Interactive Volleyball Brad Kilb,Savvy Knowledge Systems Corp,2001-03-20 Volleyball coaches at all levels of competition know the benefits of practicing effective drills to develop essential individual skills and improve execution of team tactics. So coaches are sure to love a product that provides both a comprehensive drill source and the convenience of digital technology. With Interactive Volleyball software, coaches have the choice of two CD-ROMs, each loaded with 200 full-video drills that can be viewed at regular speed, slow motion, and freeze frame. Individual or special categories of drills can be searched and selected by several variables, allowing coaches to generate and print out practice plans almost instantly. Interactive Volleyball Volume 1 is designed for more basic levels of competition. Youth volleyball coaches will benefit the most from the software, though elementary and middle school instructors may also find it useful in constructing class lesson plans. With these excellent drill encyclopedias and the ability to pick and choose drills from them, practice planning will be a snap-with a click.
