The Future of the Internet Jonathan Zittrain, 2009-05-28 In *The Future of the Internet: And How to Stop It* Jonathan Zittrain explores the dangers the internet faces if it fails to balance ever more tightly controlled technologies with the flow of innovation that has generated so much progress in the field of technology. Zittrain argues that today's technological market is dominated by two contrasting business models: the generative and the non-generative. The generative models - the PCs, Windows and Macs of this world - allow third parties to build upon and share through them. The non-generative model is more restricted; appliances such as the xbox, iPod and tomtom might work well, but the only entity that can change the way they operate is the vendor. If we want the internet to survive we need to change. People must wake up to the risk or we could lose everything.

Open Book Anz Jessica Simpson, 2020-02-04 Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, *Open Book* is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop

phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture cliché's -- chicken or fish, Daisy Duke, football jinx, mom jeans, sexual napalm... and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Perspectives on Marketing Jason I. Miletsky,Michael Hand,2009 Marketing is not an exact science, and marketing issues are often interpreted, defined, and approached differently by different people, creating the potential for a

disconnect in communication. This is particular true of the client/agency relationship, which oftentimes looks at a single marketing issue in radically different ways. Perspectives on Marketing is a unique spin on the he said/she said format, giving both the agency side (Jason Miletsky - CEO, PFS Marketwyse) and the client side (Mike Hand - Director of Sports Marketing, Hershey's) of a number of topics that deal with marketing and the client/agency relationship. It examines over 100 compelling and important marketing issues that marketers deal with on a regular basis, such as how to best measure ROI, how to determine the best means for reaching an audience, and how to craft the most effective message. Each topic is approached from both points-of-view in a conversational, point/counter point style. This unique approach provides a frank, insightful, and enjoyable look into the whole of the marketing process, and helps promote understanding between the marketer and the client

Chester's Masterpiece Mélanie Watt, 2020-09-01 Chester's finally ready to

write his own masterpiece --- he just needs to get pesky writer-illustrator Mélanie Watt out of the way. Chester's solo attempts at storytelling are messy, to say the least, but he's determined to go it alone. But where's his story going? After several alternative (but always unhappy) endings, Chester is confronted by a problem he never bargained for. A wry comment on the creative process and how good stories are constructed, this is the most uproarious Chester book yet.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be

professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The Cat I Never Named Amra Sabic-El-Rayess, Laura L. Sullivan, 2020-09-15 The stunning memoir of a Muslim teen struggling to survive in the midst of the Bosnian genocide--and the stray cat who protected her family through it all. *Six Starred Reviews* A YALSA Excellence in Nonfiction Finalist A Capitol Choices Remarkable Book A Mighty Girl Best Book A Malala Fund Favorite Book Selection In 1992, Amra was a teen in Bihac, Bosnia, when her best friend said they couldn't speak anymore. Her friend didn't say why, but Amra knew the reason: Amra was Muslim. It was the first sign her world was changing.

Then Muslim refugees from other Bosnian cities started arriving, fleeing Serbian persecution. When the tanks rolled into Bihac, bringing her own city under seige, Amra's happy life in her peaceful city vanished. But there is light even in the darkest of times, and she discovered that light in the warm, bonfire eyes of a stray cat. The little calico had followed the refugees into the city and lost her own family. At first, Amra doesn't want to bother with a stray; her family doesn't have the money to keep a pet. But with gentle charm this kitty finds her way into everyone's heart, and after a few near miracles when she seems to save the family, how could they turn her away? Here is the stunning true story of a teen who, even in the brutality of war, never wavered in her determination to obtain an education, maintain friendships, and even find a first love-and the cat who gave comfort, hope, and maybe even served as the family's guardian spirit.

Unqualified Anna Faris, 2018-10-02 A hilarious, honest memoir—combined with just the right amount of relationship advice—from the popular actress and host of the hit podcast Anna Faris is Unqualified. Anna Faris has advice for you. And it's great advice, because she's been through it all, and she wants to tell you what she's learned. After surviving an awkward childhood (when she bribed the fastest boy in the third grade with ice cream), navigating

dating and marriage in Hollywood, and building a podcast around romantic advice, Anna has plenty of lessons to share: Advocate for yourself. Know that there are wonderful people out there and that a great relationship is possible. And, finally, don't date magicians. Her comic memoir, *Unqualified*, shares Anna's candid, sympathetic, and entertaining stories of love lost and won. Part memoir—including stories about being “the short girl” in elementary school, finding and keeping female friends, and dealing with the pressures of the entertainment industry and parenthood—part humorous, unflinching advice from her hit podcast, *Anna Faris Is Unqualified*, the book will reveal Anna's unique take on how to master the bizarre, chaotic, and ultimately rewarding world of love. Hilarious, honest, and useful, *Unqualified* is the book Anna's fans have been waiting for.

Mustache Shenanigans Jay Chandrasekhar, 2017-03-28 Director, writer, and actor Jay Chandrasekhar tells the hilarious stories behind his films *Super Troopers* and *Super Troopers 2* (out on 4/20/2018!), the history of his comedy group, Broken Lizard, and everything in between. Jay Chandrasekhar has spent the past two decades writing, directing, and acting in film and TV. With his

comedy group, Broken Lizard, he has produced and directed beloved movies such as Super Troopers, Beerfest, and Club Dread. Now, with the upcoming release of the long-awaited Super Troopers 2, Jay is ready to tell the ridiculous, madcap, dead-honest story of how he built his career, how he formed Broken Lizard, and, ultimately, how he made Super Troopers. Jay grew up Indian American in the lily-white suburbs of Chicago, and he had an outsider's perspective from the beginning. Instead of taking the traditional acting path, he formed his own troupe, wrote his own scripts, and made movies his own way. And he had an incredibly good time doing so as readers will learn in this hilarious story about making it in Hollywood and directing, cowriting, and costarring in one of the best-loved and most-watched comedies of all time. Part humorous memoir, part film study, this book will inform, entertain, and tell readers what drinking multiple bottles of maple syrup is really like.
