**Time Out Las Vegas** Editors of Time Out,2012-07-13 Time Out Las Vegas is the only crib sheet travelers need to the world's most outlandish city. Whether going for a short or extended visit, this guide is an invaluable companion through the neon maze that awaits in Las Vegas. With the lowdown on all the hotels and casinos, money-saving tips, extensive restaurant reviews, hints on the hottest nightlife, and a full guide to gambling, it leaves nothing to chance. This seventh edition proves that there is more to Sin City than just sequins and slots — the dramatic expansion in hotel accommodations, fine dining, and shopping is attracting tourists from every economic strata, not just those with gambling as their sole agenda. The guide contains a detailed explanation of what games are available in the casinos, as well as tips on how to play them. There is also a chapter on suggested side trips to Hoover Dam, as well as other sights in Nevada and Arizona.

*Pai Gow for Beginners* Sam Sloan,2019-01-08 Pai Gow is the biggest gambling game in the world. It is a game played with dice and with 32 Chinese dominoes. Although it is an ancient game, its popularity has greatly increased in recent years and it is now featured in almost every major gambling casino in the world. It is common for a player to bet \$5000 (five thousand US dollars) on a single hand of Pai Gow. When I was playing Pai Gow recently in the Oaks Card Room in Emeryville California, I was betting the minimum \$10 on my hand of Pai Gow, while the man sitting next to me was betting \$5000 on the same hand. Added together, a total of \$10,000 (ten thousand dollars) was bet on that one hand. In the Pai Gow game I was playing in, the banker, who is just one of the players and not the house, was matching all the bets of the other players, Thus, that one player stood to win or to lose \$10,000 on just that one hand of Pai Gow. Nowadays, almost every major casino in Nevada, Atlantic City and Macao and most other large

casinos around the world offer Pai Gow. Most of the big card rooms in California offer Pai Gow as well.

**Casino Management in Integrated Resorts** Desmond Lam, 2019-06-25 Casino Management in Integrated Resorts introduces students to the changing nature of casino businesses within the framework of an integrated resort or hospitality organisation. In the new integrated casino model, casinos play an important role not only in revenue generation but in supporting the other amenities in the resort, including bars, restaurants, hotels and theme parks. This book brings readers up to speed with the challenges of managing a casino within this rapidly expanding gaming–leisure–tourism industry. It covers a range of essential topics, such as the basic psychology of casino gaming, the role and history of casinos within an integrated resort, staffing, floor design, table and slot game management, control and security, marketing and social impact. Written in an accessible style, this book is suitable for readers with no prior knowledge of, or experience in, casino operations. It will be an essential introductory yet comprehensive resource for all those undertaking casino management courses.
