**DP Hallahan**

**Don't Stop Believin'** Brian Raftery, 2008-12-09 Armed with a keen eye and a terrible singing voice, writer Brian Raftery sets out across the globe, tracing karaoke's evolution from cult fad to multi-million dollar phenomenon. In Japan, he meets Daisuke Inoue, the godfather of karaoke; in Thailand, he follows a group of Americans hoping to win the Karaoke World Championships; and in New York City, he hangs out backstage with the world's longest-running heavy-metal karaoke band. Along the way, Raftery chronicles his own time as an obsessive karaoke fan, recalling a life's worth of noisy relationships and poor song choices, and analyzing the karaoke-bar merits of such artists as Prince, Bob Dylan and Fugazi. Part cultural history, part memoir, *Don't Stop Believin': How Karaoke Conquered the World and Changed My Life* is a hilarious and densely reported look at the liberating effects of a good sing-along.

*Karaoke* Xun Zhou, Francesca Tarocco, 2013-06-01 *Dancing Queen*. Respect. Brandy (You're a Fine Girl). There are some songs so infectious that you can't help but belt out the lyrics along with the singer. Karaoke—meaning “empty orchestra” in Japanese—gets rid of the singer and leaves you in the spotlight alone. It is the social manifestation of our desire to sing, in tune or out, and in three short decades, it has exploded into a worldwide craze. In this unprecedented study, Zhou Xun and Francesca Tarocco engagingly examine karaoke and all its associated kitsch, crime, and weirdness. Usually thought of as the pastime of desperately bad singers and slurring drunks, karaoke has never enjoyed a particularly stellar image. Xun and Tarocco, however, reveal its surprisingly complex history and significant cultural impact around the world. Originating in postwar Japan, karaoke soon spread to Southeast Asia and the West. Karaoke traces

how it became a wildly successful social phenomenon that constantly evolved to keep pace with changes in technology and culture. Drawing on extensive research and international travels, the authors chart the varied manifestations of karaoke, from karaoke taxis in Bangkok to nude karaoke in Toronto to the role of karaoke in prostitution. Extensive personal anecdotes reveal the dramatic range of social experiences made possible by karaoke and how the obsession with performance and song has touched politics, history, and pop culture throughout global society. Karaoke bars are at the heart of rich escapist fantasies and the authors—in readable fashion and using vibrant full-color illustrations—document this unpredictable fantasy world and the people who inhabit it. Karaoke, therefore, will delight anyone who has had the courage to take the mike and front the “empty orchestra.”

**Cheap Bastard's™ Guide to Las Vegas** Shaena Engle, 2010-11-23

Las Vegas is full of free and ridiculously cheap stuff—one just needs to know where to look. Leave it to “The Cheap Bastard” to uncover all the ins and outs and exclusive bargains to be had, and to set forth the real deal with wit and humor.

*New York Magazine*, 1995-01-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Impacts of the Covid-19 Pandemic** Nadav Morag, 2022-11-01

IMPACTS OF THE COVID-19 PANDEMIC Enables Readers to

**Understand the Impact of International Legislative and Policy Responses to the COVID-19 Pandemic** The wide array of legal and policy responses to the COVID-19 pandemic have significant implications regarding the functioning of countries and their respective societies. This book addresses the impact of international legislative and policy responses to the COVID-19 pandemic in a range of countries. To aid the reader in understanding country-specific developments, each chapter focuses on a specific country and addresses the legal frameworks and policy approaches used to support measures to prevent transmission and otherwise reduce the impact of the virus on society and the economy. Sample topics discussed in the work include: The effect certain policies may have on civil liberties, such as due process, and the right to privacy in specific countries The provision of public goods in the face of the pandemic Policymakers in public health agencies and other branches of government, along with academics studying global pandemic response, homeland security, and emergency management will be able to use this book as a comprehensive resource to understand the current state of COVID-19 policies around the world and the potential future effects of these policies.

**The Rough Guide to New Zealand** Paul Whitfield, 2010-09-01 The Rough Guide to New Zealand is the essential guide to this spectacular country, with lively coverage of its coolest cafés, most vibrant nightlife, best sights and hotels and tastiest restaurants and bars. Everyone from the country Rambler to the fearless adventurer, wine buffs to Lord of the Rings fanatics are catered for in this comprehensive guide; with colour sections providing a guide to New Zealand's highlights - whether exploring Maori culture, getting stuck into adventure sports or keying into the country's unique ecology.

There's thorough coverage of New Zealand's magnificent scenery: craggy coastlines, sweeping beaches, primeval forests, snow-capped mountains and bubbling volcanic mud pools. You'll also find historical and cultural information - even teaching you how to do the world-famous haka. The Rough Guide to New Zealand is rounded off with detailed town maps to help you get around and stunning photography that brings this extraordinary country to life. Make the most of your time on earth with The Rough Guide to New Zealand.

*Forbes*, 2008

The Korean Wave in Southeast Asia Joanne B.Y. Lim, The Korean Wave in Southeast Asia offers fresh details and new perspectives on the globalization of Korean popular culture, better known as 'Hallyu'. Focusing on the dissemination, localization, consumption and fandom of Korean TV dramas, films, pop music and other forms of youth culture within the cultural geography of Southeast Asia, the chapters in the book offer a compelling analysis of the globalization of Hallyu and detail the various social and cultural mechanisms involved. Deeply accomplished, this book will be a valuable resource for scholars interested in cultural and social change

in Southeast Asia, as well as for graduate and undergraduate students learning about popular culture in Asia. Nissim Otmazgin Chair of the Department of Asian Studies, The Hebrew University of Jerusalem and author, *Regionalizing Culture: The political economy of Japanese popular culture in Asia* (University of Hawai'i Press, 2013). This book proves to be an important addition to the growing scholarship on the Korean Wave and the resulting new pop culture trends in Southeast Asia. In addition to introducing new concepts for further comparative research, the roster of case studies on Hallyu consumption and production in the region (informed by interdisciplinary expertise) offer readers fresh analyses and diverse experiences of the phenomenon. The publication of this collection is timely for our new course elective focusing on the 'Korean Wave', in which this book will certainly be a required reading. Sarah Domingo Lipura Associate Director, Ateneo Initiative for Korean Studies, Ateneo De Manila University (Philippines)

New York Magazine ,1995-01-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. ### **K-pop - The International Rise of the Korean Music Industry**

JungBong Choi,Roald Maliangkay,2014-09-15 K-pop, described by Time Magazine in 2012 as South Korea's greatest export, has rapidly achieved a large worldwide audience of devoted fans largely through distribution over the Internet. This book examines the phenomenon, and discusses the reasons for its success. It considers the national and transnational conditions that have played a role in K-pop's ascendancy, and explores how they relate to post-colonial modernisation, post-Cold War politics in East Asia, connections with the Korean diaspora, and the state-initiated campaign to accumulate soft power. As it is particularly concerned with fandom and cultural agency, it analyses fan practices, discourses, and underlying psychologies within their local habitus as well as in expanding topographies of online networks. Overall, the book addresses the question of how far Asian culture can be global in a truly meaningful way, and how popular culture from a marginal nation has become a global phenomenon.

*New York Magazine* ,1995-01-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
