Directors in British and Irish Cinema Robert Murphy, 2019-07-25 A guide to directors who have worked in the British and Irish film industries between 1895 and 2005. Each of its 980 entries on individuals directors gives a resume of the director's career, evaluates their achievements and provides a complete filmography. It is useful for those interested in film-making in Britain and Ireland.

Outlander Diana Gabaldon, 2010-12-22 Claire Randall is leading a double life. She has a husband in one century, and a lover in another... In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon—when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach—an outlander—in a Scotland torn by war and raiding border clans in the year of our Lord...1743. Hurled back in time by forces she cannot understand, Claire's destiny is soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. For here, James Fraser, a gallant young Scots warrior, shows her a passion so fierce and a love so absolute that Claire becomes a woman torn between fidelity and desire...and between two vastly different men in two irreconcilable lives.

The Illustrated London News, 1999

[Underworld: Rise of the Lycans](#) Greg Cox, 2009-04-14 The official movie novelization of the latest film in the blockbuster action/horror movie series, Underworld—coming to theaters in January 2009 from Sony Pictures! Centuries ago...two ageless and terrifying races—the aristocratic vampires and the feral lycans—are bound by a cruel, ancestral relationship between master and servant, and eternally separated by the ongoing, violent rivalry between their two species. But unknown to both nobility and enslaved alike, a clandestine—and forbidden—affair between the lycan servant Lucian and the beautiful vampire noblewoman Sonja burns brightly with an unbridled passion. Seeking to escape Sonja's tyrannical father, Viktor, and a future in which their love is considered an abomination, Lucian risks the ever-present machinations of the court and his very life to cast himself and his beloved free of their bonds...a daring tactic that will eventually give all lycans the courage to rise up against their oppressive vampire overlords. New alliances are forged even as the chains of slavery are broken...and all that Lucian and Sonja hold dear will be threatened with utter annihilation....

The Guardian Index, 2002

Pearl Harbor Randall Wallace, 2001 It was on a sleepy Sunday that the skies above Hawaii were darkened by warplanes, For two young pilots, Rafe McCawley and Danny Walker, and dedicated nurse Evelyn, the war has already had a devastating impact. With America planning a retaliatory act, how will the three find hope amidst the chaos?

New York, 2008

Drum, 2007

The Flanders Panel Arturo Pérez-Reverte, 2004-06-07 "A sleek, sophisticated, madly clever chamber mystery" from the international bestselling author—the basis for the film Uncovered starring Kate Beckinsale (*The New York Times*

Book Review). A fifteenth-century painting by a Flemish master is about to be auctioned when Julia, a young art restorer, discovers a peculiar inscription hidden in a corner: Who killed the knight? In the painting, the Duke of Flanders and his knight are locked in a game of chess, and a dark lady lurks mysteriously in the background. Julia is determined to solve the five-hundred-year-old murder, but as she begins to look for clues, several of her friends in the art world are brutally murdered in quick succession. Messages left with the bodies suggest a crucial connection between the chess game in the painting, the knight's murder, the sordid underside of the contemporary art world, and the latest deaths. Just when all of the players in the mystery seem to be pawns themselves, events race toward a shocking conclusion. A thriller like no other, *The Flanders Panel* presents a tantalizing puzzle for any connoisseur of mystery, chess, art, and history. "A beguiling puzzle—a game within a game within a game—solved in perplexing but entertaining fashion."—The Philadelphia Inquirer "For mystery fans who yearn for literate, intelligent, sophisticated whodunits, Spanish author Pérez-Reverte's highly acclaimed story fills the bill perfectly . . . An inventive plot, gripping suspense, fascinatingly complex characters, and innovative incorporation of art, literature, and music will enthrall readers looking for something a little different."—Booklist "This intelligent mystery . . . comes up with a satisfying twist at the end."—Library Journal

The Encyclopedia of British Film Brian McFarlane, 2005 Fully updated edition of a comprehensive history of the British film industry from its inception to the present day, with minute listings of the producers, directors, actors and studios behind a century or so of great British cinema. An invaluable addition to the reference shelf of anyone with an interest in British cinema. Brian McFarlane is professor of film history at Monash University in Australia.

The New Yorker, 2003

Putting the Rabbit in the Hat Brian Cox, 2022-01-18 NAMED A BEST BOOK OF 2022 BY THE NEW YORKER The incredible rags-to-riches story of acclaimed actor Brian Cox, best known as *Succession*'s Logan Roy, from a troubled, working-class upbringing in Scotland to a prolific career across theatre, film and television. From *Hannibal* Lecktor in *Manhunter* to media magnate Logan Roy in HBO's *Succession*, Brian Cox has made his name as an actor of unparalleled distinction and versatility. We are familiar with him on screen, but few know of his extraordinary life story. Growing up in Dundee, Scotland, Cox lost his father when he was just eight years old and was brought up by his three elder sisters in the aftermath of his mother's nervous breakdowns and ultimate hospitalization. After joining the Dundee Repertory Theatre at the age of fifteen, you could say the rest is history – but that is to overlook the enormous effort that has gone into the making of the legend we know today. Rich in emotion and meaning, with plenty of laughs along the way, this seminal autobiography captures both Cox's distinctive voice and his very soul.

TV Guide, 2000

Film Review, 2004

Whiteout Greg Rucka, 1999 Following a murder in Antarctica, the U.S. Marshal responsible for the area and a

British intelligence agent work to discover who did it and why.

The Advocate, 2001-06-05 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Love & Friendship Whit Stillman, 2017-05-09 *NOW A MAJOR FILM STARRING KATE BECKINSALE, CHLOE SEVIGNY & STEPHEN FRY* ACCLAIM FOR THE BOOK: Lady Susan remains deliciously wicked (Vogue); Very, very funny (New York Times), [A] delicately sincere inversion of Austen's amused irony (New York Review of Books); Quirky and hilarious (Publishers Weekly); An eccentrically cheeky tribute (New Yorker) A sharp comedy of manners, and a fiendishly funny treat for Jane Austen and Whit Stillman fans alike Impossibly beautiful, disarmingly witty, and completely self-absorbed: Meet Lady Susan Vernon, both the heart and the thorn of Love & Friendship. Recently widowed with a daughter who's coming of age as quickly as their funds are dwindling, Lady Susan makes it her mission to find them wealthy husbands--and fast. But when her attempts to secure their futures result only in the wrath of a prominent conquest's wife and the title of 'most accomplished coquette in England', Lady Susan must rethink her strategy. Unannounced, she arrives at her brother-in-law's country estate. Here she intends to take refuge - in no less than luxury, of course - from the colorful rumors trailing her, while finding another avenue to 'I do'. Before the scandalizing gossip can run its course, though, romantic triangles ensue. A SPECIAL EDITION FEATURING JANE AUSTEN'S ORIGINAL NOVELLA AS ANNOTATED BY THE NARRATOR

FF., 2005

The Complete Book of Scriptwriting J. Michael Straczynski, 1982 To survive and thrive in the fantasyland that is show business, you need to know the realities of writing and selling. J. Michael Straczynski learned these realities the hard way. With his help, you'll learn them the easy way. Here the writer/producer of *Murder, She Wrote* and creator of *Babylon 5* tells you how it really is - and how you can really succeed writing scripts. Straczynski shows you the importance of distinguishing yourself, through professionalism and discipline, from the wannabes. He helps you strengthen your writing technique while urging you to bring your own vision to your work, avoid formula, and create from passion. And he takes you in for a close look at every entertainment medium hungry for good scriptwriters.

amazon com customer reviews thermal flying - Apr 23 2022

web the book has nice photographs and makes nice qualitative descriptions of thermals but a few references to scientific papers books would have been welcomed also the concept of dry vs wet adiabatic lapse rate is not clearly explained and the author does not give the magical formula for cloud base 400 feet °c or 125 metres °c i hope
