Addis Ababa Noir Maaza Mengiste, 2020-08-04 Addis Ababa is a sprawling melting pot of cultures where rich and poor live side by side in relative harmony--until they don't. Several of the 14 stories here, most of them striking and accomplished, involve post-revolution loss, guilt and revenge. Some are surreal--fitting for a culture where, as Mengiste writes in her introduction, 'there are men who live in the mountains of Ethiopia and can turn into hyenas.' --Washington Post While most stories told about or set in Africa deny the continent and the nearly 60 countries that constitute it narrative complexity, this anthology works overtime to get specific about the people and problems that define Addis Ababa. --Los Angeles Review of Books Maaza Mengiste's story *Dust, Ash, Flight* has won the 2021 Edgar Award for Best Short Story, presented by the Mystery Writers of America! Addis is one of Africa's--and the world's--most vibrant, dynamic scene, and the new Akashic collection displays it in all its complexity. With acclaimed writer Maaza Mengiste at the editing helm, the book brings together an exciting collection of voices exploring the city's noir side. This is a chance for readers to discover an important literary scene and to explore a city's past and present. --CrimeReads, One of the Most Anticipated Crime Books of 2020 Addis Ababa Noir is a beautiful read, and it succeeds in the historical excavation it undertakes...[It] is a powerful collection, carefully curated and plunging unexpected depths. --New Frame [The book's] strength is these writer's unflinching approach to reality...The other major plus is the opportunity to discover many accomplished Ethiopian writers. A book to definitely explore." --Dispatches from Ethiopia A taut collection of thrilling stories that encompasses modes from the realistic to the uncanny. --Vol. 1 Brooklyn "Editor Maaza Mengiste takes the idea of Noir well beyond the well trod paths of crime stories. Mengiste's vision of Noir embraces myth, memory and the paranormal." --Ink19 Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct neighborhood or location within the respective city. Brand-new stories by: Maaza Mengiste, Adam Reta, Mahtem Shiferraw, Linda Yohannes, Sulaiman Addonia, Meron Hadero, Mikael Awake, Lelissa Girma, Rebecca Fisseha, Solomon Hailemariam, Girma T. Fantaye, Teferi Nigussie Tafa, Hannah Giorgis, and Bewketu Seyoum. From the introduction by Maaza Mengiste: What marks life in Addis Ababa are the starkly different realities coexisting in one place. It's a growing city taking shape beneath the fraught weight of history, myth, and memory. It is a heady mix. It can also be disorienting, and it is in this space that the stories of Addis Ababa Noir reside... These are not gentle stories. They cross into forbidden territories and traverse the damaged terrain of the human heart. The characters in these pages are complicated, worthy of our judgment as much as they somehow manage to elude it. The writers have each discovered their own ways to get us to lean in while forcing us to grit our teeth as we draw closer... Despite the varied and distinct voices in these pages, no single book can contain all of the wonderful, intriguing, vexing complexities of Addis Ababa. But what you will read are stories by some of Ethiopia's most talented writers living in the country and abroad. Each of them considers the many ways that myth and truth and a country's dark edges come together to create something wholly original--and unsettling.

Rumba on the River Gary Stewart, 2020-05-05 There had always been music along the banks of the Congo River--lutes and drums, the myriad instruments handed down from ancestors. But when Joseph Kabasele and his African Jazz went chop for chop with O.K. Jazz and Bantous de la Capitale, music in Africa would never be the same. A sultry rumba washed in relentless waves across new nations springing up below the Sahara. The Western press would dub the sound soukous or rumba rock; most of Africa called it Congo music. Born in Kinshasa and Brazzaville at the end of World War II, Congolese music matured as Africans fought to consolidate their hard-won independence. In addition to great musicians--Franco, Essous, Abeti, Tabu Ley, and youth bands like Zaiko Langa Langa--the cast of characters includes the conniving King Leopold II, the martyred Patrice Lumumba, corrupt dictator Mobutu Sese Seko, military strongman Denis Sassou Nguesso, heavyweight boxing champs George Foreman and Muhammad Ali, along with a Belgian baron and a clutch of enterprising Greek expatriates who pioneered the Congolese recording industry. *Rumba on the River* presents a snapshot of an era when the currents of tradition and modernization collided along the banks of the Congo. It is the story of twin capitals engulfed in political struggle and the vibrant new music that flowered amidst the ferment. For more information on the book, visit its other online home at rumbaontheriver.com--an impressive resource.

Famous Dinosaurs of Africa Anusuya Chinsamy-Turan, 2013-06-01 African dinosaurs make a significant contribution to palaeontology, but they are often omitted from books in favour of better-known species like T. Rex. But their fossils have been discovered across the continent - from the Sahara Desert and the dusty plains of Kenya and Tanzania to the sandstone flats of the Karoo - and they are no less magnificent or fascinating than their 'celebrity' cousins. *Famous Dinosaurs of Africa* is written for children, but has broad appeal for anyone interested in learning more about dinosaurs. A brief general introduction is followed by short chapters on dinosaur species, among them those that were fish-eating, sociable, predatory, etc, as well as those that were cannibals, and the biggest meat-eating dinosaur of all time - the thread being that they all come from Africa. Details are given about where they were found, the meaning of their scientific names, and their size and diet. Spectacular, colourful illustrations bring the creatures vividly to life; photographs, maps and line drawings further illustrate the subject, while 'Unsolved' and 'Up close' panels add to the intrigue.

Handbook of Indigenous Education Elizabeth Ann McKinley,Linda Tuhiwai Smith,2019-05-23 This book is a state-of-the-art reference work that defines and frames the state of thinking, research and practice in indigenous education. The book provides an authoritative overview of the subject in one text. The work sits within the context of The UN Declaration of the Rights of Indigenous Peoples that states “Indigenous peoples have the right to the dignity and diversity of their cultures, traditions, histories and aspirations which shall be appropriately reflected in education” (Article 14.1). Twenty-five years ago a book of this nature would have been largely written by non-Indigenous researchers about Indigenous people and education. Today Indigenous researchers can write this work about and for themselves and others. The book is comprehensive in its coverage. Authors are drawn from various individual jurisdictions that have significant indigenous populations where the issues include language, culture and identity, and indigenous people’s participation in society. It brings together multiple streams of research by ‘new’ indigenous voices. The book also brings together a wide range of educational topics including early childhood education, educational governance, teacher education, curriculum, pedagogy, educational psychology, etc. The focus of one body of work on Indigenous education is a welcome enhancement to the pursuit of the field of Indigenous educational aspirations and development.

The Mark Edyth Bulbring,2016-12-16 Sarah Lotz, internationally acclaimed author of *The Three*, and *Day Four*, describes *The Mark* as: An entrancing, truly original novel packed with twists you won't see coming and a heroine that breaks the mould. Juliet Seven - Ettie - will soon turn 15 and her life as a drudge will begin, her fate-mate mate will be chosen. Like everyone else, her future is marked by the numbers on her spine. But Ettie decides to challenge her destiny. And in so doing, she fulfills the prophecy that was spoken of before she even existed.

Obinze--the quiet, thoughtful son of a professor--had hoped to join her, but post-9/11 America will not let him in, and he plunges into a dangerous, undocumented life in London. Thirteen years later, Obinze is a wealthy man in a newly democratic Nigeria, while Ifemelu has achieved success as a writer of an eye-opening blog about race in America. But when Ifemelu returns to Nigeria, and she and Obinze reignite their shared passion--for their homeland and for each other--they will face the toughest decisions of their lives. Fearless, gripping, spanning three continents and numerous lives, Americanah is a richly told story of love and expectation set in today's globalized world.

Humeirah Sabah Carrim,2012 Questions about meaning and existence haunt Humeirah, filling her with a sense of dread and unease as she wonders why thoughts that bother her don't bother others, why she isn't happy with things that make women around her happy, and why she can't fit in. Humeirah spends most of her time thinking, reading, destroying and reconstructing the ideas and beliefs she was raised with. This is a story recounting the life of a woman who seeks something beyond freedom from a suffocating marriage and a cluster of people who don't understand her. A story of a swim against the tide. The Hindu, India Humeirah...stands out as a particularly courageous story of looking within for answers. Vasudev Murthy, Author of *What the Raags Told Me* and *Sherlock Holmes, The Missing Years: Timbuktu* Humeirah is the touching story of a philosophical quest.
