**The Jungle Book** Rudyard Kipling,1920

Classic Starts®: The Jungle Book Rudyard Kipling,2023-12-05 Run with the jungle animals in this illustrated chapter-book retelling of The Jungle Book, part of the bestselling Classic Starts® series that has sold more than 8 million copies! Mowgli has lived among his wolf brothers for as long as he can remember. Baloo and Bagheera teach him the ways of the jungle, but some animals view him as a threat—or, even worse, as prey. Can Mowgli find a place where he truly belongs? This abridged retelling is the perfect way to introduce young readers to Mowgli's life among elephants, giant snakes, and monkeys. The book also includes discussion questions.

**The Jungle Book and Other Classics** Rudyard Kipling,2016-12-15 The Jungle Book and Other Classics collects three timeless adventure classics by Rudyard Kipling: The Jungle Book features tales of Mowgli, the man-cub, a young boy taught the Law of the Pack by jungle animals who have raised him as one of their own. This book also includes Rikki-Tikki-Tavi, Kipling's classic tale of a courageous mongoose who protects the human family that raised him from the sinister cobra Nagiana. The Second Jungle Book features more tales of Mowgli, his jungle family, and the conflicts he experiences as he outgrows the world of his native habitat. Kim is Kipling's tale of orphan Kimball O'Hara, who is living a vagabond life on the streets of India when he is put to work by the British secret service as an agent involved in the intrigues of the Great Game, a political conflict between Great Britain and Russia.

**The Third Jungle Book** Pamela Jekel,1992 Presents new adventures of Mowgli as he grows into manhood among the animals of the Indian jungle and seeks knowledge of the Law of the Jungle.

The Jungle Book: Mowgli's Adventures Joe Rhatigan,Charles Nurnberg,2016-10-10 Rudyard Kipling's tale of a young boy lost in the jungles of India introduces young children to the magic of the original classic tale. The Jungle Book: Mowgli's Adventures adapts Rudyard Kipling's timeless tale of a young boy lost in the jungles of India for young children. This delightfully written and illustrated book focuses on the magic of the jungle and the one-of-a-kind characters and fantastical situations that Mowgli finds himself in. The Jungle Book: Mowgli's Adventures tells the simple story of Mowgli, who is raised by Mother and Father Wolf and taught the ways of the jungle by Baloo the bear. While this is a faithful introduction to the classic, it doesn't attempt to cover all the action from the original story and its adaptations-the story focuses on the parts children will understand and enjoy. The Jungle Book: Mowgli's Adventures is a magical introduction children will recall when they are older and ready for the original work.

**The Jungle Books** Rudyard Kipling,2012-06-30 The Jungle Books tell the story of the irrepressible Mowgli, who is rescued as a baby from the jaws of the evil tiger, Shere Khan. Raised by wolves and guided by Baloo the bear, Mowgli and his animal friends embark on a series of hair-raising adventures through the jungles of India.

**The Jungle Book (100th Anniversary Edition)** Rudyard Kipling,2020-06-09 A nice edition with 60 illustrations from various artists. The Jungle Book (1894) is a collection of stories by the English author Rudyard Kipling. Most of the characters are animals such as Shere Khan the tiger and Baloo the bear, though a principal character is the boy or man-cub Mowgli, who is raised in the jungle by wolves. The stories are set in a forest in India; one place mentioned repeatedly is Seonee in the central state of Madhya Pradesh. A major theme in the book is abandonment followed by fostering, as in the life of Mowgli, echoing Kipling's own childhood.

**The Complete Mowgli of the Jungle Book Stories** Rudyard Kipling,2015-04-15 Selected from The Jungle Book, The Second Jungle Book, and Many Inventions, this edition presents in chronological order every tale that Kipling wrote about the feral boy known as Mowgli.

**The Jungle Book** Rudyard Kipling,2005-03-11 An abridged version of the story complete with vocabulary and comprehension checks for beginning readers.

The Jungle Upton Sinclair,2010-08-19 A searing novel of social realism, Upton Sinclair's The Jungle follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

**THE SECOND JUNGLE BOOK - The sequel to The Jungle Book** Rudyard Kipling,2018-09-13 Herein are a further 16 illustrated children's stories and poems by English author Rudyard Kipling, set in the Seoni Jungle of Madhya Pradesh, India. This is the sequel to his equally famous "THE JUNGLE BOOK", both are now considered to be classics of children's literature. This volume features five stories about Mowgli plus three unrelated stories, all but one set in India. Once again the supporting cast of characters are animals from The Jungle Book such as Akela the wolf, Shere Khan the tiger, Baloo the bear and Kaa the python are amongst the many which feature. All are just as captivating and alive with jungle tradition as they were in the first Jungle Book. The stories were first published in magazines in 1893 94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont. There is evidence that it was written for his daughter Josephine, who died in 1899 aged six, after a rare first edition of the book with a poignant handwritten note by the author to his young daughter was discovered at the National Trust's Wimpole Hall in Cambridgeshire in 2010.
