Kenneth N. Johnson

Tournament Town, Kansas City Blair Kerkhoff, Kansas City Star (Firm), 2012 The madness started in Kansas City. Long before 68-team brackets, championships in massive stadiums, selection Sunday and even Dickie V., college basketball tournament frenzy was a March tradition in Kansas City. From the first tip-off in 1905--an event that attracted thousands--tournaments of the AAU, NAIA, NCAA and Big Eight/12 found homes in the downtown landscape and became part of Kansas City's sports DNA--Front jacket flap.

The Holy Grail of Hoops Josh Swade, 2013-08-01 When Josh Swade found out that the original 13 rules of basketball, penned by Dr. James Naismith—the father of modern basketball—were up for auction, he knew that it was his duty as a lifelong Jayhawks fan to make sure that they ended up where they belonged. Penned in 1891, Naismith's original rules were auctioned off by Sotheby's in New York City on December 10, 2010. Upon hearing the news that Naismith's grandson, Ian Naismith, had offered the rules for auction, Swade could not accept the notion that this sacred document could reside with just some stranger or in a random home or hall. He resolved to ensure that Naismith's rules be returned to his spiritual home of forty years, The University of Kansas. Swade had his *raison d'être*. He had all the determination one could need. There was only one issue. He did not have 4.3 million dollars. Spanning the course of thirty-nine frantic days, Josh Swade embarked on a fanatical journey that would take him across the country. His nearly religious obsession brought him face-to-face with NBA players Paul Pierce and Steve Nash, NBA greats Jerry West and Larry Brown, and many others who knew the importance of this relic. With multiple hurdles ahead of him, will Josh be able to find the money and support to purchase the rules before it's too late?

Kansas University Basketball Legends Kenneth N. Johnson PhD, 2013-11-19 The University of Kansas's men's basketball team is one of the oldest and most successful in the history of college basketball; the very inventor of the sport, Dr. James Naismith, was KU's first coach. Its long and illustrious history began in 1898 and includes some of the biggest names in the game, from legends like Wilt Chamberlain to secret weapons like Andrea Hudy, the only female strength and conditioning coach in the division. Longtime Jayhawk enthusiast Kenn Johnson offers up a unique and in-depth look at the players, coaches and other personalities who helped make the University of Kansas basketball program the unparalleled tradition it is today.

Make It Count Mark C. Bodanza,2013-06-28 In an age dominated by overhyped athletes who are sometimes short on character, JoJo White's story offers a refreshing look back at one athlete's career—a career that was the product of genuine good values. In *Make It Count*, author Mark C. Bodanza presents a biography of a man who triumphed both on and off the basketball court. White's story is interwoven with ours as a nation. His basketball days were shaped by—and in a few cases, helped shape—events of monumental importance. Race relations, the war in Vietnam, and political tumult across the land punctuated White's years as both a Kansas Jayhawk and Boston Celtic. Bodanza shows how, through his years on the court, the point guard from St. Louis, Missouri, maintained a steady contribution to the game that became his passion while still a child. With each passing game, season, or team that formed a part of his playing days, White stayed true to principles learned before he donned his first high-school uniform. *Make It Count* narrates a compelling chronicle of a sports career complete with drama, triumphs, and losses, as well as an affirmation that hard work has its reward. In life, as in basketball, JoJo White's approach to each opportunity that a new day presents has always been the same: make it count.

Beware of Phog-Ltd Doug Vance,Jeff Bollig,2004 In the world of college basketball, few structures can match the aura of the massive limestone edifice situated on the University of Kansas campus known as Allen Fieldhouse. Dedicated 50 years ago on March 1, 1955, it marked the largest campus arena in the nation for a significant period of time. The inventor of the game of basketball, Dr. James Naismith, introduced to the campus both the sport and his most prized pupil, Forrest C. Phog Allen, in the early 1900s. It was Allen, who came to be known as the Father of Basketball Coaching, that elevated the sport to practically a religion among the Jayhawk faithful. When it came time to build a new arena to satisfy the burgeoning fan support, there was never any question that it would be named in honor of the man they called Phog. *Beware of the Phog: 50 Years of Allen Fieldhouse* chronicles the history of the facility that houses Kansas basketball. Readers will get unique insight into the epic battles that have occurred in this legendary building from the coaches, players, fans, media, officials, and administrators who lived those experiences. They will learn of the traditions, anecdotes, and unique qualities that make the facility more than just a place where games are played. If the classroom buildings are the heart of KU's campus, then The House That Wilt Built is its soul. It might be constructed of a mass of stone, metal and concrete, but there is a spirit that provides the constant reminder that the place is indeed special. The constant echo of the Rock Chalk Chant emanates from faraway recesses while the fresh buttery popcorn aroma flows from cubbyholes under the bleachers. Allen Fieldhouse is truly a place like no other.

It's been a century of national championships, All-Americans, Olympic heroes and remarkable games. *A Century of Jayhawk Triumphs* relives the top 100 victories in the program's storied history.

Light Blue Reign Art Chansky,2009-10-27 The 09'-10' NCAA college basketball season marks the 100th anniversary of North Carolina basketball. The Tar Heels have earned top-five rankings in preseason polls four of the last five years, twice at #1. But they weren't always seen as a power - house team. Their strength has been decades in the making. *Light Blue Reign* documents the building of a program, a behind-the-scenes, far-reaching, wide-angle perspective on one of the most formidable college basketball teams in the country. Art Chansky, a sportswriter who has covered basketball on Tobacco Road for more
