Mississippi Juke Joint Confidential: House Parties, Hustlers & the Blues Life Roger Stolle ,2019 Juke joint--two words often used, often abused. They convey an inherent promise of something real, edgy, from another time. All juke joints are blues clubs, but not all blues clubs are juke joints. Here, artist recollections and insights delve below the murky surface to tell the tales, canonize the characters and explain the special brand of blues bottled in these quasi-legal establishments. Author Roger Stolle works from the inside to educate and entertain with a mix of history, anecdote and discovery. It's a wild ride.

Juke Joint ,1990 In this spectacular album of full-color photographs Birney Imes reveals a previously unexplored domain: the black juke joints of the Mississippi Delta. Imes transforms this phenomenon of Delta cultural life into something rich and strange. Introduced by Richard Ford.

Po' Monkey's Will Jacks,2019-09-25 Outside of Merigold, Mississippi, off an unmarked dirt road, stands Po' Monkey's, perhaps the most famous house in Mississippi and the last rural juke joint in the state, now closed to the public. Before the death of the lounge's owner, Willie Seaberry, in 2016, it was a mandatory stop on the constant blues pilgrimage that flows through the Delta. Seaberry ran Po' Monkey's Lounge for more than fifty years, opening his juke joint in the 1960s. A hand-built tenant home located on the plantation where Seaberry worked, Po' Monkey's was a place to listen to music and drink beer—a place to relax where everyone was welcomed by Seaberry's infectious charm. In Po' Monkey's: Portrait of a Juke Joint, photographer Will Jacks captures the juke joint he spent a decade patronizing. The more than seventy black-and-white photographs featured in this volume reflect ten years of weekly visits to the lounge as a regular—a journal of Jacks's encounters with other customers, tourists, and Willie Seaberry himself. An essay by award-winning writer Boyce Upholt on the cultural significance of the lounge accompanies the images. This volume explores the difficulties of preservation, historical context, community relations, and cultural tourism. Now that Seaberry is gone, the uncertainty of the future of his juke joint highlights the need for a historical record.

The Juke Ted Persinger,2015-11-29 Who is a man when he loses everything? Fire destroys and fire creates... We wonder, don't we, at the people we see on the streets? The homeless. Unfortunate souls. Addicts. Violent felons. What compels them? How did they end up there? How does a person find himself holding a gun and committing a crime? Shooting heroin from a dirty needle? We avoid them, turning our faces away from the sight of them, hoping the courts will warehouse them so we are safe in our middle class lives. Frank Joseph is successful by any measure. Family. Career. Church. He has what anybody would want. All that ends one night, and his life takes a new direction...a drastic course change. Facing the fires of life's trials, he is consumed by the heat...so he flees justice. He becomes a new man wearing a new mask. But who will he be? How will he adjust to the new lives he finds himself living? How will he care for the ones he loves? The Juke is a tragedy, exploring Frank's descent from success to the darkest corners of society. He finds himself living places he could never have imagined. Along the way he builds new love, a new family, and a new life. Will he survive the ghosts of his past? Is he locked in a pattern of self-destruction?

A Bad Man, a Thug, and a Gangster Zaccheus,2017-06-08 I was inspired to write A bad man A thug and A gangster by a song I written and recorded called Bad man off of my 2015 album release.The story depicts Batro as a bad man because he is feared and formed an alliance with most of the local thugs in Guyana and then traveled to New York city when his cousin Vision called him to take over while he operation called fly and he got most of New York city strung out on the drug fly .He is a Thug because he murders and shows no remorse and he is a gangster because he is involved in extortion.

Juke Box Hero Lou Gramm, Scott Pitoniak, 2013-05 Lou Gramm rose from humble, working-class roots in Rochester, New York, to become one of rock's most popular and distinctive voices in the 1970s and '80s, singing and cowriting more than a dozen hits with the band Foreigner. Songs such as Cold As Ice, I Want to Know What Love Is, Waiting for a Girl Like You, Double Vision, Urgent, and Midnight Blue are among 20 Gramm songs that achieved Top 40 status on the Billboard charts and became rock classics still played often, nearly three decades after they first hit the airwaves and the record store shelves. *Juke Box Hero: The My Five Decades in Rock 'n' Roll* chronicles, with remarkable candor, the ups and downs of this popular rocker's amazing life--a life which saw him achieve worldwide fame and fortune, then succumb to its trappings before summoning the courage and faith to overcome his drug addiction and a life-threatening brain tumor. Gramm takes the reader behind the scenes--into the recording studio, back stage, on the bus trips and beyond--to give an insider's look into the life of the man Rolling Stone magazine referred to as the Pavarotti of rock.

Volk David Nickle, 2020-08-04 The sequel to Eutopia is “a nailbiter . . . that is spooky as hell, a critical and sharp demolition of Lovecraft’s own romanticization of eugenics” (Cory Doctorow, Boing Boing). In Eutopia, an orphaned farm boy and a black physician came face to face with monsters both human—American eugenicists—and inhuman—a parasite called the Juke. Volk is “another dive into the horrific . . . a dazzling horror novel that’s unafraid to ask questions and leave some of them unanswered” (Publishers Weekly, starred review). At the dawn of the twentieth century, Dr. Andrew Waggoner and Jason Thistledown made it out of the Idaho town of Eliada alive—but so did the Juke . . . Now, in 1931 Europe, there are those who seek to resurrect the philosophy of the founders of Eliada. Deep in the Bavarian mountains, research has begun on the creature whose seductive poison can be used in the Nazis’ quest for a master race. Still struggling with the aftershocks of their encounters with the Juke, Dr. Waggoner has become the head of a secret society in Paris dedicated to the monster’s destruction, while Thistledown is a veteran World War I pilot. Drawn back together to fight the evil that is brewing, they will be forced to confront the diabolical plans of those who will stop at nothing to reshape humanity—and the one being capable of destroying it completely . . . “The most intellectually provocative horror novel of the twenty-first century.” —Toronto Star “[Volk] cements David Nickle’s reputation as one of the leaders of his generation of writers.” —John Langan, award-winning author of *The Fisherman*

On (and Off) the Air with Juke Juke Van Oss, 2012-09-01 Holland, Michigan's 'Talk of the Town' radio show, completing 52 years in 2012, is a multiple award winner—and a big part of that attraction is its jovial host: Juke Van Oss, master of cordial replies to even the most fantastic questions. Can you find my brother who moved to Holland and lost touch with his family? Who's running for Senator in tomorrow's election? What do you do to get rid of skunks under your porch? Tune into 1450 AM any weekday morning---and ask Juke. Or ask his guests. Juke hosts legislators and other area experts on questions ranging from health care to veteran needs, fixing computers, energy conservation and other current local issues. As this memoir tells us, Juke's had an interesting life both before Talk of the Town and outside its radio hours. He was standing in his Army combat uniform on a hill in the midst of rice paddies in the Philippines when war against Japan ended. He watched Japan's General Yamashita come down out of those Luzon hills to formally surrender. He grew up in the West Holland area and served as the mayor of Saugatuck for three years. He remembers his great-grandfather and knows his great-grandson. He loved his family and loved his work. And he tells his own story with the knack learned on his radio show. Good stories, double-checked facts, and warm memories.
