The Kareena Kapoor Handbook - Everything You Need to Know about Kareena Kapoor Emily Smith,2011 Kareena Kapoor (born on September 21, 1980), often informally referred to as Bebo, is an Indian actress who appears in Bollywood films. During her career, Kapoor has received six Filmfare Awards and has been noted for her performances in a range of film genres; these include her work from contemporary romantic dramas to comedies, period films to major Bollywood productions, as well as less publicised independent films. Born into a family where both her parents, Randhir Kapoor and Babita, and her elder sister Karisma were actors, Kapoor faced the media spotlight from a very young age, but did not make her acting debut until the 2000 film Refugee. Her melodrama Kabhi Khushi Kabhie Gham...became India's highest-grossing film in the overseas market in 2001, and is one of her biggest commercial successes to date. After receiving negative reviews for a series of repetitive roles, Kapoor accepted more demanding parts in order to avoid being typecast, and was consequently recognized by critics for displaying greater versatility as an actress. Her portrayal of a sex worker in Chameli (2004) proved to be the turning point in her career and she was later noted for her performances in the critically acclaimed Dev (2004) and Omkara (2006). In 2007, Kapoor received her first Filmfare Award for Best Actress for her performance in Jab We Met, a romantic comedy directed by Imtiaz Ali. She went on to play the lead female role in the thriller Kurbaan (2009), for which she earned critical acclaim, and the drama 3 Idiots (2009), which became the highest-grossing Bollywood film of all time. Having done so, Kapoor has established herself as a leading actress of the Hindi film industry. In addition to movie acting, Kapoor is a regular stage performer and has launched her own clothing line in association with being the brand ambassador for the retail chain Globus. Her off-screen life, including her relationship with actor Saif Ali Khan, is the subject of wide media coverage in India. This book is your ultimate resource for Kareena Kapoor. Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped

to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

It is also the riveting account of how a neglected boy in an unknown village became one of South Africa's most awarded investigative reporters and found himself at the receiving end of the corruption that had defeated those he helped put in power.
