Adenocarcinoma of the Esophagogastric Junction Simone Giacomuzzi,Andrea Zandoni,Giovanni de Manzoni,2017-02-23 This book offers up-to-date and comprehensive coverage of the diagnosis and therapy of adenocarcinoma of the esophagogastric junction (EGJ). As is appropriate in the era of multidisciplinary and multimodal treatment, the contributions of all the various specialists involved cooperatively in the treatment of EGJ cancer are thoroughly described. Detailed attention is also paid to the significance of preneoplastic lesions, such as Barrett esophagus. The final part of the book represents a surgical atlas documenting the techniques used in the EGJ region, with superb color images and stepwise description of procedures. Against the background of the rapidly increasing incidence in EGJ cancer, especially evident in Western countries, there is a need for greater uniformity in management strategies, which currently vary significantly across the world. This book provides appropriate guidance that will assist all practitioners involved in the diagnosis and treatment of EGJ cancers, including surgeons,

oncologists, and radiotherapists.

The Message of Isaiah Barry G. Webb, 2023-11-07 The book of Isaiah is outstanding in its brilliance of style, poetic power, and foretaste of the hope of the gospel. It tells how God himself has provided the highway to holiness for those who have been redeemed. These are images that evoke the exodus from Egypt and foreshadow Christ's achievement at the cross. There is joy even in Isaiah's portrayal of judgment—rebuilding within the demolition, the new replacing the old—as world events reveal God's hand. In the visionary world of Isaiah, the varied themes and imagery of the Old Testament converge and blend as they project an extraordinary climax of the story of Israel and of the world. Barry Webb calls Isaiah the Romans of the Old Testament, where all the threads come together and the big picture of God's purposes are most clearly set forth. Attuned to the magnificent literary architecture of Isaiah, Webb escorts us through this prophecy and trains our ears and hearts to resonate with its great biblical-theological themes. Part of the beloved Bible Speaks Today series, *The Message of Isaiah* offers an insightful, readable exposition of the biblical text and thought-provoking discussion of how its meaning relates to contemporary life. Used by students and teachers around the world, the Bible Speaks Today commentaries are ideal for those studying or preaching the Bible and anyone who wants to delve deeper into the text. This revised edition of a classic volume features lightly updated language and a new interior design.
