Browsers, Devices, and Fonts Gary Rozanc,2018-12-07 Part technical and part theoretical, this practical guide to web typography helps designers understand how the typographic choices they make in layout and prototyping programs behave once they are turned into live code. Through a series of demos, this book teaches designers how to create typographic specific webpages by learning just enough HTML and CSS to be able to view the pages in different browsers, devices, and operating systems. With live webpages to evaluate, designers will learn how to test those pages for supported features and performance, ensuring font choices look as good in the browser as it does in their layout program, delivering a speedy experience to the users. Key Features Demonstrates the minimal amount of HTML and CSS necessary to be able to create webpages to see typographic choices in the browser. Discusses responsive design and how to evaluate and test those choices for performance and usability prior to front-end development. Demonstrates how to review your own typographic, image, and layout choices in the browser through a series of demos in the book.

Matadata Undercover: Sehari Jadi Pakar Telematika Eko Arryawan dan SmithDev Community,2010

Metadata Undercover - Sehari Jadi Pakar Telematika Eko Arryawan,SmitDev,2013-07-16 Buku Metadata Undercover: sehari jadi pakar telematika memaparkan aneka aspek terkait dengan metadata, mulai dari apa itu metadata, bagaimana membaca metadata, mengapa metadata harus di waspadi dan sebagainya. sejumlah kasus menggemparkan dunia terkait kebocoran metadata juga di paparkan. kita bis amelihat betapa bahayanya metadata dari kasus-kasus besar dunia yang nyata-nyata memang pernah terjadi.

Internetsoziologie Stephan Humer,2020-04-06 Internet und (deutsche) Gesellschaft, das war – und ist – eine schwierige Beziehung. Die Soziologie bildet da keine Ausnahme, ganz im Gegenteil: Die spannenden und relevanten Ideen rund um das Phänomen Digitalisierung kamen in den vergangenen Jahren fast immer aus anderen Disziplinen und Ländern. Dabei mangelt es der Soziologie freilich nicht an wissenschaftlicher Ausprägung: Sie ist gerade in Deutschland gekennzeichnet durch eine reichhaltige Geschichte, ausgefeilte Theorien und einen umfassenden Methodenkanon. Was ihr jedoch weitgehend fehlt, ist ein grundlegendes Verständnis digitaler Technik und der daraus resultierenden soziotechnischen und netzkulturellen Konsequenzen. In diesem Buch werden nun – erstmalig im deutschsprachigen Raum – Geschichte, wissenschaftstheoretische Grundlagen und methodische Bausteine der „Idee Internetsoziologie umfassend dargestellt und so eine Zukunftsperspektive für die erfolgreiche Analyse der Digitalisierung der Gesellschaft aus soziologischer Sicht skizziert. Aufgrund des Rahmenkonzeptcharakters des Buches wird ein interdisziplinärer Werkzeugkasten für die Analyse digitaler Phänomene präsentiert. Dort, wo dieser Werkzeugkasten keine eigenen Lösungen bieten kann, wird eine Anknüpfungsmöglichkeit an Lösungen Dritter hergestellt.

Cuaderno práctico de Windows. Sistemas Operativos Monopuestos. Ciclos Formativos de Informática. Baldomero Sánchez Pérez,2015-07-30 Desarrollo de prácticas sobre diferentes sistemas Operativos Windows 7, 8,10. Se desarrolla todo lo necesario para conocer básicamente el funcionamiento de los comandos CMD y la teoría de funcionamiento de sistemas algoritmos de administración de CPU, MEMORIA y planificación de disco. Se desarrolla de forma muy amplia la gestión de gestores de arranque particiones y sistemas de ficheros.

Home Is Where the Eggs Are Molly Yeh,2022-09-27 NEW YORK TIMES BESTSELLER From the host of Food Network’s Girl Meets Farm and bestselling author of the IACP award-winning Molly on the Range, a collection of cozy recipes that feel like celebrations. Home Is Where the Eggs Are is a beautiful, intimate book full of food that’s best enjoyed in the comfort of sweatpants and third-day hair, by a beloved Food Network host and new mom living on a sugar beet farm in East Grand Forks, MN. Molly Yeh’s cooking is built to fit into life with her baby, Bernie, and the naptimes, diaper changes, and wiggle time that come with having a young child, making them a breeze to fit into any sort of schedule, no matter how busy. They’re low-maintenance dishes that are satisfying to make for weeknight meals to celebrate empty to-do lists after long workdays, cozy Sunday soups to simmer during the first (or seventh!) snowfall of the year, and desserts that will keep happily under the cake dome for long enough that you will never feel pressure to share. The flavors in this book draw inspiration from a distinctive blend of Molly’s experiences—her Chinese and Jewish heritage, her time living in New York, her husband’s Scandinavian heritage, and their farm in the upper Midwest. She uses seasonal ingredients that are common in her region while singlehandedly supporting the za’atar and sumac import industry in her small town. These influences come together into fuss-free crave-able meals that dirty as few dishes as possible and offer loads of prep-ahead, freezing, and substitution tips, such as: Babka Cereal Mozzarella Stick Salad Doughnut Matzo Brei Ham and Potato Pizza Chicken and Stars Soup Orange Blossom Creamsicle Smoothies Hand-pulled Noodles with Potsticker Filling Sauce Marzipan Chocolate Chip Cookies In Home Is Where the Eggs Are, the feeling of home starts in the kitchen; just melt some butter, fry an egg, and build a little memory around it.

This Is My Real Name Cid V Brunet,2021-11-02 This Is My Real Name is the memoir of Cid V Brunet, who spent ten years (using the name Michelle) working as a dancer at strip clubs. From her very first lapdance in a small-town bar to working at high-end clubs, Michelle learns she must follow the unspoken rules that will allow her to succeed in the competitive industry. Along the way, she and her coworkers encounter compelling clients and unreasonable bosses and navigate their own relationships to drugs and alcohol. Michelle and her friends rely on each other’s camaraderie and strength in an industry that can be both toxic and deeply rewarding. Deeply personal, This Is My Real Name demystifies stripping as a career with great respect and candor, while at the same time exploring the complex, sex-positive relationships (queer and otherwise) that make it meaningful. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

Photoshop for the Web Mikkel Aaland,1998 Internet.

The Beaver Show Jacqueline Frances,2015-09-25 I dance. Naked. For large (and occasionally insultingly modest) sums of money. It all started five years ago in Sydney, Australia when she was just 23: I still wanted to be a traveler, just not a poor one anymore. So I shaved my legs and bush, showed up to the first Google search result that came up for 'gentlemen's club Sydney, ' got naked for this old fat guy named Jim and, to my surprise, I liked it. A lot. Stripping is about feeling powerful, sexy, and endlessly curious about how far a dude's kinks will go ('show me your armpits') and how much he is willing to pay for them (\$1200). And the money's sexy.

The Optimist Sophie Kipner,2017-05-25 Meet Tabitha Gray, a delusional girl from Topanga, California, who redefines what it means to be a truly hopeless romantic. Tabby suffers from an aggressive strain of cock-eyed optimism – no amount of failure, embarrassment or humiliation can dent her fierce belief that real, true, lasting love is just around the corner. Where most people think, fantasise and dream, Tabby says, feels and does. Whether waiting in her lingerie for Harrison Ford to open the door of his hotel room; following Al Pacino around a Russian bathhouse; seeking passion with a blind man on the advice of a wise old woman with

dementia; or sending intimate photos to a random sexter, Tabby refuses to be crushed by her many misadventures. In this warmly witty novel, Sophie Kipner takes a satirical look at the extremity of romantic desperation, and pays tribute to the deep human need to keep on heroically searching for love despite our many absurdities.

Molly on the Range Molly Yeh,2016-10-04 Star of Food Network's Girl Meets Farm, and winner of the Judges' Choice IACP Cookbook Award, Molly Yeh explores home and family and celebrates her Jewish and Chinese heritage and her current Midwestern farm life in this cookbook featuring more than 120 recipes. In 2013, food blogger and classical musician Molly Yeh left Brooklyn to live on a farm on the North Dakota-Minnesota border, where her fiancé was a fifth-generation Norwegian-American sugar beet farmer. Like her award-winning blog My Name is Yeh, Molly on the Range chronicles her life through photos, new recipes, and hilarious stories from life in the city and on the farm. Molly’s story begins in the suburbs of Chicago in the 90s, when things like Lunchables and Dunkaroos were the objects of her affection; continues into her New York years, when Sunday mornings meant hangovers and bagels; and ends in her beloved new home, where she’s currently trying to master the art of the hotdish. Celebrating Molly's Jewish/Chinese background with recipes for Asian Scotch Eggs and Scallion Pancake Challah Bread and her new hometown Scandinavian recipes for Cardamom Vanilla Cake and Marzipan Mandel Bread, Molly on the Range will delight everyone, from longtime readers to those discovering her glorious writing and recipes for the first time. Molly Yeh can now be seen starring in Girl Meets Farm on Food Network, where she explores her Jewish and Chinese heritage and shares recipes developed on her Midwest farm.

How Mamas Love Their Babies Juniper Fitzgerald,2021-08-17 Illustrating the myriad ways that mothers provide for their children—piloting airplanes, washing floors, or dancing at a strip club—this book is the first to depict a sex-worker parent. It provides an expanded notion of working mothers and challenges the idea that only some jobs result in good parenting. We’re reminded that, while every mama’s work looks different, every mama works to make their baby’s world better.

Candy Hearts Tommy Siegel,2021-02-02 The acclaimed comic strip artist presents a hysterically honest, unnervingly accurate window into the minds of romantic partners. Tommy Siegel’s Candy Heats comics became an internet sensation drawing a global fanbase that included cultural luminaries from Ringo Starr to Alexandria Ocasio-Cortez. From the awkwardness of flirting during a pandemic to scrolling through disastrous dating profiles, Candy Hearts hilariously captures the secrets, lies, and misunderstandings behind every relationship. With dozens of never-before-seen comics, this book is the perfect Valentine’s Day (or Anti-Valentine’s Day) gift for your friends, lovers, and especially yourself.

Striptastic! Jacqueline Frances,2017

Arkansas Beer Brian Sorensen,2017 Arkansas's booze scene had a promising start, with America's biggest brewing families, Busch and Lemp, investing in Little Rock just prior to Prohibition. However, by 1915, the state had passed the Newberry Act, banning the manufacturing and selling of alcohol. It was not until sixty-nine years later that the state welcomed its first post-temperance brewery, Arkansas Brewing Company. After a few false starts, brewpubs in Fayetteville, Fort Smith and Little Rock found success. By 2000, the industry had regained momentum. An explosion of breweries around the state has since propelled Arkansas into the modern beer age.
