Report of the Twenty-sixth Session of the Committee on Fisheries Food and Agriculture Organization of the United Nations. Committee on Fisheries. Session,Food and Agriculture Organization of the United Nations,2005 The twenty-sixth session of the Committee on Fisheries (COFI) was held in Rome, Italy, from 7 to 11 March 2005. The Committee reviewed the issues of an international character and the programme of work of the FAO Fisheries Department in fisheries and aquaculture. The Committee commended FAO on its report on the implementation of the Code of Conduct for Responsible Fisheries and its associated instruments and called for a decade of implementation of the various instruments developed to ensure responsible fisheries. The Committee called upon Members to accept, ratify or accede to, as appropriate, these instruments. The Committee encouraged FAO to elaborate additional guidelines in support of the Code, including one for the implementation of the International Plan of Action for the Management of Fishing Capacity. The need to initiate international negotiations on the monitoring of fishing vessels within the framework of the Code of Conduct concerning its implementation was underlined. The Committee welcomed the revised Code and Voluntary Guidelines for the Design, Construction and Equipment of Small Fishing Vessels that had been prepared by FAO, the International Labour Organization and the International Maritime Organization. The Committee expressed concern at the proliferation of international fora addressing fisheries matters, some of which lacked sound technical and scientific bases for discussion. The FAO's medium- to long-term rehabilitation strategy for the fisheries and aquaculture sector in countries affected by the Tsunami was endorsed. Guidelines on ecolabelling of fish and fishery products were adopted. The Committee agreed to give greater attention to small-scale fisheries and to allocate more resources in their support. The Committee expressed its appreciation to FAO and donor countries for giving greater attention to small-scale fisheries and for allocating more resources in their support. It welcomed the advance version of the Code of Conduct Guidelines on Enhancing the Contribution of Small-Scale Fisheries to Poverty Alleviation and Food Security. The Committee stressed that COFI and FAO should continue

to provide leadership and maintain an assertive role in fisheries. The Committee commended FAO for the improvements made in the presentation of the Medium Term Plan and Preliminary Programme of Work Proposals for 2006-2007. The Committee underlined that additional allotments should be made to the Major Programme 2.3 Fisheries. Book jacket.

613992 Introduction

In the digital age, access to information has become easier than ever before. The ability to download 613992 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download 613992 has opened up a world of possibilities. Downloading 613992 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading 613992 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and

personal growth. There are numerous websites and platforms where individuals can download 613992. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading 613992. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading 613992, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download 613992 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
