook Brilliant Large Print

Books, 2017-01-15 Here's a large print password book with spaces to list nearly 400 websites -- their names, internet addresses (URLS), logins, passwords and any other notes. The clear, big type makes it especially easy to use for seniors or the vision-impaired. A great gift! Discreet cover helps protect your privacy and doesn't mention the book's purpose. 400+ spaces: Every site journal page has room for four entries, so there's room to store information for more than 400 sites Bonus features: Extra space to list your favorite sites for quick reference/Internet (modem) & email setup details/Network (router) & wifi access information/Software license registry numbers, logins & download info Alphanumeric: A-Z pages and space for sites starting with numbers -- even includes an index Plenty of room: This book is professionally-designed, with plenty of space to write Large type: Big, clear type to make it easy to read (font size 16 and larger) Format: Letter paper size (8-1/2 x 11), bright white paper, and a sturdy glossy paperback cover Large index letters: This paperback (softcover) book does not have tabs. Instead, bold letters on the side of all the entry pages make its easy to sort by name. Space for updates: There are two lines for

your passwords so you have space to change them periodically. (There's also extra room under Notes.) Clean and organized: There are between 2 and 6 pages for every letter, except for U&V and X, Y & Z, which share pages. And, unlike in most other internet password journals, there are also two pages at the beginning of the index for website addresses that start with numbers. There are also other large print address books in this series with different covers -- search for Brilliant Large Print Books to see them all.
