Hoops Nation Chris Ballard,2004-09-30 Looking for a game?

Here's your guided tour of the country's best pickup basketball courts, from the blacktops of Brooklyn to the asphalt of Anchorage to the gyms of Jackson, Mississippi. It's all inside: where the pros play, the most scenic runs in the land, and a ranking of the top five courts. ø Chris Ballard and three other former college players piled into a used Chevy van and traveled thirty-one thousand miles in seven months, playing at over a thousand courts in 166 cities in forty-eight states. This is the story of their roundball road trip and a guide to the places, people, and communities they encountered. ø More than a travel guide, Hoops Nation is a celebration of the game of basketball as it is played in America. It includes guides to streetball fashion, the lingo of the courts, the etiquette of the pickup world, the tricks of old-guy basketball, and tips for the dunking impaired. Also included are profiles of playground legends and dispatches from the legions of basketball lifers who populate the country's courts. ø This book can tell you where they're running today, all over America. Who's got next?

Sqirl all began with jam—organic, local, made from unusual combinations of fruits, fragrant, and not overly sweet—the kind of jam you eat with a spoon. The Sqirl Jam Book collects Jessica Koslow’s signature recipes into a cookbook that looks and feels like no other preserving book out there, inspiring makers to try their own hands at canning and creating. The Book of Basketball Bill Simmons,2009-10-27 NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted

thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.
