The Tools Phil Stutz, Barry Michels, 2012-05-29 NEW YORK TIMES BESTSELLER • Change can begin right now. Learn to bring about dynamic personal growth using five uniquely effective tools—from psychotherapist Barry Michels and psychiatrist Phil Stutz, subject of the Netflix documentary *Stutz*. “These tools are emotional game changers. They do nothing less than deliver you to your best and most powerful self.”—Kathy Freston, author of *Quantum Wellness* The Tools offers a solution to the biggest complaint patients have about therapy: the interminable wait for change to begin. The traditional therapeutic model sets its sights on the past, but psychiatrist Phil Stutz and psychotherapist Barry Michels employ an arsenal of techniques—“the tools”—that allow patients to use their problems as levers that access the power of the unconscious and propel them into action. Suddenly, through this transformative approach, obstacles become new chances—to find courage, embrace discipline, develop self-expression, deepen creativity. A dynamic, results-oriented practice, The Tools aims to deliver relief from persistent problems and restore control and hope right away. Every day presents challenges—big and small—that the tools transform into opportunities to bring about bold and dramatic change in your life. Stutz and Michels teach you how to: • **Get Unstuck:** Master the things you are avoiding and live in forward motion. • **Control Anger:** Free yourself from out-of-control rage and never-ending grudges. • **Express Yourself:** Learn the secret of true confidence and find your authentic voice. • **Combat Anxiety:** Stop obsessive worrying and negative thinking. • **Find Discipline:** Activate willpower and make the most of every minute. With The Tools, Stutz and Michels allow you to realize the full range of your potential. Their goal is nothing less than for your life to become exceptional—exceptional in its resiliency, in its experience of real happiness, and in its understanding of the human spirit.

Creative Confidence Tom Kelley, David Kelley, 2013-10-15 IDEO founder and Stanford d.school creator David Kelley and his brother Tom Kelley, IDEO partner and the author of the bestselling *The Art of Innovation*, have written a powerful and compelling book on unleashing the creativity that lies within each and every one of us. Too often, companies and individuals assume that creativity and innovation are the domain of the creative types. But two of the leading experts in innovation, design, and creativity on the planet show us that each and every one of us is creative. In an incredibly entertaining and inspiring narrative that draws on countless stories from their work at IDEO, the Stanford d.school, and with many of the world's top companies, David and Tom Kelley identify the principles and strategies that will allow us to tap into our creative potential in our work lives, and in our personal lives, and allow us to innovate in terms of how we approach and solve problems. It is a book that will help each of us be more productive and successful in our lives and in our careers.

Grief Works Julia Samuel, 2018-01-16 “An honest, practical, as well as emotional guide to working through the processing of mourning” (Vogue.com), *Grief Works* is a lifeline for all of us dealing with loss and a handbook to help others—from the “expected” death of a parent to the sudden and unexpected death of a child or spouse. Death affects us all. Yet it is still the last taboo in our society, and grief is still profoundly misunderstood. Julia Samuel, a grief psychotherapist, has spent twenty-five years working with the bereaved and understanding the full repercussions of loss. In *Grief Works*, Samuel shares case studies from those who have experienced great love and great loss—and survived. People need to understand that grief is a process that has to be worked through, and Samuel shows if we do the work, we can begin to heal. “As a guide for the newly grieving, *Grief Works* succeeds on many levels, and the author's compassionate storytelling skills provide even broader appeal...and consistently hit an authentically inspiring note” (Kirkus Reviews, starred review). “Illuminating” (The New York Times), intimate, warm, and helpful, Samuel is a caring and deeply experienced guide through the shadowy and mutable land of grief, and her book is as invaluable to those who are grieving as it is to those around them. She adroitly unpacks the psychological tangles of grief in a voice that is compassionate, grounded, real, and observant of those in mourning. Divided into case histories grouped by who has died—a partner, a parent, a sibling, a child, as well as a section dealing with terminal illness and suicide—*Grief Works* shows us how to live and learn from great loss. This important book is “essential for anyone who has ever experienced grief or wanted to comfort a bereaved friend” (Helen Fielding, author of *Bridget Jones's Diary*).
