Jon Courson's Application Commentary Jon Courson,2013-07-22 Few Bible commentators simultaneously articulate both insightful spiritual truths and memorable life applications for readers who want to be relevant witnesses for Jesus Christ. Gifted Bible preacher and inspiring teacher Jon Courson effortlessly combines both in this easy-to-read, verse-based devotional commentary set. Pastor Jon's years of immersion in God's Word, as he regularly preached from the Bible, produced faithful, valuable teaching that is both a scholarly work and an encouragement for living the Christian life. His Application Commentary Series combines the following elements in a unique blend of pertinent information and needed inspiration: Deep love for God's word Colorful cultural insights Insightful historical information Applicable topical studies Vivid illustrations and stories Humorous, practical, and inspiring life lessons The three volumes of this devotional commentary offer thorough and comprehensive teaching on every paragraph in the Bible along with practical, in-depth topical studies. Courson has amassed a wealth of understanding in a very readable and comfortable expositional style. Volumes include: Volume 1, Old Testament, (Genesis-Job) Volume 2, Old Testament (Psalms - Malachi) Volume 3, New Testament (Matthew - Revelation)

Kitten Kaboodle Anna Wilson,2011-02-28 Ten-year-old Bertie Fletcher has only ever wanted one thing - a pet - but her grumpy dad won't allow her so much as a goldfish. So, to score herself plenty of animal time, she sets up a secret pet-sitting service. The perfect solution . . . or is it? Her first ward, Kaboodle, may just give her more than she bargained for! A funny, heart-warming and slightly cat-astrophic story about a kitten whose tongue is sharper than his claws.

Social Commerce Efraim Turban,Judy Strauss,Linda Lai,2015-11-17 This is a multidisciplinary textbook on social commerce by leading authors of e-commerce and e-marketing textbooks, with contributions by several industry experts. KittenKaBoodle! Tom Gerou, Welcome to the cats' world in KittenKaBoodle! In this set of pieces, cats are colorfully and comically portrayed in musical settings that are at once fun and fanciful. Lyrics in each piece tell a clever and often silly story meant to amuse and delight. Piano students at this early level are invited to enjoy pieces such as Picture Purrfect, Flea Season and Cowboy Calico. Accompaniments are included for all pieces, making excellent student-teacher duets. We're sure you'll enjoy the whole KittenKaBoodle!

Electronic Commerce Efraim Turban,David King,Jae Kyu Lee,Ting-Peng Liang,Deborrah C. Turban,2015-01-29 Throughout the book, theoretical foundations necessary for understanding Electronic Commerce (EC) are presented, ranging from consumer behavior to the economic theory of competition. Furthermore, this book presents the most current topics relating to EC as described by a diversified team of experts in a variety of fields, including a senior vice president of an e-commerce-related company. The authors provide website resources, numerous exercises, and extensive references to supplement the theoretical presentations. At the end of each chapter, a list of online resources with links to the websites is also provided. Additionally, extensive, vivid examples from large corporations, small businesses from different industries, and services, governments, and nonprofit agencies from all over the world make concepts come alive in Electronic Commerce. These examples, which were collected by both academicians and practitioners, show the reader the capabilities of EC, its cost and justification, and the innovative ways corporations are using EC in their operations. In this edition (previous editions published by Pearson/Prentice Hall), the authors bring forth the latest trends in e-commerce, including social businesses, social networking, social collaboration, innovations, and mobility.

1001 Best Internet Sites for Educators Mark Treadwell,2001-06 This second edition of a resource designed to help teachers find relevant information on the Internet for both themselves and their students, provides concise reviews of more than 1,000 Web sites sorted by subject area. Each site is evaluated with one to five stars for content, presentation and grade level. Easy-to-follow explanations are provided of how each site can be used in the classroom. Also presented are search tips to help teacher find more sites on their own. Besides the rating of Internet sites, the book includes information on hardware and software requirements, safety on the Internet, plug-ins, and helpful information such as criteria for site selection and searching the Web. An element called Finding Where You Have Been helps teachers relocate sites they have viewed. Other helpful features are Searching the Web and a Glossary of Terms to familiarize teachers and students with the Internet. The introductory material on Safety on the Internet provides guidelines for teachers. A generic Acceptable Use Policy is also included that is copyright-free for schools to adapt to their needs. Recommendations for filtering software are offered for Internet use in places where individual monitoring is not possible, such as libraries. Data is provided on an Internet license system in which parents or caregivers sign an agreement for their child to access the Internet. Sites are provided under the following curriculum areas: language arts; mathematics; science; foreign languages; general and professional sites for educators; health and physical education; information and communication; music and performing arts; technology in education; and visual arts.
