**The Animators** Kayla Rae Whitaker,2017-09-05 “A wildly original novel that pulses with heart and truth . . . That this powerful exploration of friendship, desire, ambition, and secrets manages to be ebullient, gripping, heartbreaking, and deeply deeply funny is a testament to Kayla Rae Whitaker’s formidable gifts. I was so sorry to reach the final page. Sharon and Mel will stay with me for a very long time.”—Cynthia D’Aprix Sweeney, author of *The Nest* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • NPR • Kirkus Reviews • BookPage She was the first person to see me as I had always wanted to be seen. It was enough to indebt me to her forever. In the male-dominated field of animation, Mel Vaught and Sharon Kisses are a dynamic duo, the friction of their differences driving them: Sharon, quietly ambitious but self-doubting; Mel, brash and unapologetic, always the life of the party. Best friends and artistic partners since the first week of college, where they bonded over their working-class roots and obvious talent, they spent their twenties ensconced in a gritty Brooklyn studio. Working, drinking, laughing. Drawing: Mel, to understand her tumultuous past, and Sharon, to lose herself altogether. Now, after a decade of striving, the two are finally celebrating the release of their first full-length feature, which transforms Mel’s difficult childhood into a provocative and visually daring work of art. The toast of the indie film scene, they stand at the cusp of making it big. But with their success come doubt and destruction, cracks in their relationship threatening the delicate balance of their partnership. Sharon begins to feel expendable, suspecting that the ever-more raucous Mel is the real artist. During a trip to Sharon’s home state of Kentucky, the only other partner she has ever truly known—her troubled, charismatic childhood best friend, Teddy—reenters her life, and long-buried resentments rise to the surface, hastening a reckoning no one sees coming. A funny, heartbreaking novel of friendship, art, and trauma, *The Animators* is about the secrets we keep and the burdens we shed on the road to adulthood. “Suffused with humor, tragedy and deep insights about art and friendship.”—People “[A] stunning debut.”—Variety “A compulsively readable portrait of women as incandescent artists and intimate collaborators.”—Elle

Red Lines Cherian George, Sonny Liew, 2021-08-31 A lively graphic narrative reports on censorship of political cartoons around the world, featuring interviews with censored cartoonists from Pittsburgh to Beijing. Why do the powerful feel so threatened by political cartoons? Cartoons don't tell secrets or move markets. Yet, as Cherian George and Sonny Liew show us in *Red Lines*, cartoonists have been harassed, trolled, sued, fired, jailed, attacked, and assassinated for their insolence. The robustness of political cartooning--one of the most elemental forms of political speech--says something about the health of democracy. In a lively graphic narrative--illustrated by Liew, himself a prize-winning cartoonist--*Red Lines* crisscrosses the globe to feel the pulse of a vocation under attack. A Syrian cartoonist insults the president and has his hands broken by goons. An Indian cartoonist stands up to misogyny and receives rape threats. An Israeli artist finds his antiracist works censored by social media algorithms. And the New York Times, caught in the crossfire of the culture wars, decides to stop publishing editorial cartoons completely. *Red Lines* studies thin-skinned tyrants, the invisible hand of market censorship, and demands in the name of social justice to rein in the right to offend. It includes interviews with more than sixty cartoonists and insights from art historians, legal scholars, and political scientists--all presented in graphic form. This engaging account makes it clear that cartoon censorship doesn't just matter to cartoonists and their fans. When the red lines are misapplied, all citizens are potential victims.

**Hang Tough, Paul Mather** Alfred Slote, 1985 Paul Mather's a pitcher -- a really good one. His off speed pitch is enough to bowl a kid backward, and his fast ball is pure smoke. There isn't anything he can't throw, from sliders, change-ups, and sinkers to a mean curve ball that breaks at just the right moment. He's pitched no-hitters and perfect games. To Paul, pitching is what you live for and why you live. Lately, though, Paul hasn't been allowed to do much of anything, much less play ball. He's got leukemia, and it's put him into the hospital several times already. His parents are so worried, they've forbidden him to play the game he loves so much. They're afraid that if Paul strains himself his illness may come back a final time...and maybe even take his life. But Paul is a winner. His team needs him, and he won't give up without a fight. Paul Mather is determined to pitch every inning...to keep playing baseball, and to keep hanging tough, no matter what the odds.

**Anguish Of Snails** Barre Toelken, 2003-12-01 After a career working and living with American Indians and studying their traditions, Barre Toelken has written this sweeping

study of Native American folklore in the West. Within a framework of performance theory, cultural worldview, and collaborative research, he examines Native American visual arts, dance, oral tradition (story and song), humor, and patterns of thinking and discovery to demonstrate what can be gleaned from Indian traditions by Natives and non-Natives alike. In the process he considers popular distortions of Indian beliefs, demystifies many traditions by showing how they can be comprehended within their cultural contexts, considers why some aspects of Native American life are not meant to be understood by or shared with outsiders, and emphasizes how much can be learned through sensitivity to and awareness of cultural values. Winner of the 2004 Chicago Folklore Prize, *The Anguish of Snails* is an essential work for the collection of any serious reader in folklore or Native American studies.

**Direct Action** Ann Hansen, 2001 *Direct Action* chronicles the thrilling fast-paced action of the Guerrilla group that blew up the political activist scene of the 80's. Hansen and her Anarchist group Direct Action were responsible for numerous dramatic political acts, including the bombing of the Litton Systems plant in Toronto. After legal protest actions failed to stop Litton from making guidance systems for Cruise missiles, Direct Action defended the Earth, explosively. Additionally, Hansen with other radical feminists showed the Red Hot Video chain just how hot their illegal films depicting rape could become after being firebombed. Ann Hansen served seven years in prison and is now quite at home in Vancouver with her three horses, three dogs, one cat and a bird.

*The Trickster in Contemporary Film* Helena Bassil-Morozow, 2013-03 This book discusses the role of the trickster figure in contemporary film against the cultural imperatives and social issues of modernity and postmodernity, and argues that cinematic tricksters always reflect psychological, economic and social change in society. It covers a range of films, from Charlie Chaplin's classics such as *Modern Times* (1936) and *The Great Dictator* (1940) to contemporary comedies and dramas with 'trickster actors' such as Jim Carrey, Sacha Baron-Cohen, Andy Kaufman and Jack Nicholson. *The Trickster in Contemporary Film* offers a fresh perspective on the trickster figure not only in cinema but in Western culture in general. Alongside original film analyses, it touches upon a number of psychosocial issues including sovereignty of the individual, tricksterish qualities of the media, and human relationships in the mercurial digital age. Further topics of discussion include: common motifs in trickster narratives the trickster and personal relationships gonzo-trickster and the art of comic insurrection. Employing a number of complementary approaches such as Jungian psychology, film semiotics, narrative structure theories, Victor Turner's concept of liminality and Mikhail Bakhtin's theory of the carnivalesque, this book is essential reading for students and scholars of film, as well as anyone with an interest in analytical psychology and wider critical issues in contemporary culture.
