**Ascension Meditation** Chad Millemon,2013-03-24 An introduction and guidebook to the practice of Ascension Meditation.Otherwise known as The Ishayas' Ascension, this manual presents a user's manual to the techniques based on praise, gratitude and love which have been taught worldwide.

Ascension! Maharishi Sadasiva Isham,2020-09-19 This book clearly explains the teachings of the Ishayas, an ancient order of monks who were entrusted by the Apostle John to preserve the original teachings of Christ until the third millennium. The Ishayas hold that the original teachings of Jesus were not a belief system at all, but rather a mechanical series of techniques to transform human life into a constant perception of the perfection within the human heart. Real expansion of consciousness occurs only through direct, personal experience. Ascension! is an invitation to awaken to the innermost Reality of your true Self. This text also includes a description of the Ishayas' 27 Ascension Attitudes.

Ascension! MSI.,1996 Here's the book you've been waiting for... The teachings spoken of in MSI's exciting novel First Thunder are now explained in this fabulous book. Some of us have already

remembered that we are multi-dimensional beings. We, living on the Earth, are open to Universal Mind. The voice of the Universe speaks through us. Desire to serve our fellow wanderers is the natural by-product of our Enlightenment: our perennial task is to help everyone discover Universal Mind. But words are limited, finite tools; our proper subject is the Unlimited, the Infinite, a subject that lies forever far beyond the ability of language to describe or communicate. Writing or reading or listening to lectures does not expand consciousness; this happens only through direct, personal experience. Hence, is this book short. But the invitation is long. This book is a meaningful discussion of the principles that underlie the practice of the Ishayas' Ascension, melding eternal knowledge with real-life experience. Within the pages a Truth is expressed that is far beyond many books of greater volume. Offered is a solution revolutionary in its simplicity and potential - and the invitation to experience it for yourself.

Ascension! (Spanish) Maharishi Sadasiva Isham, 2021-01-02 Este libro explica claramente las antiguas enseñanzas de los Ishaya, tal como está escrito en la novela de MSI Primer Trueno. Aquí,

MSI ofrece una mayor comprensión de las técnicas experimentales y, mediante su sabiduría, revela de forma natural la verdad subyacente dentro de todos nosotros. En este texto se responden muchos de los misterios fundamentales de la vida. Esto es cierto para cualquiera que esté dispuesto a examinar este libro con una mente abierta y un corazón inocente.

**A Path of Joy** Paramananda Ishaya,2014-01-31 The search for spiritual enlightenment becomes difficult when seriousness replaces simple commitment. You close the door on the joy of being by taking yourself seriously. When you discover a path of joy, however, freedom is no longer a difficult task but an effortless exploration. Approaching liberation with effort makes sense to the mind when the goal is as valuable as enlightenment, and we're used to trying hard to achieve what we want. But understanding what you truly are works in unexpected ways, and in this lies the cosmic joke. A Path of

Joy: Popping into Freedom takes a lighthearted look at overcoming the obstacles you encounter in your journey. Each topic is a kernel of truth that invites you to explore and pop into the aliveness of silence. And the path is more obvious than you'd expect.

**Second Thunder** MSI,1995-11 This book records a series of visions and experiences the author had while studying with the Ishayas. The total elapsed time was only several days, but the total vision time was of many years. -- p. 2.

First Thunder Maharishi Sadasiva Isham,2020-09-11 This is the story of the first Westerner to visit a secret Order of monks called the Ishayas. The Order was founded by the Apostle John after he wrote the Apocalypse. What the Ishayas preserved in their monastery was a series of techniques for tapping into the subtlest energy of who we are. These techniques are called Ascension. First Thunder is written like an adventure novel - it is a great introduction to what the Ishayas are teaching and at the same time a wonderful story.

**The Shiva Sutra of Vasugupta** Gerard DC Kuiken, 2017-04-09 The Shiva Sutra was revealed to and written down by Vasugupta (ca 875--925 CE). The Sutra is considered mystical and of divine origin.

For Kashmir Shaivism, it is one of the most important key sources. It outlines the teachings of Shaiva non-dualism, where the focus is on attaining the Ultimate Reality in which everything is created and dissolved. This ultimate state is called Param Shiva and is beyond description. For attaining this state of Shiva for those who remember to reside in their own inherent-self-nature, which is of the nature of Shiva, no effort or no way is needed. For everyone else there are three ways for the attainment of Param Shiva described in the Shiva Sutra. There is no strict order given for meditating on the Sutra. It depends on one's stage of evolution. Translation from the original Sanskrit with notes.

**Introducing Anthropology of Religion** Jack David Eller, 2007-08-07 This lively and readable survey

introduces students to key areas of the field and shows how to apply an anthropological approach to the study of contemporary world religions. Written by an experienced teacher, it covers all of the traditional topics of anthropology of religion, including definitions and theories, beliefs, symbols and language, and ritual and myth, and combines analytic and conceptual discussion with up-to-date ethnography and theory. Eller includes copious examples from religions around the world – both familiar and unfamiliar – and two mini-case studies in each chapter. He also explores classic and contemporary anthropological contributions to important but often overlooked issues such as violence and fundamentalism, morality, secularization, religion in America, and new religious movements. *Introducing Anthropology of Religion* demonstrates that anthropology is both relevant and essential for understanding the world we inhabit today.

*After the Ecstasy, the Laundry* Jack Kornfield, 2001-10-02 “Enlightenment does exist,” internationally renowned author and meditation master Jack Kornfield assures us. “Unbounded freedom and joy, oneness with the divine . . . these experiences are more common than you know,

and not far away.” But even after achieving such realization—after the ecstasy—we are faced with the day-to-day task of translating that freedom into our imperfect lives. We are faced with the laundry. Drawing on the experiences and insights of leaders and practitioners within the Buddhist, Christian, Jewish, Hindu, and Sufi traditions, this book offers a uniquely intimate and honest understanding of how the modern spiritual journey unfolds—and how we can prepare our hearts for awakening. Through moving personal stories and traditional tales, we learn how the enlightened heart navigates the real world of family relationships, emotional pain, earning a living, sickness, loss, and death. Filled with “the laughter of the wise,” alive with compassion, *After the Ecstasy, the Laundry* is a gift to anyone who is seeking peace, wholeness, and inner happiness. It is sure to take its place next to *A Path with Heart* as a spiritual classic for our time.
