**Join Me!** Danny Wallace,2004-02-24 Danny Wallace was bored. Just to see what would happen, he placed a whimsical ad in a local London paper. It said, simply, “Join Me.” Within a month, he was receiving letters and emails from teachers, mechanics, sales reps, vicars, schoolchildren and pensioners—all pledging allegiance to his cause. But no one knew what his cause was. Soon he was proclaimed Leader. Increasingly obsessed and possibly power-crazed, Danny risked losing his sanity and his loyal girlfriend. But who could deny the attraction of a global following of devoted joinees? A book about dreams, ambition, and the responsibility that comes with power, Join Me is the true story of a man who created a cult by accident, and is proof that whilst some men were born to lead, others really haven't got a clue.

Should No One Join Me Wade D. Sheffield,2014-02 A Christian-based Novel of suspense and intrigue. A young man escapes into the wilderness hoping to find his way in the world. But what Colby Stuart finds is a young woman clinging to life. A mystery soon unfolds that set Colby and Gloria in race against time and a villain who wants nothing more than to see Gloria dead. Along the way, they discover love and find God's perfect will for their lives.

**Join Me** Danny Wallace,2010-04-27 Some men are born to lead. Others, not so much... Danny Wallace was bored. Just to see what would happen, he placed a whimsical ad in a local London paper. **Sunsets of Tulum** Raymond Avery Bartlett,2016-10-22 Reed Haflinger and his aloof wife take an impromptu trip to Mexico's Riviera Maya, but it's not the reconnection Reed was hoping for. When she departs early for home, he stays at the resort, lost in what remains of a vacation he feels he deserves. But when a brief interaction with a beautiful female traveler offers a clue as to how to meet her again, Reed must decide whether to venture out of his comfort zone in search of her, or accept that he will always let life pass him by. In this mesmerizing debut novel, travel writer Ray Bartlett brings us a dark, complex love story as lush, beautiful, and unflinching as the landscape of Tulum itself, a place that you - just like Bartlett's unforgettable characters - will not want to leave.

**Free of Me** Sharon Hodde Miller,2017-10-03 We live in a culture that's all about self, becoming the best me I can be instead of becoming like Jesus. This me-centered message affects every area of our lives--our friendships, our marriages, even our faith--and it breaks each one in different ways. The self-focused life robs our joy, shrinks our souls, and is the reason we never quite break free of insecurity. In this book, Sharon Hodde Miller invites us into a bigger, Jesus-centered vision--one that restores our freedom and inspires us to live for more. She helps readers - identify the secret source of insecurity - understand how self-focus sabotages seven areas of our lives - learn four practical steps for focusing on God and others - experience freedom from the burden of self-focus Anyone yearning for a purpose bigger than project me will cherish this paradigm-shifting message of true fulfillment.

**Travel and Transformation** Garth Lean,Russell Staiff,2016-02-24 Travel and tourism have a long association with the notion of transformation, both in terms of self and social collectives. What is surprising, however, is that this association has, on the whole, remained relatively underexplored and unchallenged, with little in the way of a corpus of academic literature surrounding these themes. Instead, much of the literature to date has focused upon describing and categorising tourism and travel experiences from a supply-side perspective, with travellers themselves defined in terms of their motivations and interests. While the tourism field can lay claim to several significant milestone contributions, there have been few recent attempts at a rigorous re-theorization of the issues arising from the travel/transformation nexus. The opportunity to explore the socio-cultural dimensions of transformation through travel has thus far been missed. Bringing together geographers, sociologists, cultural researchers, philosophers, anthropologists, visual researchers, literary scholars and heritage researchers, this volume explores what it means to transform through travel in a modern, mobile world. In doing so, it draws upon a wide variety of traveller perspectives - including tourists, backpackers, lifestyle travellers, migrants, refugees, nomads, walkers, writers, poets, virtual travellers and cosmetic surgery patients - to unpack a cultural phenomenon that has captured the imagination since the very first works of Western literature.

*Two Cities* Max Overton,2020-06-10 The Hyksos drive south into the Nile Valley, sweeping all resistance aside. Bebi and Sobekhotep, grandsons of Harrubaal, assume command of the loyal Egyptian army and strive to stem the flood of Hyksos conquest. But even the cities of the south are divided against themselves. Abdu, an old capital city of Egypt reasserts itself, putting forward a line of kings of its own, and soon the city is at war with Waset, the southern capital of the Nile Valley, as the two cities fight for supremacy in the face of the advancing northern enemy. Caught up in the turmoil of warring nations, the ordinary people of Egypt must fight for their own survival as well as that of their kingdom.
