Forest Notes ,1986

At the Dawn of Airpower Laurence M Burke,2022-05-15 At the Dawn of Airpower: The U.S. Army, Navy, and Marine Corps' Approach to the Airplane, 1907-1917 examines the development of aviation in the U.S. Army, Navy, and Marine Corps from their first official steps into aviation up to the United States' declaration of war against Germany in April, 1917. Burke explains why each of the services wanted airplanes and show how they developed their respective air arms and the doctrine that guided them. His narrative follows aviation developments closely, delving deep into the official and personal papers of those involved and teasing out the ideas and intents of the early pioneers who drove military aviation Burke also closely examines the consequences of both accidental and conscious decisions on the development of the nascent aviation arms. Certainly, the slow advancement of the technology of the airplane itself in the United States (compared to Europe) in this period affected the creation of doctrine in this period. Likewise, notions that the war that broke out in 1914 was strictly a European concern, reinforced by President Woodrow Wilson's intentions to keep the United States out of that war, meant that the U.S. military had no incentive to "keep up" with European military aviation. Ultimately, however, he concludes that it was the respective services' inability to create a strong, durable network connecting those flying the airplanes regularly (technology advocates) with the senior officers exercising control over their budget and organization (technology patrons) that hindered military aviation during this period.

Counter-Insurgency in Nigeria Akali Omeni,2017-09-08 This book offers a detailed examination of the counter-insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017. Based on extensive fieldwork conducted with military units in Nigeria, Counter-Insurgency in Nigeria has two main aims. First, it seeks to provide an understanding of the Nigerian military's internal role - a role that today, as a result of internal threats, pivots towards counter-insurgency. The book illustrates how organizational culture, historical experience, institutions, and doctrine, are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience, today and in the past. The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents - specifically, plans and operations between June 2011 and April 2017. Within this second theme, emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013, as the Nigerian Army and Air Force recalibrated themselves for COIN warfare. A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram, and this book aims to disperse that veil of secrecy. Furthermore, the work's analysis of the air force's role in counter-insurgency is unprecedented within the literature on military warfare in Nigeria. This book will be of great interest to students of military studies, counter-insurgency, counter-terrorism, African politics and security studies in general.

COIMBATORE NORTH Industrial Directory Lion Dr Er J Shivakumaar, Chief Editor,2018-02-09 Updated on 6 April 2021 - New Additions added on 27-8-2021 GANAPATHY, is an Industrial Area in Coimbatore, for more than 80 years. With the entrepreneurship of the soil, Industries are now spread in the neighbouring areas also.. The first Digital Directory, published in 2018 covered Ganapathy only. After covering the neighbourhood, namely, Avarampalayam, Athipalayam, Sanganoor, Saravanampatti, Keeranatham, Chinnavedampatti, Maniakaram palayam, Rathinapuri etc, the first printed edition is published and released today, the election day, when Tamilnadu is going for polling (6-4-2021). Simultaneously this digital edition is also released. This is replica of the Printed Edition. As majority of the area are in the northern part of Coimbatore, the Printed directory is named as COIMBATORE NORTH INDUSTRIAL DIRECTORY. In this CELFON5G+ Series of Directories, Every Firm, MSME or Professional owning a Mobile or Fixed Phone is listed. The Listing gives all 5 communication addresses like 1. Fixed Phone Number 2. Mobile Phone Number 3. Full Postal Address 4. Email Address 5. Web Site etc in addition to Postal Address. CELFON Directories are available in * Print Edition * Digital Edition (for viewing in Mobile Phones) and Searchable Mobile Apps (Digital Marketing Assistant) Now this Digital Edition is updated every month. Revised Printed Directory will be released shortly
