Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of

humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Happy about My Job Search Barbara Safani, 2012-11-21 A job search is never easy and a struggling economy only makes it harder. Everybody knows she or he needs to be smarter, faster and better in finding a job, but how? After all, a job search is synonymous with plenty of hard work and also plenty of rejection. Now, career transition expert Barbara Safani comes to every job seeker's rescue by addressing this pressing issue in a way that makes complete sense in today's economy. In 'Happy About My Job Search', Barbara offers a candid perspective of what a job search is, and isn't.

She offers plenty of practical hints for building better resumes and writing compelling cover letters. From her own experience, she freely shares an understanding of how to network during a job search, prepare strategies for interviews and negotiate a competitive compensation package. As Barbara has noticed repeatedly, most of what occupies people in their job searches is really no more than busy work or wheel spinning. Job seekers often post endlessly on dead-end or random job boards, attend local career fairs whether or not they are useful, or simply hand out resumes to someone who promises to 'see what they can do'--but these search methods rarely yield fruitful outcomes. With expert insight and perspective, Barbara reveals the way to be well informed and better prepared for the journey ahead. And surprisingly, she shows that it's possible to even find some fun, joy, and happiness during your job search. With articulate grace, Barbara shows you how to enjoy and see success even in the most trying job search situation.
