**The Green Felt Jungle** Ed Reid,Ovid Demaris,1965 The Green Felt Jungle was the first book that dares to penetrate the mirage of Las Vegas, the respectable, fun-loving resort where carefree tourists may innocently and legally indulge in gambling. In a carefully documented expose (which includes some astounding, secretly taped confidential conversations), the authors explore the real Las Vegas-a clever (and profitable) front for organized crime.Everything is legal, of course-everything except mysterious, unreported murders, systematic tax evasion, widespread prostitution, tacit segregation, and the graft that greases the entire system.Why was Bugsy Siegel, the founder of modern Las Vegas, liquidated? Who are some of Frank Sinatra's sinister partners in the Sands Hotel? How large is Jimmy Hoffa's interest in the glittering hotels along the Strip? Guess who some of Senator Barry Goldwater's companions have been on his numerous gambling junkets. And why was the body of a United States Senator who died just before election day preserved in a bathtub full of ice until all the returns were in?Citing irrefutable evidence, the authors expose the ways in which some of the nation's top criminals, under the pretense of operating legitimate businesses, are actually pouring millions of tourist-trade dollars into the coffers of the Mafia. They name the hidden interests who really control the casinos and disclose the hypocrisy and corruption that surround public officials on virtually every level of government.Also explained in detail are the tourist's actual chances of coming away a winner, the various house percentages, the subtle devices used to lure players to the tables-and keep them there. Ironically, the gambling equipment is possibly the only thing in Las Vegas that is really on the level.

*Merchants of Menace - The Mafia* Edward J. Allen,2016-10-21 Originally published in 1962, The Merchants of Menace analyzes Mafia activity in the United States. Described as an authoritative effort to explain organized crime, the book draws on author Edward J. Allen’s experiences during the late 1940s and early 1950s whilst serving as the Chief of the Police Department in Youngstown, Ohio—a city at the time corrupted by Mafia influence from nearby Detroit and Buffalo, N.Y.—and his crack-down on gambling, prostitution and gangster ties. With over 30 illustrations.

*The Mob in Youngstown* Thomas Hunt,James Barber,Justin Cascio,Margaret Janco,Thom L. Jones,Michael A. Tona,Edmond Valin,2022-11-01 Murdertown, Bombtown, Crimetown. Through decades, the City of Youngstown, Ohio, has been branded with such painful nicknames, due in large part to the rackets, violence and corruption of organized crime in the region. The streets of Youngstown and other communities in the Mahoning and Shenango valleys of northeastern Ohio and western Pennsylvania have been bloodied through numerous shootings and stabbings and, during an especially disturbing period, a series of gruesome car-bombings. In too many cases, public officials and officers of the law were complicit in the criminal activity, profiting through bribery and graft. Some authorities who resisted corruption and attempted to perform their public duties found themselves the targets of underworld violence. In this November 2022 issue of Informer: The History of American Crime and Law Enforcement, we tackle the history of organized crime in Youngstown region, from the earliest reports of the 1890s through the apparent dissolution of the Mob presence more than a century later. It is a complex subject, as elements of at least four regional Mafia organizations and a persistent non-Mafia Calabrian organization, in addition to other criminal elements, all collided, cooperated, combined and clashed with each other at different times. This resulted in a wealth of interesting but often uncoordinated stories and personalities. Our strategy for dealing with the subject is to present a number of individual standalone articles on the more interesting of these stories, bringing to light the significant personalities, groups, areas and eras. The effort might be compared to the photographic “stitching” of a collection of images into a panorama. Readers will discover the secret criminal organizations behind names like Society of Honor, Sacred Circle and Society of the Banana and will encounter such characters as Fats Aiello, Ernie Biondillo, Frank Cammarata, Cadillac Charlie Cavallaro, Joe Cutrone, Tony Dope Delsanter, Vince DeNiro, Wolf DiCarlo, Big Jim Falcone, Mike Farah, Red Giordano, Big Dom Mallamo, Dominick Moio, Two-Gun Jimmy Prato, Rocco Racco, Rocco Strange, Lenny Strollo, Zebo Zottola, along with the Barber brothers, the Carabbia brothers, the Naples brothers, the Romeo brothers and many more. While it is our hope that a coherent image of the history of Youngstown-area organized crime (and its connections to criminal entities outside the region) will emerge, we are concerned by the fact that some of our individual historical “snapshots” do not overlap with or even touch each other while others may overlap quite a bit. We hope that the obvious voids and repetitions will not be a great distraction and that, with some patience, our readers will be able to “get the picture.” Contributors to this Informer issue: James Barber, Justin Cascio, Margaret Janco, Thom L. Jones, Michael A. Tona, Edmond Valin and Thomas Hunt

**Jugari Cross** Poornachandra Tejasvi,2020-09-18 Jugari Cross is a suspense thriller woven around the everyday incidents that occur with an ordinary farming couple's life. The story set within 24 hours is not just a typical suspense thriller with a trace of history and a literary quest, but enormously stimulates the reader to analyze the broader spectrum of philosophy, literature, and the principles of global economies established around us. I hope the reader community will appreciate how this suspense thriller gives the glimpses of nature, ecology, social reforms, literature, global/local economies, and many more social dimensions.

**Girlfriends and Postfeminist Sisterhood** A. Winch,2013-11-06 From Mean Girl to BFF, Girlfriends and Postfeminist Sisterhood explores female sociality in postfeminist popular culture. Focusing on a range of media forms, Alison Winch reveals how women are increasingly encouraged to strategically bond by controlling each other's body image through 'the girlfriend gaze'.

**Gangster Priest** Robert Casillo,2006-01-01 Widely acclaimed as America's greatest living film director, Martin Scorsese is also, some argue, the pre-eminent Italian American artist. Although he has treated various subjects in over three decades, his most sustained filmmaking and the core of his achievement consists of five films on Italian American subjects - Who's That Knocking at My Door?, Mean Streets, Raging Bull, GoodFellas, and Casino - as well as the documentary Italianamerican. In Gangster Priest Robert Casillo examines these films in the context of the society, religion, culture, and history of Southern Italy, from which the majority of Italian Americans, including Scorsese, derive. Casillo argues that these films cannot be fully appreciated either thematically or formally without understanding the various facets of Italian American ethnicity, as well as the nature of Italian American cinema and the difficulties facing assimilating third-generation artists. Forming a unified whole, Scorsese's Italian American films offer what Casillo views as a prolonged meditation on the immigrant experience, the relationship between Italian America and Southern Italy, the conflicts between the ethnic generations, and the formation and development of Italian American ethnicity (and thus identity) on American soil through the generations. Raised as a Catholic and deeply imbued with Catholic values, Scorsese also deals with certain forms of Southern Italian vernacular religion, which have left their imprint not only on Scorsese himself but also on the spiritually tormented characters of his Italian American films. Casillo also shows how Scorsese interrogates the Southern Italian code of masculine honour in his exploration of the Italian American underworld or Mafia, and through his implicitly Catholic optic, discloses its thoroughgoing and longstanding opposition to Christianity. Bringing a wealth of scholarship and insight into Scorsese's work, Casillo's study will captivate readers interested in the director's magisterial artistry, the rich social history of

Southern Italy, Italian American ethnicity, and the sociology and history of the Mafia in both Sicily and the United States.

Harnot's translated short story collection, and explores the social, political, religious, and cultural milieu of the state of Himachal Pradesh, India. Written in the zeitgeist of Pahari life, his stories hold universal appeal. These stories delineate the range of difficulties and absurdities and the joys and rewards of life in this mountainous region. **The Boardwalk Jungle** Ovid Demaris, 2016-12-08 This long out-of-print book is reprinted here because in Chapter 30 entitled Trumping Up the Boardwalk, starting on page 379, it reveals the compromises President-Elect Donald Trump made and had to make with the Mafia that was in control of Atlantic City to get his foot in the door. It reveals how Trump was able to use his connections to get in control of Atlantic City casinos without putting in a dime of his own money. These reports have been recently confirmed by The New York Times. It also reveals why Trump had to keep his strange alliance with the obviously corrupt Governor of the State of New Jersey. I've said it before and I will repeat it again to organized crime. Keep your filthy hands off of Atlantic City! Keep the Hell out of our state. New Jersey Governor, June 2, 1977 (the date he signed the Casino Control Act) This warning was in vain. Powerful crime families were already muscling their way into Atlantic City. Their methods were extortion, bribery and when necessary murder. Atlantic City became The Boardwalk Jungle. Acclaimed Journalist and author Ovid Demaris, the man who revealed Las Vegas to the world in The Green Felt Jungle, now gives us the shocking true story of how Atlantic City went from seaside haven to Mafia Mecca. From licensing hearings to wiretapped conversations, from the governors office to the gambling tables, the author names names and shows us the chilling truth of how greed money and terror conquered a state. Here you will learn the inside the inside story behind each casino - Resorts International, Caesars Boardwalk Regency, Bally Park Place, Playboy/Atlantas, Harrah's, Tropicana, Sands, Claridge, Trump Plaza and the Trump Castle. As the glittering extravaganzas shot skyward, the rest of the city withered to a slum, overrun by loan sharks, thieves and prostitutes. The Boardwalk became a billion dollar capital of crime as bad if not worse than Las Vegas.

**African American Organized Crime** Rufus Schatzberg, Robert J. Kelly, 1997 Comprehensive and objective, this study argues that organized crime in the United States results from the struggle to attain the elusive American Dream to achieve success at any cost by any means. The authors examine the social, economic, political, and cultural conditions that fostered growth of criminal groups and organizations in African American communities from the post-Civil War era to the ghettos of today.

**Vernacular Rights Cultures** Sumi Madhok, 2021-05-31 How to decolonise global human rights? And, how to tell different stories of rights and human rights? Vernacular Rights Cultures argues that decolonising global human rights requires a serious epistemic accounting of the historically and politically specific encounters with human rights, and of the forms of world-making that underpin the stakes and struggles for rights and human rights around the globe. Through combining ethnographic investigations with political theory and philosophy, it goes beyond critiquing the Eurocentrism of global human rights, in order to document and examine the different political imaginaries, critical conceptual vocabularies, and gendered political struggles for rights and justice that animate subaltern mobilisations in 'most of the world'. Vernacular Rights Cultures demonstrates that these subaltern struggles call into being different and radical ideas of justice, politics and citizenship, and open up different possibilities and futures for human rights.

**Safari Crime** Alex a King, 2021-04-19 In the jungle, the mighty jungle, the liars sleep tonight ... Kat Makris is back and drowning in misery. It's been two weeks since Xander went missing, and the only news is no news. But her fortunes change when she discovers her father is about to launch a one-man expedition to Africa in search of the delicious (and useful) henchman. Kat's not about to let her dad go alone-or at all. After a touch of skullduggery, and for excellent reasons (in Kat's mind), she's the one hurtling toward Mogadishu in a flying tin can. Unfortunately, she's bringing along an unwanted sidekick: Dina, her father's ex, who is sticking to Kat like glue. Once again, nothing goes to plan, and Kat finds herself on an unexpected goose chase, spiraling across the globe and into the path of a crazy singing general, her least favorite relatives, and a monkey with a penchant for wigs. Kat's starting to suspect she's cursed, or possibly just Greek.

*Tales of a Modern Nomad* John Early, 2016-10 One seasoned traveler's diaries, photos, song lyrics and photos of worldwide backpacking over the past decade, along with educational sidebars and tips for novice backpackers.--

**Mr. Mob** Michael Newton, 2009-06-08 Morris "Moe" Dalitz was America's most secretive and most successful mobster. As a major architect of the United States' national crime syndicate, Dalitz was active in various fields of organized crime from 1918 until his death, all while spinning a web of myth and mock-respectability around himself so dense that decades after his demise, most mistake the legend for reality. From Prohibition-era bootlegging to the Reagan years, no other individual was present at so many pivotal events in gangland history. It's impossible to fully understand the modern Mob without knowing about Dalitz, his career, and the cunning publicity campaign that transformed his image from thug to that of a revered philanthropist. This exhaustive biography tells the story of Dalitz's life and the syndicate that he and like-minded individuals built from scratch.

**OMERTA MAFIA CODE OF SILENCE** Rona Newton & Mark Biermann, 2015-09-22 Marko Bennett a handsome young marine recently returned home from two and a half years in the 'Special Services,' in the front line in Afghanistan, fighting against the Taliban. Edward Martin, Head Attorney for the Mafia, based in New York, takes young Marko under his wing setting him up as personal assistant to his wife Alessandra who has a label in the Fashion Industry. He has a steamy romance with their daughter Georgia who also works for the massive Fashion Enterprise. Actively entrenched in the Mafia as activities and hanging out with the Cartels son, he becomes involved with the Cartels daughter Francesca and falls madly in love. A twist of fate leads him back to New York on a revenge fuelled rampage of murder and bloodshed linking all the way to the White House. Now a 'Captain' with the mob, he is fully entrenched in the day to day activities of the mob,

*Johnny June's Jungle* L. R. Allen,2017-10-24 The reader will doubt the claim, but this story is mostly true. It is based on the diary of the man who lived it and gave me an envelope of used one hundred dollar bills to write it. I don't mind telling you, there were stains on some of those bills that sure looked like blood-splatter. When Johnny passed it over the dim bar table, I wasn't sure I was going to get out alive. Even though his name is not 'Johnny June', when this book hits the shelves, the Mafia guys he's grassed on will hit the streets, scouring the country for him. Johnny June's story has it all, and will probably be a Hollywood movie one day; if there's a director brave enough. High-grade marijuana from South America came through New Orleans to supply Little Rock's 'upper crust folks' ... and man, did those aristocrats have an appetite! Murder, drug-running, shootings, prostitution, sex, trafficking, you lift a newly-laid piece of turf in Johnny June's trail, you'll find pieces of a body. This is an adult story, I make no apology for it. If you're a fan of the genre, you'll enjoy this ... Just don't go turning over any loose turf you find ....--Page 4 of cover.

*Poverty and Inequality in Middle Income Countries* Einar Braathen,Julian May,Marianne Ulriksen,Gemma C. Wright,2016-04-15 This collection offers a timely reassessment of viable ways of addressing poverty across the globe today. The profile of global poverty has changed dramatically over the past decade, and around three-quarters of the poor now live in middle income countries, making inequality a major issue. This requires us to fundamentally rethink anti-poverty strategies and policies, as many aspects of the established framework for poverty reduction are no longer effective. Featuring contributions from Latin America, Africa and Asia, this much-needed collection answers some of the key questions arising as development policy confronts the challenges of poverty and inequality on the global, national and local scale in both urban and rural contexts. Providing poverty researchers and practitioners with valuable new tools to address new forms of poverty in the right way, Poverty and Inequality in Middle Income Countries shows how a radical switch from aid to redistribution-based social policies is needed to combat new forms of global poverty.

*Negotiating Marginality* Rajakishor Mahana,2019-02-26 Providing a critical ethnography of five different tribal movements fighting against the mega-industrialization projects in Odisha, India, the book presents a thick description of the confrontation of the tribals to the authoritative forces of state domination. This confrontation, a counter-hegemonic discourse, is neither antagonistic to change nor anti to development, but rather in fact, the author argues, that the tribals are the subaltern citizens who aspire for not only more material and economic prosperity but also freedom – freedom from domination and deprivation. The book therefore seeks to answer one important question: how do the tribals appropriate marginality in their everyday lives in challenging domination and celebrating their desires, wishes, anticipations and material prosperity as well as in coping with the ruins of frustration and suffering. Drawing on long-term ethnographic fieldwork carried over a decade (2006-16), this book provides empirical evidences and conceptual explorations on the resistance of subaltern citizens against domination. The author challenges current theories of social movements which claim that a cultural critique of the ‘development’ paradigm is writ large in the political actions of those marginalized by ‘development’ – tribals who lived in harmony with nature, combining reverence for nature with the sustainable management of resources. On the other hand, questioning the established notion of ‘marginality as a problem’, the author re-visits ‘marginality’ as a possible site that nourishes the capacity of the tribals to resist and to imagine and create a new world. The complexity of tribal politics, then, cannot be reduced to an opposition between ‘development’ and ‘resistance’. The book therefore persuades us to re-examine the politics of representation within the ideology of progressive movements. Please note: Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka
