

Jump Birdy Jump

Scott M. Fischer

Jump David McPhail, 2018-07-17 A funny story with charming illustrations--about friendship, animals, and jumping!--simple enough for the youngest readers to read on their own. Guided Reading Level A. I can jump. She can jump. A bug, a cow (over the moon, of course) . . . even a hippo can jump. Kids and animals leap into the air in this sweet, simple book by beloved children's author-illustrator David McPhail. Cozy watercolor illustrations depict the very basic text, helping beginning readers predict unfamiliar words and decode the story. Uncluttered text keeps the same basic pattern on each spread, so new readers can focus on one changing word at a time. The award-winning I Like to Read® series focuses on guided reading levels A through G, based upon Fountas and Pinnell standards. Acclaimed author-illustrators--including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors--create original, high-quality illustrations that support comprehension of simple text and are fun for kids to read again and again with their parents, teachers or on their own! Level A books, for early kindergarten, have one short sentence that repeats on every page with only one word change per spread. Images help tell the story--leading to faster decoding of sight words. This proven method starts the earliest readers on the path to reading fluency. When Level A is mastered, follow up with Level B.

Birdy William Wharton, 1992-02-04 Hailed upon its publication as a classic for readers not yet born (Philadelphia Inquirer), *Birdy* is an inventive,

hypnotic novel about friendship and family, dreaming and surviving, love and war, madness and beauty, and, above all, birdness. It tells the story of Al, a bold, hot-tempered boy whose goals in life are to lift weights and pick up girls, and his strange friend Birdy, the skinny, tongue-tied perhaps genius who only wants to raise canaries and to fly. While fighting in World War II, they find their dreams become all too real—and their lives are changed forever. In *Birdy*, William Wharton crafts an unforgettable tale that suggests another notion of sanity in a world that is manifestly insane.

How High Can You Jump? ,2015-09-27 Three friends love to play a game called Jumpers. What happens when one of the friends, Blue, decides he doesn't like coming in second anymore and he wants to be first? Blue tells Sunflower that he's going to win by jumping all the way to the moon. What about Hot Air, the third friend? Well, he's too busy being scared. Does Blue make it to the moon? Does he win? Does Hot Air get over being scared?

Jumping Jill Audrey Wood,Don Wood,2021-05-04
Jumping Jill jumps for joy across the land, alone...until she meets another talented jumper. Will the new friends inspire each other to become even better jumpers? The Films of Alan Parker, 1976-2003 David F. Gonthier, Jr.,Timothy M. O'Brien,2015-08-20 The offbeat musicals Fame 1980), Pink Floyd--The Wall (1982), The Commitments 1991) and Evita (1996)... The stylized biopics Midnight Express (1978), Mississippi Burning (1988), The Road to Wellville (1994) and Angela's Ashes (1999)... The visceral social dramas Shoot the Moon (1982), Birdy (1984), Come See the Paradise (1990) and The Life of David Gale (2003)... The one-of-kind genre films Bugsy Malone (1979) and Angel Heart (1987)... These are the films of British director, writer, producer and cartoonist Sir Alan Parker. Among many awards and a knighthood, Parker is the founding director of the Director's Guild of Great Britain, and in 2013 won the honorary British Academy of Film and Television Arts Fellowship Award. Parker is known for his humility as a director and has never considered himself an auteur: I have total admiration for film crews. They are the true

heroes of the filmmaking process, not directors. He has worked alongside producer Alan Marshall, cinematographer Michael Seresin and the late film editor, Gerry Hambling. This book is the first study of his complete body of feature films (1976-2003).

Jump! Scott M. Fischer, 2011-04-19 When a bug sleeping on a jug is chased by a frog, he has to jump to get away. But then that frog (who's sleeping on a log) is in for a similar surprise! He's attacked by a cat...who needs to jump away from a dog...and on it goes, until not even a shark is free from getting a little fright! Building on repetition that's fun to read and fun to listen to, *Jump!* is a rip-roaring, read-aloud with simple rhymes and lively illustrations that leap off the pages.
