**Finding Holy in the Suburbs** Ashley Hales, 2018-10-23 Suburban life—including tract homes, strip malls, commuter culture—shapes our desires. More than half of Americans live in the suburbs. Ashley Hales writes that for many Christians, however: The suburbs are ignored ('Your place doesn't matter, we're all going to heaven anyway'), denigrated and demeaned ('You're selfish if you live in a suburb; you only care about your own safety and advancement'), or seen as a cop-out from a faithful Christian life ('If you really loved God, you'd move to Africa or work in an impoverished area'). In everything from books to Hollywood jokes, the suburbs aren't supposed to be good for our souls. What does it look like to live a full Christian life in the suburbs? Suburbs reflect our good, God-given desire for a place to call home. And suburbs also reflect our own brokenness. This book is an invitation to look deeply into your

soul as a suburbanite and discover what it means to live holy there.

**And Mira** megomike,2017-12-15 Death is a dagger Concealed in a cloak. Viewed through a mirror Obscured by smoke Megomike So begins the story of Mira. For most, the war is over, but for one girl, it has just begun. Set just after World War II, AND MIRA starts out in the gentle surroundings of a nursery school in Midwestern United States. Not yet two years old, Miras dreams are filled with the image of a deformed, emaciated child she does not quite remember. When one of the children at her school succumbs to pneumonia, she cannot help but feel that it is not one of the typical deaths common to children in her day but rather somehow connected to the chalky child of her dreams. AND MIRA is a traditional-style ghost story set against the backdrop of American pop culture from the 1940s to the present day. Unique to this story, AND MIRA follows the haunting of the protagonist and her loved ones from the beginning of her life to the very end. As she grows, so matures the ghost that

haunts her dreams and memories, and his appetite for the deaths of those she cares for evolves as well. Mira must make her way through a world that does not believe in ghosts to determine the identity of this tortured phantom that threatens everyone she holds dear before it destroys them all!

**Samuel Fuller** Samuel Fuller, 2012-05-30 In the early twentieth century, the art world was captivated by the imaginative, totally original paintings of Henri Rousseau, who, seemingly without formal art training, produced works that astonished not only the public but great artists such as Pablo Picasso. Samuel Fuller (1912-1997) is known as the Rousseau of the cinema, a mostly B genre Hollywood moviemaker deeply admired by A filmmakers as diverse as Jim Jarmusch, Martin Scorsese, Francois Truffaut, Jean-Luc Godard, and John Cassavetes, all of them dazzled by Fuller's wildly idiosyncratic primitivist style. A high-school dropout who became a New York City tabloid crime reporter in his teens, Fuller went to Hollywood and made movies post-World War II that were totally in line with his exploitative newspaper work: bold, blunt, pulpy, excitable. The images were as shocking, impolite, and in-your-face as a Weegee photograph of a gangster bleeding on a sidewalk. Fuller, who

made twenty-three features between 1949 and 1989, is the very definition of a cult director, appreciated by those with a certain bent of subterranean taste, a penchant for what critic Manny Farber famously labeled as termite art. Here are some of the crazy, lurid, comic-book titles of his movies: Shock Corridor, The Naked Kiss, Verboten!, Pickup on South Street. Fuller isn't for everybody. His fans have to appreciate low-budget genre films, including westerns and war movies, and make room for some hard-knuckle, ugly bursts of violence. They also have to make allowance for lots of broad, crass acting, and scripts (all Fuller-written) that can be stiff, sometimes campy, often laboriously didactic. Fuller is for those who love cinema--images that jump, shout, dance. As he put it in his famous cigar-chomping cameo, acting in Jean-Luc Godard's *Pierrot le fou* (1965): Film is like a battleground . . . love, hate, violence, death. In a single word: emotion. After directing, Sam Fuller's greatest skill was conversation. He could talk, talk, talk, from his amazing experiences fighting in World War II to the time his brother-in-law dated Marilyn Monroe, and vivid stories about his moviemaking. *Samuel Fuller: Interviews*, edited by Gerald Peary, is not only informative about the filmmaker's career

but sheer fun, following the wild, totally uninhibited stream of Fuller's chatter. He was an incredible storyteller, and, no matter the interview, he had stories galore for all sorts of readers, not just academics and film historians.

**The Writings** John Bradford,1853

**The Writings of John Bradford** John Bradford,2005-07-01 The Parker Society was the London-based Anglican society that printed in fifty-four volumes the works of the leading English Reformers of the sixteenth century. It was formed in 1840 and disbanded in 1855 when its work was completed. Named after Matthew Parker -- the first Elizabethan Archbishop of Canterbury, who was known as a

great collector of books -- the stimulus for the foundation of the society was provided by the Tractarian movement, led by John Henry Newman and Edward B. Pusey. Some members of this movement spoke disparagingly of the English Reformation, and so some members of the Church of England felt the need to make available in an attractive form the works of the leaders of that Reformation.
