*Hansel and Gretel* Jewel Kats, Claudia Marie Lenart, 2014-10-01 *Hansel & Gretel: A Fairy Tale with a Down Syndrome Twist* is an enchanting tale about how kindness overcomes callousness and leads to a wondrous reward. This adaptation of the classic Grimms' tale includes the wicked witch and the poor siblings in search of food, but in this case, five-year-old Hansel is a mischievous, yet courageous, boy with Down syndrome. Young readers will learn that: Children with Down syndrome are capable and can achieve extraordinary success with determination. An act of kindness can transform people and the world. Treating people like family can create a miracle. People cannot be judged by appearance; a princess or a hero can be hidden within. Facing a challenge can lead to unimaginable rewards. I love that this book addresses not only the low expectations that society has of kids with Down syndrome but that the Mother has as well. What a gifted author to see past the diagnosis and tell a magical story of potential and belief! --Nancy Gianni, Founder & Gigi's Mom, *Gigi's Playhouse: Down Syndrome Achievement Centers* I find that Jewel Kat's message that someone's disability is not what makes a person, a great one. I like how she portrayed Hansel. He reminded me of my nephew who had Down syndrome—not only someone who was kind but also very smart. I believe it's a great book for every kid to read. --Janet McNevin, Museum of disABILITY History Hansel shines as a courageous boy with incredible determination despite his challenges and succeeds in changing his family's circumstances. This story would help young readers look beyond disabilities and focus on the characters of those who have special needs. Claudia's breathtaking illustrations take this beloved tale to a whole new level. A must read for children of all ages. ??Shaila Abdullah, author, *My Friend Suhana: A Story of Friendship and Cerebral Palsy* Book #5 in the Fairy Ability Tales Series Juvenile Fiction: Social Issues - Special Needs

*Dark Dreams* Michael Genelin, 2009-07-01 A police commander suspects an international criminal conspiracy: "The portrayal of life in post-Communist Slovakia is riveting" (USA Today). Prudent Jana and impetuous Sofia were best friends as schoolmates, including the day when Sofia was assaulted by someone high up in the Communist Party. There was little they could do at the time—but Jana managed to identify him and vowed to one day bring him to justice. Now she's a commander in the Slovak police force when she discovers an enormous diamond, dangling from a string fixed to the ceiling of her home. Was it put there as a gift? Or, more likely, to entrap her? Where did this magnificent jewel come from? The investigation will lead Jana across Europe and into a web of murders which have entangled her childhood friend—and will bring back memories of the traumatic past.

Twisted Taste Michelle Dayton, 2017-08-01 Diamonds are a thief's best friend...but rubies make for an interesting twist. Adam and Jess are back and ready for the next heist in *Twisted Taste*. The target: a legendary diamond-and-ruby necklace, the Red Scarlet. Professional jewel thief Adam Henry lives by one rule: only steal from bad guys. The Red Scarlet's wine-mogul owner is one, or so Adam's been led to believe. He and Jess need to fake it through an engagement party, ID the Red Scarlet's location and get out. But the plan changes quickly when Adam spots Celeste, his prickly ex and former accomplice. She's talented, and she's got her sights set on the Red Scarlet, too. As if dealing with Adam's gorgeous ex isn't enough, Jess nearly blows their cover with a single misstep. She still has a lot to learn when it comes to being a thief...and, apparently, a girlfriend. Things go

from bad to worse when Celeste turns up dead. When Adam orders Jess off the case, she's determined to stick around...even if their partnership—and relationship—has never been stormier. Adam's never fully trusted a partner before, never mind tried to solve a heist-related murder with the woman he loves. Chemistry isn't the issue for Adam and Jess. But they'll need to figure out how to transfer it from romance to business if they want to make it out of wine country alive. This book is approximately 38,000 words

**The Princess and the Ruby** Jewel Kats, 2013-02-01 A Mysterious Girl Puts the Future of a Kingdom in the Balance! One icy-cold winter night, everything changes: a young girl shows up at the king and new queen's castle doorstep wearing little more than a purple jacket and carrying a black pouch. The king recognizes the mystery girl's identity as the long-lost princess without her uttering even a single word. However, the new queen refuses to believe the king's claims. In turn, a devious plan is hatched... and, the results are quite fitting! This new twist on Hans Christen Andersen's *The Princess and the Pea* is surely to be loved by all fairy tale enthusiasts. *The Princess and the Ruby: An Autism Fairy Tale* adds to much-needed age-appropriate literature for girls with Autism Spectrum Disorder. Both fun and education are cleverly weaved in this magical tale, teaching children to be comfortable in their own skin and to respect the differences of others. Acclaim for *The Princess and the Ruby* As someone who has a couple of friends with Autistic kids, I understand the challenges these families have. This modern day twist on *The Princess and the Pea* not only shows how others judge something they do not understand, but how someone with Autism can see, feel and do things one might not expect. --V.S. Grenier, Mom's Choice Silver Honoree and award-winning author *The Princess and the Ruby* is a heartwarming narrative; a tale that beautifully depicts several unique characterizations of Autism Spectrum Disorder. Jewel Kats has refreshingly shed light upon a daily struggle to redefine 'normalized behaviors', in an admirable effort to gain societal acceptance and respect. --Vanessa De Castro, Primary Residential Counselor with Autistic Youth Learn more at [www.JewelKats.com](http://www.JewelKats.com) Book #2 in the Fairy Ability Tales from Loving Healing Press JUV039150 Juvenile Fiction: Social Issues - Special Needs EDU026020 Education: Special Education - Learning Disabilities EDU026050 Education: Special Education - Social Disabilities
