*The Italy of the Italians* Helen Zimmern,1906

**The Dark Heart of Italy** Tobias Jones,2008-09-04 An essential guide to the strange, sometimes sinister culture of contemporary Italy. In 1999 Tobias Jones travelled to Italy, expecting to discover the pastoral bliss described by centuries of foreign visitors and famous writers. Instead, he discovered a very different country, besieged by unfathomable terrorism and deep-seated paranoia, where crime is scarcely ever met with punishment. Now, in this fascinating travelogue, Jones explores not just Italy's familiar delights (art, climate, cuisine), but the livelier and stranger sides of the bel paese: language, football, Catholicism, cinema, television and terrorism. Why, he wonders, do bombs still explode every time politics start getting serious? Why does everyone urge him to go home as soon as possible, saying that Italy is a 'brothel'? And why do people warn him that 'Clean Hands' only disguise 'Dirty Feet'?

A Tuscan Treasury Paul Salsini,2021-07-16 FROM WWI TO COVID, from Florence to the tiny villages of Tuscany, stories of love, courage and adventure from award-winning author Paul Salsini. FROM A TUSCAN TREASURY So we became spies. When Maria and I would enter a village we would find out if there were any Germans or Fascists there so the partisans would know if it was safe to enter. Sometimes we’d be stopped, but mostly we just looked like simple Italian women with scarves on our heads and prayer books in our hands. We always told them we were going to church to pray for the end of the war. From The Staffetta Anna, can I tell you something? After I left you on the doorstep that night, I couldn't stop thinking about you. I couldn't sleep nights. I went on long runs, but that didn't help. I was supposed to referee a football game Saturday morning and I made terrible calls. I couldn't concentrate hearing confessions Saturday afternoon. I barely made it through Mass on Sunday. Anna, I couldn't wait to see you again. From Anna and the Television Priest

**Italy on Screen** Lucy Bolton,Christina Siggers Manson,2010 Selected papers presented at the Italy on Screen Conference, held at the Institute of Germanic and Romance Studies, University of London, in 2007.

*Italy in Pictures* Alison Behnke,2003 A historical and current look at Italy, discussing the land, the government, the people, and the economy.

*The New Italians* Charles Richards,1995-04-27 Italy has seduced generations with its sunshine, landscapes, art treasures and the warmth and vitality of its people, devoted to style, sensuality and the pleasures of life. The reality is less rosy. Italy is as exasperating as it is enchanting. Appalling public services, a rotten political class, the creeping tentacles of the Mafia, the all-forgiving Mother Church and infinitely indulgent ‘mamma’ have long prevented Italians facing up to their collective failings. In ‘The New Italians’, journalist Charles Richards paints a compelling group portrait of the country and people, spanning football to Freemasonry, kickbacks to kidnappings. He concludes that however much things change, the Italians will remain essentially the same, and pull through with their customary ‘brio’.
