**The Myths of Security** John Viega, 2009-06-16 If you think computer security has improved in recent years, The Myths of Security will shake you out of your complacency. Longtime security professional John Viega, formerly Chief Security Architect at McAfee, reports on the sorry state of the industry, and offers concrete suggestions for professionals and individuals confronting the issue. Why is security so bad? With many more people online than just a few years ago, there are more attackers -- and they're truly motivated. Attacks are sophisticated, subtle, and harder to detect than ever. But, as Viega notes, few people take the time to understand the situation and protect themselves accordingly. This book tells you: Why it's easier for bad guys to own your computer than you think Why anti-virus software doesn't work well -- and one simple way to fix it Whether Apple OS X is more secure than Windows What Windows needs to do better How to make strong authentication pervasive Why patch management is so bad Whether there's anything you can do about identity theft Five easy steps for fixing application security, and more Provocative, insightful, and always controversial, The Myths of Security not only addresses IT professionals who deal with security issues, but also speaks to Mac and PC users who spend time online.

**Happiness- a Foolish Pursuit** Iqra Saeed, 2019-12-23 The reason behind the discomfort of mankind is the absence of meaning and consequently, they spend their lives in utter confusion while always trying to find out which direction they should head towards. In the pursuit of this direction--which is an inborn thirst inside them, they get lost

in the pursuit of happiness when in actual thinking of happiness as a motivation to live is a deadly concept and that is why those who rely only on happiness, never end up finding their meaning of life. The meaning of life cannot be something temporary and can be found out in both happiness and pain--and this when discovered, results in a life of peace, harmony, and clarity. Not only this, it connects the humans with the divine purpose they are here for, which is consistent growth leading to excellence in terms of spirituality, purification, and connection with the divine. The book explains the complete picture of the meaning of life, in terms of man's journey from birth to death and a journey beyond death. This will help you see your life--to answer you about all the pain and miseries you have ever come across, and to prepare you for the upcoming trials of your life so that you do not remain lost and confused anymore and you get to tackle the life challenges with positive attitude, staunch confidence and a sheer will for sticking to the purpose anyhow. Once you internalize the concepts explained in this book, you will be able to identify your goals, discover your passion and how to align that passion with purpose to spend a life of satisfaction. It will help you become strong and most importantly, it will help you connect with the love of The Lord Most High at deeper levels.
