**Professional Ajax** Nicholas C. Zakas,Jeremy McPeak,Joe Fawcett,2011-08-15 Professional Ajax 2nd Edition provides a developer-level tutorial of Ajax techniques, patterns, and use cases. The book begins by exploring the roots of Ajax, covering how the evolution of the web and new technologies directly led to the development of Ajax techniques. A detailed discussion of how frames, JavaScript, cookies, XML, and XMLHttpRequests (XHR) related to Ajax is included. After this introduction, the book moves on to cover the implementation of specific Ajax techniques. Request brokers such as hidden frames, dynamic iframes, and XHR are compared and contrasted, explaining when one method should be used over another. To make this discussion clearer, a brief overview of HTTP requests and responses is included. Once a basic understanding of the various request types is discussed, the book moves on to provide in-depth examples of how and when to use Ajax in a web site or web application. Different data transmission formats, including plain text, HTML, XML, and JSON are discussed for their advantages and disadvantages. Also included is a discussion on web services and how they may be used to perform Ajax techniques. Next, more complex topics are covered. A chapter introducing a request management framework explores how to manage all of the requests inside of an Ajax application. Ajax debugging techniques are also discussed. **Mazel Tov** J. S. Margot,2021-02-23 A heartwarming, funny and provocative memoir of a woman navigating clashing cultures during her decades-long friendship with an Orthodox Jewish family, new in paperback When 20-year-old student J. S. Margot took a tutoring job in 1987, little did she know it would open up an entire world. In the family's Orthodox Jewish household she would encounter endless rules - 'never come on a Friday, never shake hands with a man' - and quirks she had not seen before: tiny tubes on the doorposts, separate fridges for meat and dairy products. Her initial response was puzzlement and occasionally anger, but as she taught the children and fiercely debated with the family, she also began to learn from them. Full of funny misunderstandings and unexpected connections, Mazel Tov is a heartwarming, provocative and disarmingly honest memoir of clashing cultures and unusual friendships - and of how, where adults build walls, sometimes only children can dissolve them.
